## CREDITORS CLAMOR FOR CASH!

### The Globe Clothing House

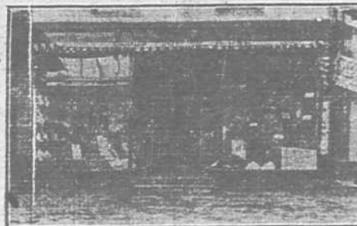

Bought this season the largest and finest stock of Men's and Boy's Clothing, Furnishings, Shoes and Hats brought to Clarksburg. Every indication pointed to the greatest prosperity, but owing to the scarcity of money several of the big manufacturers throughout the country had to close down, and they need money. They have written us to try and send them some money, which we are about to do. We have made arrangements with Messrs. VOGEL & CO., of New York and Baltimore, to send one of their representatives to take charge of our entire store and to cut prices right and left. Messrs Vogel & Co. are the biggest sale producers in the United States and therefore understand how to run a sale, and have orders from the proprietors of the Globe Clothing House to sell everything regardless of cost. Never in the history of Clarksburg were Clothing, Hats and Shoes sold at such low prices. As the public well knows, most all the stores throughout the country have sales after the first of the year such as Fire, Bankrupt and some fake name or other to catch the public eye. Business in Clarksburg has not been up to the usual standard, as everyone knows, and we thought now would be the proper time to give our customers the benefit of our reduced prices. We want you to come to this sale expecting more for your money than you ever had before, as Messrs. Vogel & Co. have full instructions from us to sell, and nothing will be reserved. Mr. Vogel himself will be present and see that everybody gets exactly what is advertised.
