STORIES OF POLICE GRAFT IN 'FRISCO • PUT NEW YORK DISCLOSURES TO SHAME

Top, Frank Esola (left) and Arthur F. MacPhee. Bottom, Charles Taylor (left) and Capt. Eugene R. Wall.

From the stories recently told by three bunco men of San Francisco to District Attorney Fickert of that city, it appears that the police detectives of the coast metropolis have carried on a system of graft that would put the recent New York disclosures to shame, and that every crook operating in San Francisco has first to make terms with the detectives.

A grand jury investigation has been started to probe the charges. The principals in the investigation, besides the bunco men, are Capt. Eugene R. Wall, Arthur F. MacPhee, Charles Taylor and Frank Esola, all city detectives. They deny the charges and say they never received any of the large sums of money which the bunco men declare were paid for protection.

TEN YEARS AGO TODAY

As Recorded in the Files of the Daily Telegram

Three easterners, whose names were not disclosed, were here conferring with leading business men and property owners about a site of forty acres for a mammoth steel plant.

Announcement was made in a dispatch from New York City that a Wall street syndicate had underwritten a bond issue of half a million dollars for the West Virginia Plate Glass Company, and that the money was to be used for the building of a huge

plate glass plant at Clarksburg.

Thomas Davison, an Adamston coal miner, was placed under a bond of \$50 to keep the peace for three months by Justice James N. David, the suit having been instituted by Sophia Floriana, also of Adamston.

Miss Gertrude Burr, aged 15, daughter of J. W. Burr, of Glen Elk, died of consumption at her home.

Broadus Institute teachers left the

city for their homes and other places to spend their summer vacations.

Detailed inspection of maps and profiles filed in the county clerk's office showed that the "great Wabash system" would pass through Clarksburg.

Mrs. Martha Beckett, wife of E. R. Beckett, was dead of tuberculosis at her home on Monticello avenue at the age of 44 years.

Austin Myers, a barber in the Traders barber shop, announced the purchase of a barber shop at Martins Ferry, O., which he would personally manage.

Buckhannon college students were in Clarksburg on a day's excursion seeing the "sights of the liveliest little city in the state."

Leather bound volumes of the classics were presented to graduates of the Clarksburg high school by R. M. Orr, general manager of the West Fork Oil and Natural Gas Company.

Robert Stewart's team frightened at a train near the Hazel-Atlas glass factory and tumbled forty feet over a bank, giving him spinal injuries, hurting the horses and damaging the wagon.

Many cases of smallpox existed at Grafton and people of Clarksburg and Fairmont were talking of establishing quarantines against the Taylor county capital.

David Davidson returned from a visit in eastern cities.

Charles Stewart Linton, formerly of London, Eng., but then a resident of New York City, was here with an attorney to claim 29,000 acres of land in Harrison, Doddridge and Lewis counties purchased in 1873 by his grandfather from S. C. Paugh. An interesting feature was that the tract claimed included all of Judge Nathan Goff's oil lands.

Charles Holden was county clerk.

Word was received from D. S. Guthrie in Baltimore that his little son, Morris, was recovering from an operation performed in a hospital there.

SOCIAL

Club Names Committees.
Quite a number attended the June meeting of the Civic Club held Wednesday afternoon in the parish house of Christ Episcopal church over which the new president, Mrs. D. W. Jacobs, presided. Arrangements were made to increase the list of honorary membership towards making an effort to raise money to defray expenses of a new nurse to care for tuberculosis patients among the worthy poor. The following committees were appointed:

Hospital—Mrs. S. Austin Smith, Mrs. John W. Stuart and Mrs. Olanus M. West.
Library—Mrs. John L. Ruhl, Mrs. W. Brent Maxwell, Mrs. Emma Davis, Miss Mary Peck and Miss Etta McKeenan.

The Clarksburg Country Club will send out membership cards tomorrow for the year. The club's grounds will be formally opened Saturday as the golf links have been completed and a small house nearby has been rented for the use of the members until the club has its own building.

Lawn Fete.
From 8 to 11 o'clock this evening the Junior Division of the missionary society of St. Paul's Methodist Episcopal church, South, will hold a social affair on the church lawn. Ice cream and other refreshments will be served.

ATHLETIC

Event Will Be Staged at Union Park Next Tuesday Night.

The first of a series of athletic events will be staged at Union Park next Tuesday from 6 to 10 o'clock. The evening's program will consist of a baseball game, a 100 yard dash, a wrestling match, a six round preliminary boxing bout and a six round main bout.

The first event on the program will be the baseball game to be played

A. WILBURN.
Who will box Brooks Banks June 10 at Union Park.

between the Goff Building and the Bowlers team of the city baseball league, and will start promptly at 6 o'clock.

The running race will be a hundred yard free for all dash, and at least fifty runners will take part in this event.

The next thing on the program is a wrestling match between Charles Hickman and John Jones, the two best falls out of three. This should be an interesting match as both men are evenly matched.

The preliminary boxing bout, which will go six rounds, will be between Young Shinn, of this city, and "Kid" Anderson, of Wolf Summit.

The last event on the program and the big event of the evening, will be the six round bout between Brooks Banks and W. A. Wilburn. These two men are equally matched and are both good boxers. Much interest is centered in this event.

The park will be electric lighted and the ring will be built in front of the grand stand in clear view of all spectators.

CONDITION CRITICAL.

The condition of Martin Killen, stabbed with a pair of scissors in a fight Wednesday night at Monogah by David Hamilton when they quarreled over Killen's sister, is critical at St. Mary's hospital here, where he was taken the same night.

30,000 VOICES

And Many Are the Voices of Clarksburg People.

Thirty thousand voices—What a grand chorus! And that's the number of American men and women who are publicly praising Doan's Kidney Pills for relief from backache, kidney and bladder ills. They say it to friends. They tell it in the home papers. Clarksburg people are in this chorus. Here's a Clarksburg case:

Mrs. L. B. Dunnington, 119 First St., Clarksburg, W. Va., says: "The first I noticed of kidney trouble was when I began to suffer from dull, dragging pains across the small of my back. They got more severe every day, then I began to have dizzy and nervous spells. It hurt me to straighten after stooping. The kidney secretions annoyed me, too. When I heard about Doan's Kidney Pills, I used them and before long they brought me relief. The pain, dizziness and nervousness left me and my kidneys became normal."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Surprising Cure of Stomach Trouble.

When you have trouble with your stomach or chronic constipation, don't imagine that your case is beyond help just because your doctor fails to give you relief. Mrs. G. Stengle, Plainfield, N. J., writes, "For over a month past I have been troubled with my stomach. Everything I ate upset it terribly. One of Chamberlain's advertising booklets came to me. After reading a few of the letters from people who had been cured by Chamberlain's Tablets, I decided to try them. I have taken nearly three-fourths of a package of them and can now eat almost everything that I want." For sale by all dealers.—Advertisement.
