## TRADE BOARD'S AID IS SOUGHT

By National Chamber of Commerce for a National Tariff Commission.

(By G. W. Dudderar, Secretary-Treasurer of the Board of Trade.)

At the meeting of the directors of the board of trade Friday night, a request from the chamber of commerce of the United States, with which the local board is affiliated, was read in which they were asked to appoint a committee of business men to co-operate with the national chamber to bring about the establishment of a national tariff commission with the view of taking the tariff out of politics. They also have a communication from the Tariff Commission League of Chicago, which has in view the same object.

In this connection, we find that a nation-wide movement is in progress to secure such a commission and the president of our board was authorized to appoint a committee and communicate the names of its members to the national chamber. The committee of the national chamber, to push this movement along, was appointed after two referendums were taken, in which all the strong commercial organizations of the United States participated. At the second referendum, taken in 1913, there were 715 votes in favor of the commission and only seven against it.

The national chamber advocates a commission to be composed of about five members and to hold their places for about six years. It suggests that it be nominated by the president and confirmed by the senate and that not more than a bare majority of the commissioners shall belong to any one political party. It is not proposed that the commission shall encroach upon the powers of Congress, but merely have authority to ascertain facts and report them to Congress and the executive as a basis for proposed new legislation.

It is intended to work out a program to arouse public interest in the matter very thoroughly. President Fahey and other leaders of the national body believe, as well as do the business men of the country generally that at the end of the European war there will be commercial exchanges which will vitally affect the United States. In this belief they claim that the time has come to take the tariff out of politics as nearly as that can be done.

#### MRS. LOVE DEAD

Mrs. Elvira Love, aged 22 years, wife of Ira Love, of the Industrial addition, died at 10:30 o'clock Friday night of consumption. The funeral will be held in the Wesleyan Methodist Episcopal church at Industrial at 2 o'clock Sunday afternoon and burial will be at the Masonic cemetery. Her husband and two children survive.

#### A DETERMINED WOMAN Finally Found a Food that Helped Her.

"When I first read of the remarkable effects of Grape-Nuts food, I determined to secure some," says a Mo. woman. "At that time there was none kept in this town, but my husband ordered some from a commercial traveler."

"I had been greatly afflicted with sudden attacks of cramps, nausea, and vomiting. Tried all sorts of remedies and physicians, but obtained only temporary relief. As soon as I began to use Grape-Nuts the cramps disappeared and have never returned. "My old attacks of sick stomach were a little slower to yield, but by continuing the food, that trouble has disappeared entirely. I am today perfectly well, can eat anything and everything I wish, without paying the penalty that I used to. We would not keep house without Grape-Nuts. "My husband was so delighted with the benefits I received that he has been recommending Grape-Nuts to his customers and has built up a very large trade on the food. He sells it to many of the leading physicians of the county, who recommended Grape-Nuts very generally. There is some satisfaction in using a really scientifically prepared food." "There's a Reason."

## SIX MORE WORKING DAYS OF DIAMOND RING OFFER

Big Bonus Vote Offer Now in Effect Will Decrease after October Second.

### SPECIAL BALLOTS ARE CAST

Subscribers Should Vote in the Shower of Gold for Babies' Campaign.

Only six more working days remain to secure subscriptions and turn them in toward winning the \$125 solitaire diamond ring which is now in the window of F. A. Robinson and Son, Main street. This special prize will be awarded to the parents of some baby turning in the most money on the subscriptions during the second period of the Clarksburg Telegram's Shower of Gold for Babies which will end Saturday night, October 16, at 9 o'clock.

While the beautiful diamond ring period will end next Saturday night, the bonus votes will be increased 10,000 on each club of new and old subscriptions. This means that the biggest and best opportunity for getting votes will come to a close and never again will so many votes be given on clubs.

Therefore, the parents of each and every baby in the race should secure and turn in every possible subscription before that hour.

Every Reader Should Vote.

