**HUSBAND TIRED OF SEEING HER SUFFER**

Procured Lydia E. Pinkham's Vegetable Compound, which made His Wife a Well Woman.

Middletown, Pa.—"I had headache, backache and such awful bearing down pains that I could not be on my feet at times and I had organic inflammation so badly that I was not able to do my work. I could not get a good meal for my husband and one child. My neighbors said they thought my suffering was terrible.

"My husband got tired of seeing me suffer and one night went to the drug store and got me a bottle of Lydia E. Pinkham's Vegetable Compound and told me I must take it. I can't tell you all I suffered and I can't tell you all that your medicine has done for me. I was greatly benefited from the first and it has made me a well woman. I can do all my housework and even helped some of my friends as well. I think it is a wonderful help to all suffering women. I have got several to take it after seeing what it has done for me."—Mrs. EMMA ESPENSHAD, 219 East Main St., Middletown, Pa.

The Pinkham record is a proud and honorable one. It is a record of constant victory over the obstinate ills of woman—ills that deal out despair. It is an established fact that Lydia E. Pinkham's Vegetable Compound has restored health to thousands of such suffering women. Why don't you try it if you need such a medicine?

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

**Hooray! Baby To Rule the House**

No Longer Do Women Fear The Greatest of All Human Blessings.

It is a joy and comfort to know that those much-talked-of pains and other distresses that are said to precede child-bearing may easily be avoided. No woman need fear the slightest discomfort if she will fortify herself with the well-known and time-honored remedy, "Mother's Friend."

This is a most grateful, penetrating, external application that at once softens and makes pliant the abdominal muscles and ligaments. They naturally expand without the slightest strain, and thus not only banish all tendency to nervous, twitching spells, but there is an entire freedom from nausea, discomfort, sleeplessness and dread that so often leave their impress upon the babe.

The occasion is therefore one of unbounded, joyful anticipation, and too much stress can not be laid upon the remarkable influence which a mother's happy, pre-natal disposition has upon the health and fortunes of the generation to come.

Mother's Friend is recommended only for the relief and comfort of expectant mothers, thousands of whom have used and recommended it. You will find it on sale at all drug stores at \$1.00 a bottle. Write today to the Bradford Regulator Co., 130 Lamar Bldg., Atlanta, Ga., for a most instructive book on this greatest of all subjects, motherhood.

**The Forty Year Test.** An article must have exceptional merit to survive for a period of forty years. Chamberlain's Cough Remedy was first offered to the public in 1872. Try it and you will understand why it is a favorite after a period of more than forty years. It not only gives relief—it cures. For sale by all dealers.—Advertisement.

**THE THEATERS**

"The Case of Becky," which is to open Robinson's Grand theater Friday night, with Miss Frances Starr in the leading part, is a new departure in plays, even for Mr. Belasco. The drama is really a romance, telling an impelling love story, but it is intensely modern in its theme and application. For this play Mr. Belasco and Mr. Locke seized upon the strange case of "Miss Beauchamp," of Boston, one of the strangest and most interesting psychological studies of recent times. The heroine is a character built upon that of "Miss Beauchamp." Through pre-natal influence this young girl develops a dual personality—a sort of female "Dr. Jekyll and Mr. Hyde." As to one of her two "selves" the character enacted by Miss Starr is sweet, intellectual and refined; as the other she is crafty, vicious and cunning. Such a task as confronts Miss Starr in this dual role requires all the clever little actress's skill and art, and on this character depends in a great measure the success of the play. How well Miss Starr has succeeded in what is without doubt the most important part of her stage career is shown by the laudatory criticism she has received and by her long run in New York City.

What would you do if you had only seven hours to spend in New York? Have a good time wouldn't you? That was Merrill Lee's intention. And he had a good time all right. The next day, however—but what would be telling. "Seven Hours in New York," which is to appear Saturday afternoon and night at Robinson's Grand theater. It shows a pretty octette singing one of the big hits of the play, "Come Take a Trip in My Automobile."

"ork" is the name of a new comedy your only opportunity to see Bernhardt portray Queen Elizabeth's tragic, sympathetic humanely life story.

This is a scene from the laughing song play, "Seven Hours in New York," which is to appear Saturday afternoon and night at Robinson's Grand theater. It shows a pretty octette singing one of the big hits of the play, "Come Take a Trip in My Automobile."

The Pearl Stock Company opened its final week at the Victoria theater last night by giving a magnificent production of "The House of a Thousand Candles," which enhanced the entire company in public esteem, those who have so far failed to avail themselves of the opportunity of witnessing this exceedingly clever com-

Several members of the Donohue and Johnson team were absent from the city and their places were filled by substitutes, which weakened the team, considerable.
