Mother's Friend in Every Home

Comfort and Safety Assured Before the Arrival of the Stork.

The old saying—what is home without a mother—should add, "Mother's Friend." In thousands of American homes there is a bottle of this splendid and famous remedy that has aided many a woman through the trying ordeal, saved her from suffering and pain, kept her in health of mind and body in advance of baby's coming and had a most wonderful influence in developing a healthy, lovely disposition in the child.

There is no other remedy so truly a help to nature as Mother's Friend. It relieves the pain and discomfort caused by the strain on the ligaments, makes pliant those fibres and muscles which nature is expanding and soothes the inflammation of breast glands.

Mother's Friend is an external remedy, acts quickly and not only banishes all distress in advance, but assures a speedy and complete recovery for the mother. Thus she becomes a healthy woman with all her strength preserved to thoroughly enjoy the rearing of her child. Mother's Friend can be had at any drug store at \$1.00 a bottle, and is really one of the greatest blessings ever discovered for expectant mothers. Write to Bradfield Regulator Co., 123 Lamar Bldg., Atlanta, Ga., for their free book. Write to-day. It is most instructive.

Excellent for Stomach Trouble.
"Chamberlain's Tablets are just fine for stomach trouble," writes Mrs. G. C. Dunn, Arnold, Pa. "I was bothered with this complaint for some time and frequently had bilious attacks. Chamberlain's Tablets afforded me great relief from the first, and since taking one bottle of them I feel like a different person." For sale by all dealers.—Advertisement.

FRESH FISH.

SHAD O! SHAD O! Fresh from the bay. "Jim, where did you get them bass? Gosh, hasn't they nice." "I got them at Smithy's, Pike street." "I'm goin' to go and get some of them."—Advertisement.