Every reader of the Clarksburg Telegram should vote in this campaign and now is the time to vote. Look over the list of candidates on another page, pick out a favorite and then vote.

Pay your subscription for one year.

Your paper if delivered by carrier will count 4,000 votes or if you should be a new subscriber it would give 8,000 votes and the payment you would make would count that much toward a club of \$15 in subscriptions which will entitle your favorite baby to a bonus of 200,000 or 140,000 votes. If you want to save more on your paper send in your subscription for five years which will give almost a half million votes according to whether you are new or old subscriber. You take the Clarksburg Telegram anyway, so why not pay for as long as you can and make the parents of some baby happy with a vast number of votes.

Active Voting.

The voting was quite active Friday as will be shown by looking over the list of babies elsewhere in this paper. Florence Lois Rice is leading the entire campaign for the \$500 in gold with 74,500 votes. Nellie Mills, of the same district, made a big gain. In District No. 2 Ruth Hood is holding her own but quite a number of other babies participated in the balloting and show decided increases in the published list. Those making particularly good gains are Jane Elizabeth Long, John Walton Martin, Joe Morris Adams, Margaret Florence Smith, Rhea Way and May Patterson. Some are voting pretty heavy while others are holding in reserve. It is a good idea to vote occasionally to let your baby's friends know he is still in the race. If you do not they may think he has dropped out. To keep up in the race get in every subscription possible this period and turn or mail them in before 9 o'clock Saturday night, October 16.

## COW TESTING CLUB ORGANIZED HERE

Officers Are Chosen and Experienced Dairyman is Chosen as Tester.

At a well attended meeting of dairymen of this section Saturday in the court house, the Central West Virginia Co-Operative Cow Testing Association was organized with the following officers:

B. Stanley Haller, Rosemont, president.  
L. R. Sturm, Enterprise, secretary-treasurer.  
A. J. Marple, Lorentz, vice president.

W. E. Hardman, of Jane Lew; G. A. Nuzum, of McAlpin, and the three officers are to constitute the board of directors.

The association is a branch of the Harrison County Dairymen's Association. It is to employ an experienced dairyman who will test the herds of members each month and advise as to methods of bettering the condition of cows and the quality of their milk. H. J. Childress, of the Elm-dorf Farms, Lexington, Ky., one of the most noted Jersey farms in the country, was chosen for this position.

A. M. Goodman, of the dairy department of the United States Department of Agriculture at Washington; and Prof. G. L. Oliver, of the dairy division of the agricultural experiment station at Morgantown, were present at the meeting and aided the dairymen in organizing the association.

The association starts off with twenty-four herds of 358 cows, as follows:

- Walnut Hurst farm, E. Stanley Haller, Rosemont, fifteen cows.
- J. B. Supler and Sons, Clarksburg, thirty cows.
- C. L. Bond, Lost Creek, ten cows.
- Henry Bassell, Mount Clare, eight cows.
- J. D. Bassell and Son, Mount Clare, twenty cows.
- J. P. Stanton, Clarksburg, fifteen cows.
- P. C. Sturm, Clarksburg, twenty-five cows.
- A. D. Bassell, Lost Creek, ten cows.
- J. W. Saunders, Viropa, twelve cows.
- Nuzum Brothers, McAlpin, twenty cows.
- E. A. Carder, Salem twelve cows.
- John R. Manley, Fairmont, ten cows.
- L. R. Sturm, Enterprise, fifteen cows.
- George W. Anderson, Enterprise, ten cows.
- T. F. McIntyre, Enterprise, fifteen cows.
- A. M. Sturm, Enterprise, twelve cows.
- Richard T. Manley, Fairmont, ten cows.
- O. C. Phillips, Fairmont, ten cows.
- W. E. Hardman, Jane Lew, ten cows.
- John W. Bailey, Rosemont, twelve cows.
- L. H. Lawman, Bridgeport, fifteen cows.
- Mrs. J. M. Allman, Lorentz, twenty cows.
- A. J. Marple, Lorentz, twenty cows.

