Girls and women of all ages want to be charming, beautiful and attractive—it's their birthright—but unfortunately, thin and lifeless hair destroys half the beauty of a pretty face. It will go right to the hair roots, nourish them, and stimulate the hair to grow strong and luxuriant. Parisian Sage removes dandruff with one application and cleanses the hair of dirt, dust and excessive oil.

Parisian Sage gives the hair just what is needed to make it soft, fluffy, thick and gloriously radiant. It is sold in fifty cent bottles only by Wells & Haymaker Co. and at all drug and toilet counters. Look for the trademark—"The Girl with the Auburn Hair." Accept no substitute.—Advertisement.

Men Welcome Mother's Friend

A Duty that Every Man Owes to Those who Perpetuate the Race.

It is just as important that men should know of progressive methods in advance of motherhood. The suffering, pain and distress incident to child-bearing can be easily avoided by having at hand a bottle of Mother's Friend. This is a wonderful, penetrating, external application that relieves all tension upon the muscles and enables them to expand without the painful strain upon the ligaments. Thus there is avoided all those nervous spells, the tendency to nausea or morning sickness is counteracted, and a bright, sunny, happy disposition is preserved that reflects wonderfully upon the character and temperament of the little one soon to open its eyes in bewilderment at the joy of his arrival. You can obtain a bottle of "Mother's Friend" at any drug store at \$1.00, and it will be the best dollar's worth you ever obtained. It preserves the mother's health, enables her to make a quick and complete recovery, and thus with renewed strength she will eagerly devote herself to the care and attention which so mean so much to the welfare of the child. Write to the Bradford Regulator Co., 129 Lamar Bldg., Atlanta, Ga., for their valuable and instructive book of guidance for expectant mothers. Get a bottle of Mother's Friend today.
