When Baby has Croup

Every Mother Should Know About Booth's HYOMEI

In any home where a child has a tendency to croup, a bottle of HYOMEI (pronounce it High-o-me) should be kept constantly on hand.

A sudden attack of croup with difficult breathing and extreme distress is apt to come on at any time.

The course to be pursued is plain.

Send for your doctor at once and in the meantime drop 20 drops of HYOMEI into a bowl of boiling water and hold the child's head over it, cover with a towel or cloth, so that only the air filled with HYOMEI vapor is breathed.

This method of treatment has saved many a child's life, and mothers of croupy children should see to it that Booth's HYOMEI is always on hand. Full instructions for prompt relief of croup is in each package.

Booth's HYOMEI is made of Australian Eucalyptus and other antiseptics. Money returned if it does not give satisfaction in treatment of catarrh, coughs, colds, croup and catarrhal deafness. Ask Wells & Haymaker Co.—Advertisement.

"SERVATOR" is a striking new style with an air of distinction. Gives plenty of room to show the tie. Preferred now by well-dressed men who favor the larger four-in-hands.

MRS. WM. ARCHER

Tells Mothers What To Do for Delicate Mothers.

"My fourteen year old daughter was very thin and delicate. She had a bad cough so that I became very much alarmed about her health. She was nervous and did not sleep well, had very little appetite and doctors did not help her. Having heard so much about Vinol, I decided to give it a trial. It has helped her wonderfully. She can sleep all night now without coughing once, in fact her cough is gone. Her appetite is greatly improved and she has gained in weight. Vinol is a wonderful medicine and I will always keep it in the house. I wish every mother knew what Vinol will do for delicate children." Mrs. Wm. Archer, Long Branch, N. J.

This delicious cod liver and iron preparation without oil is a wonderful body builder and strength creator for both young and old. We promise to give back your money in every such case where Vinol does not benefit. This shows our faith in Vinol. Stone & Mercer, Druggists, Clarksburg, W. Va. P. S.
