Anty Drudge Finds Another Woman Who Is Delighted With Fels-Naptha Soap

Mrs. Tryit—"There, the last piece hung on the line and I'm done three hours sooner than ever before. And I had a big wash today, too. It seems almost too good to be true, that Fels-Naptha Soap will do so much for a woman."

Anty Drudge—"I knew it. I stopped in to see how you liked Fels-Naptha and I see you are delighted with it, just like everybody else. You're not tired, either, are you?"

Are you one of the women who are still doing their work the hard way? Instead of always having work ahead of you, how would you like to get ahead of the work, not once in a while, but every day? Fels-Naptha Soap will save you at least half a day every washday. It will do all your household cleaning twice as fast and much better than it is done now and won't take half the strength or "elbow grease" you have been using. Fels-Naptha Soap makes dirt disappear. It dissolves grease in pots and pans, takes stains out of the finest materials, cleans heavy spreads, blankets, dainty laces—does not hurt a thing it touches. It works best in cool or lukewarm water, does away with all hard rubbing or scrubbing. It helps you, instead of you having to help it. You will be delighted with your work if you follow the directions on the Red and Green Wrapper.

Glad to Tell About Great Kidney Preparation

I am more than glad to testify to the wonderful curative power of the greatest remedy on earth for diseased and weak kidneys. I have been suffering for years and I have tried other remedies but they gave me no relief. I saw your advertisement and commenced to use Dr. Kilmer's Swamp-Root. I was not able to do a day's work for six months or more when I commenced to take Swamp-Root and after taking some six or eight bottles, I felt as well as I ever did in my life and I can joyfully recommend it to all who are suffering as I was.

Yours truly,
D. L. DEMENT,
101 Sherrill St., Hillsboro, Texas.
Subscribed and sworn to before me this 10th day of April, 1912.

How to Bankrupt the Doctors.
A prominent New York physician says: "If it were not for the thin stockings and his soled shoes worn by women the doctors would probably be bankrupt." When you contract a cold do not wait for it to develop into pneumonia, but treat it at once. Chamberlain's Cough Remedy is intended especially for coughs and colds, and has won a wide reputation by its cures of these diseases. It is most effective and is pleasant and safe to take. For sale by all dealers.—Advertisement.

RARE TREAT

Is Presentation of "Sapho" at the Victoria by the Pearl Stock Company.

A big audience witnessed the Pearl Stock Company's first performance of "Sapho," at the Victoria theater last night, despite the weather having an untoward effect. "Sapho," in the hands of this clever company, proved a rare dramatic treat, and it has been a long time, if ever, that local theater-goers have witnessed such excellent acting in a popular-priced attraction as Miss Pearl Evans Lewis did in the famous Olga Netherole role of Fanny LeGrand (Sapho). She looked extremely beautiful and in the many strong emotional scenes was a marvel. Mr. Alfred Webster, as Jean Gaussin, and the entire company, every member of which seemed to be cast in suitable roles, gave this little star excellent support.

Although "Sapho" is at times extremely dramatic, it has a lot of delightful comedy that makes it appealing to all. The play was excellently staged with beautiful new scenery. "Sapho" will be repeated at the pink tea stage reception at tomorrow's matinee, as well as tonight and tomorrow night.

Lower Rates to Temperate People

Statistics prove that the temperate man will live longer than the user of alcoholic liquors.

The temperate man is entitled to a lower insurance rate—but he seldom gets it.

Our new combination Life and Accident Policy rewards total abstinence with the special rate it should earn. This rate is lower than is usually paid for plain life insurance.

Rev. C. H. Mead, the well known Prohibitionist and Lecturer of the National Temperance Society has carried one of our large policies for many years and thoroughly believes in the benefits to be secured by non-users of alcoholic liquors through the combination Life and Accident Policy.

Recently Mr. Mead became Vice-President of this Association and he urges all men and women who are interested in temperance to write for further information about this policy.

Excellent opportunities for good agents.
