BOWLERS
Lose Loosely Played Game to Elks By Score of 9 to 6.

The Elks' team defeated the Bowlers in a loosely played game of baseball at Union Park Friday evening by a score of 9 to 6. The game was not featured by any fast play or good pitching. The Bowlers played very loose ball and gave the game to the Elks, who played members of the Scholastic team to complete their line-up. Manager Smith, of the Elks team, was not present.

It is about time for the league president to call a halt to one team borrowing half of another team's players. Every game it has played for the last two weeks the Elks have been using two and three members of other teams in every game. If the Elks' manager can not get a team together he should give the berth to some one who will place a team in the field and take some interest in it.

Such games as played last night do more to injure baseball than any thing else.

Score:
Elks 9 10 3
Bowlers 6 8 4
Batteries: Jones and Brown; Owens and Zinn.

BOWLING NEWS

Not Gore Alley Team.
To the surprise of Manager Dresbach of the Gore alleys and all the members of the Gore alley duck pin team, an article appeared in the Fairmont Times Saturday morning stating that they played at Fairmont Friday night and were defeated by the Pastime alley team by a large score.

In behalf of the Gore alley team, Manager Dresbach wishes to state that several weeks ago Mr. Hayes, a former Fairmonter and at one time owner of the Hayes bowling alleys at Fairmont, picked up a team from among the bowlers at the Gore alleys and brought the Pastime team here to play a game. The pick-up team from this city defeated the Pastime team by a large score. The team was to play the return game at Fairmont last night, but none of them were able to get away so Mr. Hayes went to Fairmont and picked up four Fairmont bowlers and played them under the name of the Gore alley duck pin team.

If the Pastime team thinks it can defeat the Gore alley team and wants to try, the Gore alley team would like to schedule a series of games with it.

Following are the scores of the game rolled last night:

GRAFTON, June 28.—Business men of the city have formed a stock company with a capital of \$10,000, applied for a state charter, purchased the old plant of the Grafton Daily Republican and made arrangements to launch a new daily newspaper here in the near future. J. Sidel Brown, editor of the Kingwood Argus, has been engaged to edit the paper.

EXPERIENCE OF MOTHERHOOD

Advice to Expectant Mothers

The experience of Motherhood is a trying one to most women and marks distinctly an epoch in their lives. Not one woman in a hundred is prepared or understands how to properly care for herself. Of course, nearly every woman nowadays has medical treatment at such times, but many approach the experience with an organism unfitted for the trial of strength, and when it is over her system has received a shock from which it is hard to recover. Following right upon this comes the nervous strain of caring for the child, and a distinct change in the mother results.

There is nothing more charming than a happy and healthy mother of children, and indeed child-birth under the right conditions need be no hazard to health or beauty. The unexplainable thing is that, with all the evidence of shattered nerves and broken health resulting from an unprepared condition, and with ample time in which to prepare, women will persist in going blindly to the trial.

Every woman at this time should rely upon Lydia E. Pinkham's Vegetable Compound, a most valuable tonic and invigorator of the female organism.

In many homes once childless there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
