**Many Kinds of Rheumatism One Sure Mode of Treatment**

Authorities Say Don't Use Liniments. Treat It Through the Blood. You Can't Rub It Out!

Whether your trouble is Sciatica, Lumbago or the dreaded Articular Rheumatism, the answer is the same. You must treat it through the blood. That is the only way to rid the system of uric acid, purify the blood and revitalize the nerves. If the blood is freed from impurities, Rheumatism must go. This in short is the exact knowledge gained by the research laboratories of the S. S. S. Co., in Atlanta. There tests have been made for fifty years. They know what Rheumatism is. They know that S. S. S., the remarkable blood tonic, which

they originated, will relieve you of Rheumatism. Take S. S. S. today. The complete recovery of thousands of sufferers by the use of S. S. S. is positive proof that you can be relieved. S. S. S. is a blood tonic—a purifier that restores the blood, revitalizes it, cleanses it, makes it pure as it was before it became poisoned with impurities. S. S. S. gives it strength to drive out these impurities—the uric acid and organic poison and with it the Rheumatism. Get S. S. S. at your druggist's. If you need special advice, write to S. S. S. Co., Atlanta, Ga.

**Hatfield and Business**

(Charleston Post.)  
Every few days some so-called political prophet ventures the opinion that the business people of the state are opposed to Governor Hatfield. It is not out of place to inquire if that be true, and if so, what has precipitated such opposition?  
If opposition from the business

people of the state may come from the action of the chief executive in taking a position on matters pertaining to the state's welfare and giving full information to the actual condition of the state's affairs and then urging means to correct any financial or other condition affecting the welfare of the state can bring about a loss of friendship for Governor Hatfield then he has unquestionably lost.

**HEAL YOUR SKIN WITH RESINOL**

It Stops Itching Instantly, and Clears Away Unightly Eruptions.

**NO HORSES**

Tractor and Auto Take Their Places on a Wisconsin Farm.

MARINETTE, Wis., Sept. 11.—The age of the "horseless farm" has arrived. G. T. Wycoo, of Crivitz, who went to Marinette county from Bloomington, Ill., two years ago, works an improved farm exclusively with a tractor. He also cleared the farm and made it ready for cultivation without the use of horses.  
His "horseless farm" consists of eighty acres. He owns an eleven ton

tractor, which takes the place of for trips to market, but when heavy loads are taken to town the tractor is hauled in all farm work. He drives used to pull trains of two or three automobiles and generally uses it wagon.
