Including Rugs Made By the Heathen Chinese Are In This Kawam Display

It seems not enough that Mr. Kawam should return to Clarksburg with a superior collection of Turkish and Persian floor coverings, for Greater Clarksburg folks have learned to expect much from this reliable rug dealer. So Mr. Kawam went far beyond the confines of Asiatic Turkey. He went into the various provinces of China and brought home some very unique—not to say mysterious—CHINESE RUGS, part of which collection is right now in this store.

The Hallowe'en dance given last evening in the Masonic temple was greatly enjoyed by about 100 guests. The Cadenza orchestra rendered a well selected program of dance music and later Hallowe'en refreshments were served.

Hallowe'en Euchre Party.

GOOD REASONS.
I wish to call the attention of my friends and patrons to the fact that I do not have a substitute. I do not employ nor send out a man. I am the artist here in this studio. I personally transact all of my business and make all of my sittings, in the studio or out of it. I also desire to thank those customers who have so liberally and kindly recommended my work to their friends. Practically every one, especially those who buy high class photos, remark that they are the best they have ever had taken. I understand how to make them good and that always pleases not only the sitter but those who are fortunate enough to receive one of them as gifts. This is the very reason why you should have your photos made at the "Our Way" Studio by MRS. M. E. RARICK.
