HOW TO MAKE GOOD COFFEE.
First, last and all the time, have a
clean coffee pot. Don't wash it with
common yellow laundry soap or pow-
der because that makes it smell bad
and gives the coffee a sickening taste.
Easy Task soap sterilizes coffee pots
and all cooking utensils, making them
clean, sweet and wholesomely healthy.
That's the beauty about Easy Task
soap—it is just as good for cooking
vessels as for cloth or painted work
or glassware or china. Not an ex-
pensive soap—five cents a cake.—Ad-
vertisement.

The Best Medicine in the World.
"My little girl had dysentery very bad,
thought she would die. Chamberlain's Colic,
Cholera and Diarrhoea Remedy cured it,
and I can truthfully say that I think it is
the best medicine in the world," writes
William G. G. Clark, Mich. For sale
