**Full Associated Press Report of the Great European War
 And News of World-Wide Interest.**

Best Feature And Comic Sections In The World

Specials For Sunday, November 28.

**NEW YORK'S NEWEST FAD
 Indoor Ice Skating.**

The furore of indoor ice skating is manifesting itself in all parts of the country. It has taken the place of the tango and fox trot in many famous restaurants and hotels, although many fancy dante steps are seen on the ice ponds. Read about this fad in the Sunday TELEGRAM tomorrow morning.

The Breezy Romance of "Mediterranean Milly"

How the charming and energetic duchess of Sutherland earned her strange supplementary title, and how she has made London exclaim "just like her" by rushing off to the firing line to get married. The war romance is a part of the value you receive when you give the Telegram newsie 5c for The Sunday Telegram tomorrow morning.

"Polly and Her Pals"

Has more followers than any comic page in the world. One of the few high priced comics. Polly appears exclusively in The Sunday Telegram every Sunday morning. Keep company with Polly. Start tomorrow.

**New and Interesting Facts About
 Science and Life.**

A page of great interest appearing every Sunday in the Telegram. Subjects for tomorrow include "How a machine has been made to imitate the work of the human brain;" "Why we must perspire or suffer the poisoning of the body"; "Wonderful feats of Ski soldiers;" "Dyestuffs" and "Re-vegetating a volcano."

From Collars to Pantalettes.

A fashion feature story of interest to women (and men, too), Attractive revivals and new fancies in stock, guimpe and frock designs. Of course, it's illustrated and will appear in The Sunday Telegram tomorrow morning.

"Buster and Tige"

The Sunday Telegram must have the best for its readers which is the reason "Buster and Tige" appear in its comic section every Sunday morning. Parents, if your boys and girls have not met Buster and Tige, don't deprive them of the pleasure of their acquaintance longer. Buy a Sunday Telegram and introduce them tomorrow.

The Frantic Search for a New Dance

How the call for novelty and the ardor for new expressions of beauty have brought artistic efforts from all parts of the world. Illustrated with photographs of famous dancers. In Sunday Telegram tomorrow morning.

**Work and Play of the Convalescent
 Wounded.**

Teaching the lame and the blind to be self supporting is one of the great problems confronting the warring nations of Europe, and this feature story which will appear in The Sunday Telegram tomorrow morning tells how it is done.

That Son in-Law of Pa's.

A typical example of modern marriage between a beautiful American heiress and "foreign" nobleman. The antics of this particular titled son-in-law amuse thousands every Sunday. A comic that appeals to every member of the family. Get acquainted tomorrow and laugh with us.

When Mrs. Wilson is at Home.

Why the White House of today is no longer "half office building," but has been made to be the most comfortable palace in the world. An interesting and timely feature story, illustrated, by the famous writer, Rene Bache. You get it in The Sunday Telegram tomorrow morning.

Uncle Sam Helping the Hen.

What the national government is doing to boost egg and poultry production—a modern chicken farm devoted to investigation and experiment scientific feeding of chicks. All poultry raisers will want to read this article in The Sunday Telegram tomorrow morning.

"Dolly Dimples"

A comic by Grace G. Drayton that appeals strongly to little girls and boys. Dolly's experiences are the experiences of all little girls, nothing exaggerated. Get YOUR Sunday Telegram tomorrow morning and let Dolly amuse your little folks. She'll entertain them for hours.

Only 5c A Copy --- Worth More
