Wrinkles Removed

Good morning, Myrtle! Why you are looking fine. What did you do to get all those wrinkles out of your face? Oh, that was easy. I just went to the Chiroprapist (the Foot Specialist) over Parsons-Souders' Store and had my bunions and corns removed. They were just killing me and ruining my health. You might as well or better have the tooth-ache, as a corn or a bunion. Did they hurt to have them removed? No, got relief at once and shopped every day since.

SWEET MELODY FLOUR.

LYCEUM COURSE

Of Three Numbers is Decided Upon by the Ministers' Association.

At the meeting of the Ministers' Association yesterday afternoon in the Goff Methodist Episcopal church it was decided to have a course of at least three lyceum numbers, which will likely be at the end of January, February and March, and they will be in the Central Christian church.

If the plans of the Association mature, the first will be a musical number by Miss Miller, of Pittsburg, who has continental fame. The second will be a lecture by Dr. Cartwright, of Pittsburg, a leading Methodist minister, who is quite well known here. Dr. Russell Conwell will likely be the other lecturer. The latter is from Philadelphia and is a lecturer of wide note. The admission will be one dollar per number of the series.