#### Parsonage Wedding.

The marriage of Miss Jessie Johnson a daughter of the late Mr. and Mrs. L. R. Johnson, of Grantsville, to F. W. Sayre of Rackett, Gilmer county, was solemnized in the parsonage of the Methodist Episcopal church, South, Thursday evening. The Rev. W. H. Foglesong, pastor of the church, officiated. Mr. and Mrs. Sayre left Saturday morning for Rackett, where they will reside.

Miss Dora Leachman will return home Saturday evening from a four week's visit in New York and Baltimore.

#### Country Club Dance.

Quite a number of young society men and girls attended the dance at the country club Friday evening. The guest list included also several out of town visitors. A well-selected program of dance music was played by the Codena orchestra.

#### To Organize Chorus.

At 7:30 o'clock Tuesday evening, the Marcato club will organize a chorus to be under the direction of Mrs. W. Lea Williams. This is a long-felt need in Clarksburg and it should receive the support of all musical people in our city. The aim of the club is to make this a permanent chorus and each spring give a musical festival studying only the music of the "masters." A good chorus is a great education to any community. It creates a musical atmosphere that cannot and do not create.

The present plan is to give a concert at Christmas, rendering the cantata "Hear Our Prayer," by Mendelssohn and the great Hallelujah chorus from the "Messiah" later. A brilliant program has been arranged for the spring festival.

Mrs. Williams, the directress, is a woman of charming personality and a thorough musician, having taken special work in chorus directing at Oberlin college. It is the desire of the Marcato Musical Club to have one hundred voices in the chorus and asks the co-operation of all musical people of Clarksburg to help make it a great success in a musical way, as well as a great addition to the club.

#### To Give Entertainment.

Under the auspices of the St. John's Club of the Methodist Episcopal church at Stealey Heights Misses Gordon and Smith will give a literary and musical entertainment at 8 o'clock Friday evening in St. John's tabernacle on

the Millford road. Girls of the congregation are industriously selling tickets and they hope to add materially to their subscription to the new church. Misses Gordon and Smith are well known entertainers and the evening promises to be most pleasurable.

Miss McLaughy Leader.

The vesper service to be held Sunday afternoon by the Young Woman's Christian Association in its headquarters on Telegram square, will begin at 4:30 o'clock and Miss Hester McLaughy is to be the leader. All young women of the community are cordially invited to attend.

## NEW DEPARTMENT FOR BOY SCOUTS WILL BE FORMED

Executive Board Announces Purpose to Have a Department of Education.

NEW YORK, Oct. 9.—Reports made public today concerning the quarterly meeting of the executive board of the Boy Scouts of America, held in New York this week, include an announcement that through gifts of money from Francis P. Dodge and Sigmund Eisner a department of education will be established to develop the educational features of the Boy Scout program. Mr. Dodge contributed \$3,500 a year, and Mr. Eisner \$2,000. The executive board is endeavoring to find a man with the proper equipment to head the new department. The attitude of the Boy Scouts toward the problem of national preparedness was a subject of discussion at the meeting, after which the executive board passed unanimously the following resolution:

Resolved, That the executive board takes the position that it would be inappropriate for the Boy Scouts of America to take any official action with reference to any question of policy for the United States government in matters capable of difference of opinion of a political character. Each official and member should be given full opportunity for freedom of thought and action as an individual but not as a representative of the Scout movement. The report of the Chief Scout executive shows that 3,023 men enrolled as leaders of Boy Scouts during the last four months, an increase of 100 per cent as compared with the same period of the previous year. It also states that, from June to October, 23,375 boys enrolled as scouts as compared with 17,800 for the same period in 1914. There are today in good standing 143,084 Scouts as compared with 35,978 at this time last year.

### WALL STREET

Bishop Will Preach in Christ Episcopal Church Here Next Tuesday Evening.

