### Not Well Enough to Work

In these words is hidden the tragedy of many a wage earning woman who supports herself and is often helping to support a family, on meagre wages. Whether in office, factory, shop, store or kitchen, woman should remember that there is one tried and true remedy for the ills to which all women are prone, and that is Lydia E. Pinkham's Vegetable Compound. It creates the vitality that makes work easy.

### THE "DONE UP" SHIRT WAIST.

Half the looks of a shirt waist depend on the way it is done up. If it is washed with cheap, strong, yellow soap, so that it gets streaked and stained, instead of being cleaned and beautified, it is "done up" sure enough. The woman who values her personal appearance—and that means every woman—will see to it that her waists are laundered with a soap that leaves them white and clean and sweet and new-looking. Easy Task soap is the only one that will do this. Same price as others—five cents a cake, and the greatest enemy to dirt and friend to fabrics ever made. Advertisement.

### In a Fast Game at Union Park Yesterday Afternoon.

Sunday afternoon was a glorious day for two Clarksville baseball teams while a third one left the field downhearted but with a firm resolution to get them the next time. The first game played at Union Park yesterday afternoon was between the Scholastics and Goff Building teams and a prettier or faster game has never been played on the field. The Goff Building team outlucked the Scholastics and won the game by a 2 to 1 score. The second game between the local All Star aggregation and Parkersburg ended in a victory for the locals by a 6 to 1 score.

### First Game.

The game between the Goff Building and the Scholastics had been the topic for many discussions during the past week and one of the largest crowds of the present season was at the park to witness the struggle. The Scholastic manager picked Stegriest to do mound duty while Captain Sackett picked Lowe. Both captains selection were good as both pitchers pitched a nice game and if they had been given perfect support the game would have ended in a 0 to 0 score. Goff Building ..... 2 3 3 Scholastics ..... 1 8 2 Batteries: Lowe and Stutler, Stegriest and Beverage.

### Second Game.

The much heralded Parkersburg team with its perfect score for the season, claiming to have won every game it has played so far this season, went back home last night with its wonderful record broken as the locals defeated it in an easy manner by a 6 to 1 score, the result of the game never being in doubt. Moss Taylor, who has been pitching ball for the last twenty years, was sent into pitch for the visitors and lasted five innings as the locals took a liking to Moses' slants and hit them to all corners of the lot. Owens, the star twirler for the Bowlers, worked for the All Star team and the best Parkersburg could do was to get four scattered hits. Score: Parkersburg ..... 1 4 2 Clarksville ..... 6 12 1 Batteries: Taylor, Welch and Jones. Owens and Stutler.

### Notes of the Game.

"Bull" Smith may be getting fat but it is not affecting his speed any as he had four stolen bases yesterday.

Carduff's triple in the second game was the longest hit of the day.

Quinn had three two baggers against right field fence in the games and all came when most needed.

Owens struck his stride about the fifth inning and the visitors had a hard time earning bingles.

Jake Cook had a hard day yesterday as there were a lot of close decisions in both games, but Jake got the most of them.

The All Star team yesterday was composed of four Goff Building, two Scholastics, two Bowlers and one Elk players, which shows that all teams have a few good men.

The crowd yesterday was the largest of the season. Keep the good work up. Nothing tends to make a winning team more than a good crowd of loyal fans in the grand stand.

"Bull" Smith has developed the Ty Cobb cuttle fish slide and used it to perfection in the games yesterday. When he went into second no one could see the second baseman for the dust.

Why not a three game series between the Goff Building and the Scholastics. Let's see which team is the best.
