

# DRUCO—the Healing Antiseptic

It's an "Emergency Hospital" in the home. First-aid to the injured and a help to nature in her task of restoration.

Use DRUCO on any wound—and infection is impossible.  
 Use DRUCO on any bruise—and the soreness is at once overcome and discoloration dispelled.  
 Use DRUCO in all cases of smarting feet—and relief is quickly given.  
 Use DRUCO for sprains—and it allays the inflammation and relieves the pain.

**But DRUCO is more than an Antiseptic—it hastens the healing of any wound.**

Every one is familiar with the long and tedious process of unaided nature—sure but slow. DRUCO is an aid to nature—working with nature; stimulating the granulating forces—and healing in HALF THE TIME; in most cases without leaving the ugly scar that usually results.

There is no other preparation like DRUCO; because DRUCO not only prevents infection, but it HEALS.

Simple and safe to use. Certain and sure in its results. Accept no substitutes.

A delegate convention of the Republican party of West Virginia is hereby called to meet at the City of Charleston on the 20th day of May, 1914, at 2 o'clock in the afternoon, for the purpose of acting on matters referred to the Republicans of the several states by the National Republican Committee through the subcommittee appointed for the purpose, providing for changes in the rules governing the election of delegates to the next National Convention, and changes in the basis of representation, and to transact any other business which may properly come before such convention.

Each county will be entitled to one delegate for each 150 votes or fraction thereof or 100 or over, of the combined votes cast for the Republican and Progressive electors receiving the highest number of votes at the election in 1912, provided that each magisterial district shall be entitled to at least one delegate.

The convention shall be composed of delegates elected on the above basis at meetings held in each magisterial district in the state, which district meeting shall be held on Tuesday afternoon, April 14, 1914, beginning at 2 o'clock.

The County Republican Committee of each county shall issue a call for the district meetings in its county, apportion the delegates to be elected from the county among the magisterial districts therein according to the above basis, and cause such call to be properly advertised. In its call the County Committee shall name the place in each magisterial district at which the meetings to elect delegates will be held. The chairman and secretary of each meeting shall certify to the secretary of the County Committee and also to the secretary of the State Committee, the names and postoffice addresses of the delegates and alternates chosen at such meeting, and the chairman and secretary of the county committee shall certify to the secretary of the State Committee the names and postoffice addresses of all the delegates and alternates so chosen in the county.

The delegates present at the State Convention from a county shall be entitled to cast the full vote of the county. No proxies will be admitted to the State Convention, but any magisterial district meeting may elect an alternate for each delegate, such alternate to be certified as is provided here in for the certification of the elected delegates.

# SALEM

SALEM, April 2.—Prof. L. Wayman Ogden, a native of this place, and recently returned from Santiago, Chile, visited relatives here this week. The professor gives a vivid description of the South American country and people. He will assist in the state superintendents office, in clerical and grading work this spring and return and locate permanently in this county.

A very delightful medal contest, under the auspices of the local Woman's Christian Temperance Union, and

Five young ladies contended for honors in appropriate recitations in a spirited way. Miss Beulah Campbell received the decision of the judges.

Plans have been drawn by Architect Roy Lowther for a proposed gymnasium for the public school. The building is to be erected on the Central school lot. The board of education has not approved the erection of the building, but the subject is being talked, and the plans are on public display.

George Elias opened his fine ice cream, soft drink and confectionery and fruit parlor Tuesday night in a very elaborate way. Free ice cream tickets were liberally and promiscuously distributed over the town, and many accepted the generous offer of a free dish of "Swager's famous ice cream," at the new parlor. "George's place" is elaborately and tastefully arranged in the large Wilson room. The fixtures are fine and ample, and the clerks and waiters courteous and accommodating.

J. T. Swiger, of Clarksburg, was a prominent business visitor here Tuesday. While here he was diligently advertising his famous ice cream, a new oil and gas test is being made on the F. A. Lough farm southeast of the city and near the corporate line. The well is being rigged up today.

Notwithstanding the rainy night, a large crowd gathered at the Baptist church last night for the farewell meeting in honor of the retiring pastor, the Rev. E. J. Woolter. The time was spent largely in a social hour. Members of the B. Y. P. U. presented the Rev. Mr. Woolter a handsome leather upholstered chair, as a token of esteem and remembrance.

# IF BACK HURTS USE SALTS FOR KIDNEYS

Eat Less Meat if Kidneys Feel Like Lead or Bladder Bothers.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous Salts is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.—Advertisement.