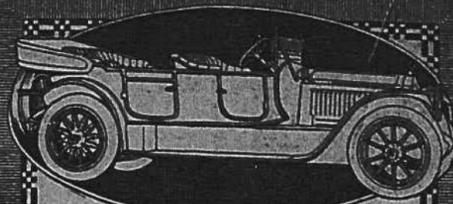

The Rev. William Wilkinson, who is known as the "Bishop of Wall Street," will preach in Christ Episcopal Church at 7:30 o'clock Tuesday evening. Dr. Wilkinson in an Episcopal clergyman, a speaker of great ability, speaking to Wall Street brokers and others on the street. He will be worth hearing. The preliminary service Tuesday evening will be very simple and short, and all are invited.

#### STILL ON TRIAL.

Fred T. Petrel's \$10,000 damage suit against the Monongah Glass Company for pay for personal injuries caused by escaping steam is still on trial in the federal court.

#### BLAIR PROMOTED.

Jackson V. Blair, Jr., of West Union, who has been connected with the Internal revenue office at Parkersburg for some time, has been promoted to general deputy in the income tax department. His territory in the new position will cover this state and the seventh district of Kentucky.

## THE NAME Packard

conveys a definite measure of quality in a motor car

This is no casual condition, but the result of a consistent and conscientious endeavor to express in a product an industry's ideal. Packard standards of material, manufacture and design are permanently authoritative—have become a basis for judging motor car values.

Packard dominance is not a thing of yesterday, today and tomorrow; it is a cumulative effect, years old, springing from a leadership that never has been challenged.

It is only natural that the most significant contribution to current motor car progress—the Packard "Twin-Six"—should have been conceived and introduced by a company whose immense resources and facilities are focused in a steady effort toward improvement.

## GAS RATE INCREASE MOVE IS CONSIDERED

By the Local Board of Trade and an Investigation is to Be Made at Once.

The board of trade directors held a meeting Friday night.

The good road convention at Bluefield, October 13, 14 and 15, was discussed and President T. J. Lynch authorized to appoint as delegates such representative citizens as may be able to attend.

Attention of the directors was called to the annual convention of the state board of trade, to be held at Fairmont, October 19, and 20, the board being entitled to five delegates.

Olandus West and the Secretary were appointed and additional delegates to be named by President Lynch.

The question of the proposed increase in gas rates was discussed. The directors appreciated the importance

of this matter to the city of Clarksburg, as well as to the gas company itself and under the circumstances the directors do not wish to make any announcement of the board's attitude in this matter, until a careful investigation of the whole situation has been made. To this end a committee consisting of H. E. Travis, Arthur Parsons and Robert Morris was appointed to conduct an investigation and report back to the board of directors. In the meantime, it was hoped that hasty criticisms may be withheld and it might be well to bear in mind that for a number of years in the past the gas company has furnished Clarksburg with fuel cheaper than other cities, possibly at a cost unfair to itself, possibly otherwise, and have materially assisted the board of trade in locating industries here.

President Lynch was authorized to appoint a committee of five to plan and carry in execution a quiet membership campaign.

## FAITHFUL SERVICES NICELY REWARDED

Several Employees of Watts-Lambert Company Receive Nice Bonuses.

Beginning October 1, 1914, the Watts-Lambert Company inaugurated a plan to encourage all of the employees of the company to be prompt and regular at their work every business day of the year.

A bonus of \$50 in cash was offered to each employee who, during a period of one year, was present for work promptly every business day of the year except such time as was allowed for an annual vacation.

The following employees of the Watts-Lambert Company have just completed a year's service under the conditions governing the giving of the bonus and have each received a check for \$50:

Miss Nina Batson, Miss Helga Brooks, Miss Rose Bumgardner, Miss Mabel Crim, Miss Jennie Scory, Miss Lydia Wall, O. R. Sartor, Harry R. Williamson and J. J. Lear, Jr.

Several other employees are in line to receive the \$50 bonus, having met the requirements of the plan for a number of months.

A CARD OF THANKS.
