STOMACH SOUR? GOT INDIGESTION ALSO?

"Pape's Diapepsin" Makes Upset Stomachs Feel Fine in Five Minutes.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache—this is indigestion.

A full case of Pape's Diapepsin costs only fifty cents and will thoroughly cure your out-of-order stomach and leave sufficient about the house in case some one else in the family may suffer from stomach trouble or indigestion.

Ask your pharmacist to show you the formula plainly printed on these fifty-cent cases, then you will understand why dyspeptic trouble of all kinds must go, and why they usually relieve sour, out-of-order stomachs or indigestion in five minutes. Diapepsin is harmless and tastes like candy, though each does contain power sufficient to digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but, what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many Diapepsin cranks, as some people will call them, but you will be cranky about this splendid stomach preparation, too, if you ever try a little for indigestion or gastritis or any other stomach misery. Get some now, this minute, and forever rid yourself of stomach trouble and indigestion.—Advertisement.

The Return of Blood Eruptions

No Reason Why Anyone Should Suffer With Such a Disheartening Experience.

No case of contagious blood poison is ever cured until the last particle of the virus has been removed from the circulation. The least taint left in the blood will, sooner or later, cause a fresh outbreak of the trouble, with all its hideous and destructive symptoms of ulcerated mouth and throat, copper colored spots, falling hair, sores and ulcers, etc. No other medicine so surely cures contagious blood poison as S. S. S. It goes down into the blood and steadily and surely drives out every particle of the infection. It absolutely and perfectly purifies the blood, and leaves this vital fluid as fresh, rich and healthy as it was before the destructive virus of contagious blood poison entered the circulation. S. S. S. quickly takes effect on the blood, and gradually the symptoms disappear, the health is improved, the skin cleared of all spots, sores and other blemishes, the hair stops coming out, the mouth and throat heal and when S. S. S. has cleansed the system of the poison, no trace of the disease is left. S. S. S. cures contagious blood poison because it is the greatest of all blood purifiers, tested and proven in hundreds and hundreds of cases all over the country. You will find S. S. S. for sale in all drug stores at \$1.00 per bottle. Write to The Swift Specific Co., 127 Swift Bldg., Atlanta, Ga., for private medical advice and a very instructive book on all blood diseases, sent free, sealed in plain wrapper.
