DEATH CLAIMS

Mrs. B. S. Woddell, of Webster Springs, in a Local Hospital.

Mrs. B. S. Woddell, aged 33 years, of Webster Springs, died Sunday afternoon at 2 o'clock in a local hospital after a long illness of a complication of diseases.

Mrs. Woddell was brought to the hospital here about six weeks ago and at the time her death was momentarily expected, and the fact that she lingered so long baffled the local physicians who were attending her.

The deceased woman is survived by her husband and four children.

The body was taken to Webster Springs on the 11:40 train Monday morning and the funeral will be held from the Woddell home there Tuesday afternoon at 3 o'clock, the burial following in the Webster Springs cemetery.

COLDS ARE BROKEN

How to Cure a Bad Cold and End Grippe Misery in a Few Hours.

Nothing else that you can take will break your cold or end grippe so promptly as a dose of Pape's Cold Compound every two hours until three consecutive doses are taken. The most miserable headache, dizziness, head and nose stuffed up, feverishness, sneezing, running of the nose, sore throat, mucous catarrhal discharges, soreness, stiffness, rheumatism pains and other distress begin to leave after the very first dose.

Pape's Cold Compound is the result of three years' research at a cost of more than fifty thousand dollars, and contains no quinine, which we have conclusively demonstrated is not effective in the treatment of colds or grippe.

Take this harmless Compound as directed, with the knowledge that there is no other medicine made anywhere else in the world, which will cure your cold or end Grippe misery as promptly and without any other assistance or bad after-effects as a 25-cent package of Pape's Cold Compound, which any druggist in the world can supply.
