Mr. Martin Tonight.
This evening in the First Baptist church the closing artist recital of the season will be given by the Marcato Music Club at which time Madame Berdine Blye, pianist, and Mr. Aubrey Martin will give a joint recital. Madame Blye is one of the most distinguished women pianists of this country and plays with great fluency and ease. Her constant play of light and shades reveals a very susceptible musical nature. She is a Rubenstein pupil and proves herself a worthy disciple of a great master and has appeared before Queen Alexandria and many members of the royal families of England and Germany and twice at the White House in Washington.

Mr. Martin is well known in musical circles in Clarksburg and has recently returned from New York, where he studied with the best teachers, making his first appearance in public in Fairmont, Tuesday evening with the New York Symphony orchestra under the direction of Damrosch, and Mr. Martin as vocal soloist.

The program this evening will begin promptly at 8:15 o'clock and tickets can be secured at the door, price \$1.00.

How to Bankrupt the Doctors.

A prominent New York physician says: "If it were not for the thin stockings and thin soled shoes worn by women the doctors would probably be bankrupt." When you contract a cold do not wait for it to develop into pneumonia but treat it at once. Chamberlain's Cough Remedy is intended especially for coughs and colds, and has won a wide reputation by its cures of these diseases. It is most effective and is pleasant and safe to take.
