RANCHER KILLED

In Desperate Battle with Large Bull on a Wyoming Ranch.

GILLETTE, Wyo., Oct. 8.—S. A. Colegrove, an aged rancher at Cody, was found dead in a pasture on his ranch with a four-year-old Durham bull of enormous size keeping guard over the body. No one saw the battle between man and beast, but the signs point to a long and hard struggle for his life by Colegrove. A club evidently broken over the head of the beast, was found in his hands, and the man had also tried to defend himself with his pocket knife. The knife, with the blade broken off, he found nearby. The body was badly battered and most all the clothing torn off.

from the body by men armed with clubs and pitchforks, and was shot dead in his tracks before the body of Colegrove could be removed.

A seedless tomato of large size has been bred by an amateur horticulturist in California. Using a chemical process, a Missouri engineer claims to have produced a finer linen yarn than the finest spun, at low cost.

An Italian has discovered a way to detect minerals in flours and drugs.

TO WHOM IT MAY CONCERN. This is to give notice that my wife, Ellen (Davis) Channel, has left my bed and board without any just cause or provocation. Therefore, I hereby notify all persons not to give her credit on my account as I will not stand responsible for any debts she may contract. SYLVESTER CHANNEL, Oct. 8, 1915, Kenna, W. Va.

"The Thinkers of the Country Are the Tobacco Chewers" — said one of the greatest thinkers this country ever produced.

NERVE!

A whirr and a whiz! Then nothing between our bird-man and destruction except his nerve!

He takes no chances with strong, rank, nerve-breaking tobacco. His choice is mild, mellow PICNIC TWIST with the long-lasting taste.

GIRL JOKES

After Being Dragged 200 Feet through Streets by Big Automobile.

CORNWALL, Oct. 9.—Dragged nearly two hundred feet by a touring car, Miss Ruth Pink, of Cornwall, joked about her injuries while being rushed to a doctor.

She was knocked down as she was going over a cross walk. When Arthur Hestwood, of Cornwall, who was running the car, stopped and asked how badly she was hurt, she replied: "Is my skirt soiled?" As soon as the dust was brushed from her clothes she was put in the car and started for a doctor's office. "You couldn't do that again without killing me if you tried," she remarked to the driver after the doctor said that her only injury was a sprained ankle.

CARRY STOMACH JOY IN YOUR VEST POCKET

Here's a Dyspepsia Remedy That is Really Guaranteed By Your Own Druggist.

One of the greatest successes in the sale of medicine has been achieved by M-t-o-n-a, the standard dyspepsia remedy, and its sale is increasing so rapidly that many druggists have had work to keep a stock on hand. It is very popular with bankers, ministers, lawyers and others whose business or profession keeps them closely confined, while those who have brought on indigestion through irregular eating, worry, or other causes, have found relief in this reliable remedy.

M-t-o-n-a comes in tablet form and is sold in a metal box especially designed for convenience in carrying the medicine in the pocket or purse. It is pleasant to take, gives quick relief and should help any case, no matter how long a standing. This remedy has been so uniformly successful that a 11 druggists are authorized to sell M-t-o-n-a under a positive guarantee to refund the money if it should not prove entirely satisfactory. We doubt if any other dyspepsia medicine ever had a large enough percentage of cures so that it could be sold in this manner. A guarantee like that speaks volumes for the merit of the remedy.

There is no time like the present to do a thing that ought to be done. If any one has dyspepsia, today is the best time to begin curing it by going to Wells-Baymaker Co. or any leading druggist in the vicinity and buying a box of M-t-o-n-a on this money-back guarantee.
