A Hearty Response

Yesterday afternoon cleared the racks, tables and cases of practically all summer coats, suits, skirts and dresses. Stock taking this morning shows less than \$100 worth left. As one clerk said: "That's certainly selling some." Having in mind that 1721 garments were sold this spring. It means! Starting the new season without a single barrier—and a bright outlook.

The Autumn Suits Certainly Have Lines of Grace and Beauty

Coats long in back, cutaway frocks, straight lines; skirts a bit narrower, longer and slashed, hips larger, effected by draping; there you have the tendency. But no whit less fascinating are they! Let us tell you about these

New Tailored Suits That You Will Gladly Welcome

Of fine men's wear serge in black and two shades of navy blue. The coats are quite long in the back, cutaway front, giving most graceful and becoming lines to almost any figure. Notice, too, that the skirts are all of the peg-top variety, draped, slashed or plain. There are six different coat styles to select from and five skirts. About forty suits in all, a size here and there of one style, another size in some other model; being a well selected little lot of suits, so varied; each garment is distinctive, individual. All sizes for Misses and Women to 40 bust measure in combined group. Priced \$14.50, \$21.50 and \$25.00. Pardon assumption on our part, but if comparison is desired kindly put them alongside of the best \$20 to \$32 Suits you've seen.

Women's "Essex Mills" Vests, 15c

Real service consists in putting sound goods in plentiful variety before the customers and letting them make their choice. All the summer we've been keeping before you the largest and best assortment of underwear in the city. Now we're approaching the clear-away time.

Till gone, small lot of 15 dozen ribbed vests, round or V neck; sleeveless. Crochet beading and tape. Bleached. Full size and extra quality, 15c or 2 for 25c. Sizes 4, 5 and 6.

100 Silk Messaline Petticoats, \$1.95

They are worth \$3.75—silk at \$1.50 a yard, making not considered. All wanted colors including plenty emerald green, American Beauty, Red and White. Lengths 38 to 42. Ask for style 1913.

The Chance For Young Women Wanting Suits

of linen to last the summer through. or \$3.75 instead of \$5, \$6.75 and \$10 are some really chic little models in colored and natural linens, plainly tailored as well as more fancy styles, and all in perfectly good, fresh condition. Sizes 14, 16 and 18, a few larger sizes to 40.

Women's Real Hair Switches

A luxury, also to the purse. Their luxuriousness is in appearance and "feel." The feeling that you have real hair and not a Q. As for cost, they are only a trifle more expensive than other switches. We have switches from \$1.95 to \$5.50 to match your hair including grey and all white.

Diaphanous Blouses to Wear With Separate Skirts

Particularly smart to wear with the peg-top skirt for mornings. In China Silk of good grade, copied from a "Royal" style been selling at \$3. The body is white with vertical striped silk collar and cuffs in lavender, blue and grey; made plain.

Priced special \$1.50; sizes 34, 36, 38 and 40.

A Lucille Corset For Hot Weather

One much liked by women, who suffer from the heat is made of a cool, light batiste, low in bust, comfortable, yet graceful in line, and cost \$2.50. Other Lucille models are from \$1 to \$4. Some 35 Lucille Corsets, earlier \$2 and \$2.50, with sizes broken, but all sizes 18 to 27 in lot, are offered at \$1.69. Brassieres, 25c to \$1.50.

New Draped Skirts, Very Clever and Smart

RAG WEED

And Golden Rod Are Blooming and Hay Fever Worries Many People.

Golden rod and rag weed are in bloom. The fact may not appear to be of especial importance to the casual observer, but when these two species of the floral world begin to scatter their pollen on the balmy air of August it signifies the formal opening of the hay fever season. Both flowers, or weeds, as the victim of the "cacho" disease class them, are declared to be found this year in unusual abundance, a fact that signifies that the hay fever victim will have an unusually interesting time of it, for it is said that so long as there is a single stalk continuing to bloom the pollen-filled air will tickle the sensitive nostrils of the

AN EXTENSION. (SPECIAL TO THE TELEGRAM) WASHINGTON, D. C., Aug. 21—Congressman Sutherland has secured an extension of rural route, No. 2, from Leon, W. Va., petitioned for by Lloyd H. Ward and others. Two English physicians are experimenting with a parasite with which they hope to exterminate the flies of their country in a few years.

Probably the most practical result of the ill-fated Scott expedition to the South pole was the discovery of a great coal field, said to be at least 650 miles long. Its width has not been ascertained.

THE PRESIDENT'S SPEECH. The president of Hewitt Bros. Soap Company, Dayton, Ohio, says: "Buy two cakes of Easy Task soap for ten cents, use one bar and if it isn't just what we say it is, you get your dime back in a fifty." It is a strong claim for work of washday in half, but the fact can be proven by the evidence of thousands of delighted women.—Advertisement.

FALL FURNITURE

is coming in every day. Our entire stock was bought early in July at the Chicago & Grand Rapids Furniture Expositions, where all the big manufacturers of the country have their entire output on display. Our expert buyer spent two weeks there in selecting fall stock, ever keeping in mind the fact that Clarksburg people want the latest styles at the lowest possible price. The results of his visit to the Market are that our

STOCK IS BETTER AND CHEAPER

than ever before. In fact, you can get the same furniture here as carried by the big city stores, at about half the price. We invite you to see our latest fall stock, while it is new, and compare prices. If we can not serve you best, we do not want to serve you at all.
