Game of Association Football is Expected to Be Much Faster.

(Contributed.)  
Sunday afternoon, in the first match game, the local team, defeated the Grassell Stars at association football by a score of two to one.  
The game was called for 3 o'clock at the baseball park and two halves of thirty minutes each were played. Owing to the muddy condition of the field, the play was not as fast as may be anticipated in the return match, which will be played Sunday, February 9, favorable weather conditions permitting.  
Early in the first half, the Stars made the first score, with a good clean goal from the fifteen yard line. Later in the first half the local squad came back with a goal, tying the score.  
The second half was hotly contested, with no score until the last few minutes of play, when a spectacular goal was kicked from the twenty yard line by Joe Shakespeare.  
The Stars fought desperately during the last few minutes of play to tie the score, but were unable to do so, and the game ended with the ball in the center of the field.  
The team work of the Grassell Stars was superior to that of the Maroons, but with a little practice, the local boys should prove one of the best aggregations in the state. With the stone wall defense shown Sunday by Longmore, McGregor, Keenan, Willey and William Shakespeare, Jr., to rely upon a little further practice on offensive play should develop an invincible team.  
Both the Sabreton and Morgantown teams have written, asking for games, so that some interesting contests may be looked for later on. Score:  
Clarksburg Maroons ..... 2  
Grassell Stars ..... 1  
Referee—William Shakespeare.  
Attendance 250.
