HOLIDAY

Is Observed Throughout the City in a Very Quiet Manner.

Aside from the annual meeting of the Sons of the Revolution of West Virginia and functions in honor of the members of that organization, there was nothing out of the ordinary for legal holidays here. George Washington's birthday anniversary.

The postoffice observed the usual holiday hours. There was no rural mail delivery. Business was limited at the express and railway freight offices. Public offices were closed as were the banks and barber shops as well as the school. Many business houses also remained closed. Several factories were shut down for the day.

The public schools will resume tomorrow morning.

If your children are subject to attacks of croup, watch for the first symptom, hoarseness. Give Chamberlain's Cough Remedy as soon as the child becomes hoarse and the attack may be warded off. Sold by all dealers.

DANDRUFF GERMS ARE RESPONSIBLE

Business and Most Hair Troubles Due to This Parasitic Which Destroy Hair Roots.

Nobody wants to be bald. But a neglected scalp means first falling hair, then—BALDNESS. If you are troubled with itching scalp or falling hair, be on guard against Dandruff. Get rid of it without delay; check its advance, for dandruff is a germ which feeds upon hair and "feeding grows" destroying the hair roots, so that no new hair growth is possible.

Begin now, using HAY'S HAIR HEADLITE, the surest, swiftest Dandruff cure, eradicates them (cleans out the pores of the scalp) and encourages a quick growth of youthful-looking hair. No unightly dandruff scales on your coat collar. No bald spots on your scalp (if you use HAY'S HAIR HEADLITE). W. W. White, pastor Vienna, (Ind.), M. E. Church, writes us: "I have used half a dozen different hair tonics, but I find HAY'S HAIR HEADLITE W. W. White, preparation I have ever used for dandruff. You can get it at any druggists for 50c or \$1.00 per bottle or from the Philo Hay Spec. Co., Newark, N. J."

This Will Stop Your Cough in a Hurry

Save \$2 by Making This Cough Syrup at Home.

This recipe makes a pint of better cough syrup than you can buy ready made for \$2.50. A few doses usually conquer the most obstinate cough—stop even whooping cough quickly. Simple as it is, no better remedy can be had in any price.

Mix one pint of granulated sugar with 1/2 pint of warm water, and stir for 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents worth) in a pint bottle; then add the Sugar Syrup. It has a pleasant taste and lasts a family a long time. Take a teaspoonful every one, two or three hours.

You can feel this take hold of a cough in a way that means business. Has a good tonic effect, braces up the appetite, and is slightly laxative, too, which is helpful. A handy remedy for hoarseness, croup, bronchitis, asthma and all throat and lung troubles.

The effect of pine on the membrane is well known. Pinex is the most valuable concentrated compound of Norwegian white pine extract, and is rich in ginseng and all the natural healing pine elements. Other preparations will not work in this manner.

This Pine and Sugar Syrup recipe has attained great popularity throughout the United States and Canada. It has often been imitated, though never successfully. A guaranty of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Rt. Wayne, Ind.

Mrs. A. R. Fabor, of Cider, Mo., has been troubled with sick headache for about five years, when she began taking Chamberlain's Tablets. She has taken two bottles of them and they have cured her. Sick headache is caused by a disordered stomach for which these tablets are especially intended. Try them; get well and stay well. Sold by all dealers.
