comedy with Sidney Drew, will be the funny act.

The Ethel Desmond Musical Comedy company will close its week's engagement at the Palace this evening in one of the best and cleanest tabs that has been in Clarksburg for some time. It is the big laughing success, "Billy, the Rube," or "A Farmer's Dream." The musical numbers include Jeanette Wagner and chorus in "My Old Home Town," Ethel Desmond and chorus in "My Little Dream Girl," Marg Holly and chorus in "Tip Top Tipperary," a novelty singing and dancing act by those clever kiddies, Holly and Buse, and a medley of original songs and dances by the Mayfair Trio are featured.

The Ethel Desmond company is one of the very best the Palace has had for many a day. Its keynote is artistic achievement.

An extra high-class Lubin photo drama and two very funny comedies are showing on the screen.

The Blanche Williams Musical Comedy Company will close a very successful week's engagement at the Odeon this evening.

The pictures for today are the latest episode of "The Hazards of Helen," featuring Helen Holmes, and entitled "A Perilous Chance." This is said to be the most thrilling of the series. "The Kiss," a Lubin drama, and a Vitagraph comedy, "What Did He Whisper," are also shown.

The attraction at the Odeon for the coming week will be Billy Riddle and his "Sunshine Girls," a musical comedy company of eleven people.

Theda Bara, the vampire woman, is starred today at the Robinson Grand in "The Clemenceau Case," adapted from Alexandre Duma's great novel of the same title. "No more telling drama than this was ever shown upon the screen. It is Duma at his zenith, depicting as none but that master hand could, the drama of a woman's soul. Theda Bara appears as a model in this most gripping drama. She is supported by William Shay and the original William Fox cast.

Monday, Mary Pickford will be presented in a screen adaptation of Francis Hodgson Burnett's great drama of optimism, "The Dawn of a Tomorrow."

MILITARY PICTURE SHOWING AT STAR

It is in Four Reels and is Full Full of Excitement.

"Pro Patria," or "Defense of the Nation," a four-part semi-military love drama overflowing with exciting incidents is showing today at the Star theater. It is a powerful production of war and romance. Two thousand feet of other selected photo-plays complete the program.

Dainty and charming Violet Mercereau, the golden-haired Universal player, and William Garwood appear in the leading roles of a special Universal masterpiece, "Driven by Fate," today at the Orpheum theater. The story is a splendid one featuring a strong plot and is sublimely pictured.

As a special added attraction

Biliousness and Constipation.

It is certainly surprising that any woman will endure the miserable feelings caused by biliousness and constipation, when relief is so easily had and at so little expense. Mrs. Chas. Peck, Gates, N. Y., writes: "About a year ago I used two bottles of Chamberlain's Tablets and they cured me of biliousness and constipation. Obtainable everywhere.—Advertisement."

"Farewell to Thee," produced by the Mutual Company, is also showing today at this theater.

"Jane Eyre," a three-act love drama produced by Klaw and Erlanger, is the top piece on the Bijou screen today. This tale has been read by millions of persons. It is a sweet semi-pastoral love story of the kind that sticks right with you. The screen presentation is said to be much better than the stage presentation. "The Drug Clerk" and "The Sheriff's Baby" furnish the fun.

Monday will be a banner day at the Bijou. Miss Lois Meredith, the favorite New York actress, will appear in the leading role of Kalem's Broadway Favorites production, "The Legacy of Folly." Miss Meredith acts the role of Constance, the daughter of a woman who leads a butterfly existence. The girl, brought up in a convent, is unaware of the life led by her mother. When the latter dies, in the midst of revelry, the daughter leaves the convent for the purpose of earning her own living. Constance becomes stenographer to Scott, a novelist and cynic, who was one of her mother's admirers. The girl does not know this, nor does Scott realize that his stenographer is Corrine's daughter. The denouement in which he makes this discovery will leave photoplay patrons breathless. "His Family Godmother," a Vitagraph

STILL they come. "New Model," "New Motor," "New Type," new everything. All in the hopes of somehow getting into line with the requirements of the motoring public.

Meanwhile Chandler goes right along with one model — one right model — that the public continues to demand in quantities beyond the factory capacity.

Chandler is selling ten thousand cars this year, because Chandler was right in the first place when it pioneered the light-six field. And because being right, the Chandler Company has continued to devote all its mechanical genius, all its business ability, to this one model — improving it here and

there, from time to time, beautifying its body lines, and driving its price down and down just as far as the Company's low-per-car-profit policy would permit.

Meanwhile others have been marketing two models, three models, and new models every six months; all of which must of necessity mean decreased factory efficiency, costly experimentation and uncertain service to purchasers.

So what is the result of the Chandler one-model policy so far as you are concerned? The best value, known value, obtainable at a price so low! Thousands of Chandler owners will back up this assertion. Your own investigation will prove it, too.

No Other Car Selling for Less Than \$2000 Offers You All These High-Class Features.
