STOP SCALP ITCH AND FALLING HAIR

People whose hair looks dull and lifeless and who find it growing dry, brittle, splitting at ends and coming out fast at every combing need a genuine scalp invigorator. It should get one without a day's delay. A little Parisian Sage rubbed briskly into the scalp with the finger tips twice daily will work wonders. For hair of this kind. Just a few days use and the hair becomes glossy and healthy looking, dandruff disappears, scalp stops itching and hair stops falling out. Parisian Sage is more than a hair tonic. It is a scalp treatment and its use means strong, beautiful hair and a healthy scalp. Wells-Haymaker Company and leading druggists everywhere sell Parisian Sage. It is not expensive.—Advertisement.
