It also cures dandruff, which is scalp eczema. ZEMO is guaranteed to stop itching immediately. It gives instant relief. "I have had wonderful benefit from your famous ZEMO for the skin. It has cured my face completely." Miss E. N. Hurby Place, St. Louis, Mo. Go to any first-class drug store and get a 25c sealed bottle of ZEMO, or send direct on receipt of price by E. W. Wan, Weary and Worn Out

If You Feel Fagged to a Finish and Utterly Used Up Here is Quick Relief.

Don't Be Chained to the Hitching Post of Weariness.

Half the people who meet complain of weary muscles, stagnant brain, jangled nerves, and a mournful desire to lay down and just quit. Most of these people have been using nervines that spasmodically flare up the nerves only to die down again, as vile they must. Avoid nerve stimulants. Bear in mind that this worn out feeling is due to poor blood; to bacteria in the water you drink; to the multiplying of destructive germs in the blood faster than they can be overcome by the white corpuscles; and to what is known as auto-toxemia, that condition where the venous or impure blood accumulates faster than it can be replaced by the red arterial blood.

If you feel played out go to any drug store and ask for a bottle of S. S. S., Swift's Sure Specific. Here is a remedy that gets at work in a twinkling; it just naturally rushes right into your blood, scours germs right and left, up and down and sideways.

You feel better at once, not from a stimulant, not from the action of drugs, but from the rational effect of a natural medicine just as active and just as timely as to a man who has been lost in the mountains, is about starved and comes across a settler just cooking a savory meal of good honest beef. Do not neglect to get a bottle of S. S. S. to-day. It will make you feel better in just a few minutes. It is prepared only in the laboratory of The Swift Specific Co., 127 Swift Bldg., Atlanta, Ga. Send for their free book telling of the many strange conditions that afflict the human family by reason of impoverished blood.

NATURE'S OWN Catarrh Remedy

Balsamic Air That Heals Sore Membrane, Destroys Germs and Stops Morning Hawking and Sneezing.

Booth's HYOMEL, the world's greatest catarrh remedy, comes from the giant eucalyptus trees of inland Australia. People who live there never have catarrh or consumption because the air they breathe is filled with the healing, germ destroying balsams these trees throw off. Right in your own home you can secure the benefit of the same antiseptic air by breathing HYOMEL. You can carry the inhaler in your pocket and breathe HYOMEL anywhere and cure catarrh, coughs and colds. Complete Hyomel outfit \$1.00. Extra bottles if needed later 50 cents at druggists everywhere. Wells-Haymaker guarantees HYOMEL.

"Every Little Olive Tablet Has a Movement All Its Own"

Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver. Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years. Olive Tablets, the substitute for calomel, are gentle in their action, yet always effective. They bring about that experience of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of harmful impurities. 10c and 25c per box. SCHOLASTICS

Will Play off Third and Deciding Game with Kingwood and Fairmont.

The management of the Scholastic basketball five has finished all arrangements with the Kingwood and Fairmont Young Men's Christian Association five to play off the third and deciding game with both teams. The first game will be played at Fairmont Saturday night when the Scholastics and the strong Kingwood aggregation will fight for the third and deciding game.

The big game of the season will be the one next Wednesday night which will be played in the new armory building at Fairmont between the Scholastics and the Fairmont Young Men's Christian Association teams. If the locals win this game they will be the undisputed champions, as the Wesleyan team refuses to play the Scholastics.

The local management has offered all kinds of inducements to the Buckhannon lads but can not get them to play. If the locals can defeat the Fairmont team another trial will be made to get the Wesleyan five to play the locals.

MURDERED

Pikeville, Ky., Whose Body is Found May Have Been.

HUNTINGTON, Mar. 21.—Luther Fiddler, aged 28, of Pikeville, Ky., has been found dead beside a Baltimore and Ohio railroad track just east of Huntington, and the police are investigating the affair as evidence has been disclosed which indicates that Fiddler might have been a victim of foul play. His skull had been crushed and pieces of his body were found scattered along the track. It is believed that Fiddler may have been robbed and his body then placed on the railroad track. Letters found in his pocket are believed by some to furnish an explanation of the fact that he was apparently wandering. They were written by a girl in Kiwanie, Ky. The first were tender missives encouraging him to believe that the girl preferred him to his rival. The last one, written in January, told her decision not to further accept his attentions as a lover and urging him to forget her or remember her only as a friend.
