For sale, a house and lot right in the very heart of the city, within ten minutes' walk of the Waldo hotel.

House is finished far better than the average in oak with a dull mission waxed finish, and the floors are finished oak floors. Paper all new.

House fitted with electric lights and gas, and the bath room and fixtures are far above what you would expect to find in a home that would sell for much more than this one is priced at.

The Price and Terms Are Extraordinary

for the kind of property that it is, and you will have to go to see it if you wish to do it justice. Those who are lookers for curiosity only and know themselves that they would not buy a property at any price, please do not take my time by having me show you this property, but if you are interested at all, or might be induced to purchase a property if it were an unusual bargain, why come and I will gladly show you what I have to offer.

Price \$3,800
