MACHINE

(Continued from page one.)

call of the Republican national committee, had the authority to give, Lyon declined. Then the Taft rank and file of the party asked for district conventions in order that they might get a chance to vote for district delegates, leaving to Lyon and his machine the power to choose all the delegates at large from their officeholders. This sort of an action was also provided by state law, by the call of the national committee and had always been held in Texas heretofore. Lyon and his federal officeholders fought this proposition and attempted to have the election delegation elected by the state convention where they controlled the machinery to throw out of their seats every contesting Taft delegation. Despite this opposition the Taft forces went to work on the various congressional district committees with the result that a large majority of the delegates from Texas will be elected by a primary vote and they will be Taft men. In other words, while pretending to want the people to vote in other states, in Texas, where the machine was entirely in the hands of one man, and that man Cecil Lyon, personal and intimate friend of Theodore Roosevelt, the Roosevelt men have done their utmost to prevent a vote of any kind by the Republicans of the state. The credit for the victory over the despotic Lyon, which is now assured, belongs solely and absolutely to the rank and file of the party in Texas and to the leaders who had the temerity, at the outset, to confront Lyon and make him show his hand.

INDIGESTION

Miona Stomach Tablets Quickly End All Stomach Distress and Tone Up the System.

People go on suffering from little stomach troubles for years and imagine they have a serious disease. They over-eat over-drink and force on the stomach a lot of extra work. But they never think that the stomach needs extra help to do extra work. If these people would take one or two MI-O-NA tablets with or after meals, or whenever distressed, it would be a great big help to the stomach in its strain of overwork. No matter what you eat or drink MI-O-NA tablets will sweeten your sour stomach and stop gas belching, heaviness, sourness, fermentation or any stomach misery in a few minutes. And MI-O-NA not only promptly relieves all distress, but if taken regularly will absolutely cure indigestion by building up the flabby over-worked walls of the stomach and making them strong enough to digest the most hearty meal. Druggists everywhere offer MI-O-NA stomach tablets for 50 cents a box. Wells & Haymaker Co., guarantee it.
