This was the second child Mr. Nutter has lost in the last ten days with a malady that is pronounced diphtheria, and several more of the family are prostrate with the same disease. This family has the sympathy of the entire community.

PENNANTS

Stolen from Front Porch of Scholastics' Headquarters on Linden Avenue.

The Scholastic Athletic headquarters which is located in the Stemple home on Linden avenue has been robbed of a number of beautiful college and school pennants with which the front porch was decorated. The pennants, about fifty in all, were valuable, some of them costing several dollars. The collection was valued at more than \$50.

James M. Shields, president of the association, has the name of two of the persons who committed the crime and if all the pennants are not returned he will have warrants issued for their arrest and they will be punished to the full extent of the law.
