Winter's Needs and Christmas Deeds Leads Many to the P. S. Store

The Store is a Huge Christmas Box

We have tried to make the surroundings, the "atmosphere" of the store emanate the real spirit of Christmas.

We have this year gathered such abundance and variety of merchandise of a gift giving character as never before.

Even chinaland, in spite of rumors of a dearth and scarcity, being as well stocked and as joyful a place as ever a man or woman could enter.

Every hour of the day the increasing crowds of shoppers demonstrate the great popularity of the store, the efficient service, and the reliability and infinite variety of practical gifts displayed for sale.

CUT GLASS

Of which we have purchased over 500 pieces to be sold between now and December 25th.

Cut Glass is finding a place on many a shopping list heretofore never known in this store.

There are two reasons for this.

First, patterns are more beautiful.

Second, lower cost.

If you could have your cut glass made for you by an expert, one in Mitre cutting, another in Hobnail, and still another in floral, you could not produce more beautiful effects, or greater brilliancy than the magnificent pieces combining in one these three styles of cutting.

All the cut glass shown in our department is cut from a plain blank, by skilled workmen, therefore, requiring less polish by you which keeps its brilliancy.

Cut glass that has been pressed first and polished with an emery wheel is the kind that keeps one everlastingly rubbing to keep polished.

This Store Is Headquarters For Trunks, Bags, Suit Cases Indestructo Neverbreak Henry Likely

These trunks are here to fill a need, not as an experiment.

When Indestructo Trunks were introduced, through the Parsons-Souders Co., to Clarksburg, we knew what a great many men and women wanted.

Time and the fact that every ambitious store in the country is advertising "guaranteed wear," Indestructo trunks prove that we were right.

When we introduced them no other store would have dared to, however safe it is to advertise copies of them now.

That is only natural. Also it is natural that we should have a better showing than we have ever had. At any rate we have got them.

Also we have the "Never break," another better more-for-your-money trunk. It has passed its experimental stage, and we offer it to the public with full confidence that it will give continued satisfaction.

Then, there is the Henry Likely high class luggage, with beauty and durability—of the trunks, bags and grips, which many seem to admire has a foundation of sound genuine construction.

Indestructo trunks, \$15.00 to \$40.00.

Never-Break, \$15.00 to \$37.50.

Henry Likely, \$8.00 to \$25.00.

Indestructo Wardrobe trunks, special \$22.50, \$25.00, \$36.00.

HAND BAGS, og black walrus, Chrome calf, Pin seal, cowhide, and seal leathers, \$5.00 to \$20.00.

SUIT CASES—Black seal, plain lined, or fully equipped with toilet articles, \$10.00 to \$25.00.

SOCIAL AND PERSONAL

Brotherhood Meeting. The regular monthly social of the Brotherhood of Clarksburg to be held at the First Methodist Episcopal church tonight will be of unusual interest to the members as it will be the night on which the officers for the ensuing year will be elected. For this reason it is expected that there will be an unusually large attendance of members.

In order to facilitate matters, the president, James W. Robinson, appointed two committees some days ago to suggest to the Brotherhood at its coming meeting the names of available candidates for the several offices to be filled. Both committees submitted reports to the president last night and as a result there will

be two full tickets in the field. One of the committees consisted of L. G. Lockwood, C. H. Harding and J. W. Carter, and the following ticket was suggested by this committee: For president, Harry C. Hoffman, secretary, Clyde O. Law, and treasurer, Oscar C. Wilt. The other committee was as follows: M. P. Snider, Dr. E. N. Flowers and Harry C. Hoffman, who proposed the following ticket: For president, W. H. Taylor; secretary, Robert R. Williams, and treasurer, Lee Williams.

All of the proposed candidates are prominent and enthusiastic Brotherhood men, and are popular among its members, and for that reason it would be difficult to predict in advance who the lucky candidates will be.

Arrangements have also been made for a brief program following the election and refreshments will also be served.

Married at Parsonage.

Miss Mary E. Carter, of West Millford, and John Williams, of Clarks-

burg, were married at 3:30 o'clock Wednesday afternoon at the parsonage of the First Methodist Episcopal church by the Rev. W. B. King.

ter, wring, spread out and pour a few drops of glycerine on each spot. Let stand a few hours, then wash with cold water and soap.

Flare Below Hips.

Practically the only Paris couturier to sponsor the short sleeve on suits is Mme. Jenny, who shows them to advantage on some very youthful suits. Almost all of the suits flare below the hips and are belted in novel fashion, many being outlined in stitching. A good deal of quilting is noticed on frocks and evening gowns, but the distinguishing feature of the evening gowns is the profuse use of wonderful metallic laces and Spanish lace.
