THE CITY WATER TODAY

Subjoined is today's official report of the condition of the city water, in connection with which the city water works and sewerage board authorizes the following statement:

"Use the city water for drinking. It is clear, pure and absolutely free from all that is harmful. Well water may give you fever and other sickness. Perkins Boynton, at the city water works plant, shows that the city water contains no fever germs whatever while well water and river water show thousands of fever germs in every drink you take.

ANALYSIS.

IF CONSTIPATED OR BILLIOUS—"CASCARETS"

No Billiousness, Headache, Sour Stomach, Coated Tongue or Constipation.

Furred tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing too.

M B & B

We Pay For Your Help

When you have the chance to easily make some money, won't you take it? It will mean money in your pocket if we can provide your friends with our unusual combination insurance for non-users of alcoholic liquors. This insurance pays an income during disability from any kind of accident, in addition to insuring the life for a substantial sum. Rates are lower than usually paid for life insurance alone. This is the only policy in existence giving special low rates to temperate people.

HERE IS OUR OFFER.

Just send us the name of your friends who ought to have this kind of protection and we will present the advantages of the insurance to them, without using your name unless permitted. When the policy is issued and paid for, you will receive a liberal commission. That's fair, isn't it, and worth a few minutes of your time to get your list in first. This is a case where promptness will pay. Write today.

ENGLISH AUTHORESS SEEKS INJUNCTION

Marie Correll is plaintiff in an action to be heard in the Chancery Court in London, England. The novel is entitled "The Courtship of George Gray, the noted vaudeville performer, from producing a sketch entitled "The People's King." Correll alleges the sketch is a "dramatization" of her book "Temporal Power," incidents in which form the basis of Gray's sketch.

Do You Feel This Way?

Do you feel all tired out? Do you sometimes think you just can't work away at your profession or trade any longer? Do you have a poor appetite, and lie awake at night unable to sleep? Are your nerves all gone, and your stomach too? Has ambition to forge ahead in the world left you?

If so, you might as well put a stop to your misery. You can do it if you will.

Dr. Pierce's Golden Medical Discovery

will make you a different individual. It will set your lazy liver to work. It will set things right in your stomach, and your appetite will come back. It will purify your blood. It is a remedy originally prepared by Doctor R. V. Pierce. Medical advice is given free to all who wish to write for same. Great success has come from a wide experience and varied practice. Pierce's medicines are of known composition.

Questions of Life

Are fully and completely answered in The People's Common Sense Medical Adviser by Dr. R. V. Pierce, M. D. As a result of knowing the laws of health and nature, happy marriages are sure to follow. Ignorance leads to misery and ill-health. All the knowledge a single man or woman can acquire is to know how to live. It is contained in this big Home Doctor Book containing 408 pages with engravings and color plates and beautiful cloth. (Money refunded if not used for 30 days.) It is sent free to any one sending 21 one-cent stamps to pay cost of shipping and postage.

Address: R. V. Pierce's Invalids' Hotel, Buffalo, N. Y.

Dr. Pierce says: "This tonic contains no alcohol to shrink up the red blood corpuscles; but, on the other hand, it increases their number and they become round and healthy. The experience of many is that it helps the human system in the constant manufacture of rich, red blood. It helps the stomach to assimilate or take up the proper elements from the food, thereby assisting digestion and curing dyspepsia, heart-burn and many uncomfortable symptoms, stops excessive tissue-waste in coalescence from fevers; for the run-down, anaemic, thin-blooded people, 'Discovery' is refreshing and vitalizing. Stuck to this safe and sure remedy, and refuse all 'just as good' medicines. Nothing but Dr. Pierce's Golden Medical Discovery will do you half as much good."

It has been sold by druggists for over 40 years, in fluid form, at \$1.00 per bottle, giving general satisfaction. It can now be had in tablet form, as modified by R. V. Pierce, M. D. Sold by medicine dealers or sent by mail on receipt of 50-cents in 1 cent stamps.

An invitation is extended by Dr. Pierce to every sick and suffering man or woman to consult the Faculty of the Invalids' Hotel at Buffalo, N. Y., by letter, entirely without cost.

They All Root for the Famous Green Sheet

Ringside seats at all sporting events are yours when you get your sporting news in the famous Green Sheet of The Pittsburgh Post. The breezy style, realistic descriptiveness, and the satisfying completeness of "Green" stories imbue them with life in your mind's eye.

The "Green" has sporting blood in its veins. Leslie MacPherson is a crackerjack writer on the pugilistic world and other branches of athletics. Ed Balingier takes care of baseball—he knows. In Christy Mathewson and Hugh Fullerton, the "Green" has two of the foremost special baseball writers. The "Morning Hatchet" is a bit of frivolity that you'll like.

The autoists have a section every Wednesday. Every interest in the world of sport is represented in The Pittsburgh Post.

Clever cartoons, sketches, and splendid photographs lend life and color to the pages. The "Green" teems with action and snap.

Have you ever tried the "Green" for breakfast? It makes an unsurpassable combination with rolls, chops, and coffee.

Tell you what we'll do. Pin a dollar bill to this ad, write your name and address, and mail it to The Post at Pittsburgh. We'll send you the paper that has the "Green Sheet" for three months, daily except Sunday.

SPECIAL NOTE—Forty wonderful vacation tours of Europe and America will be given free by The Post to its readers. You can secure one. Read The Post for particulars.
