An Evening Echo. Eat not thy heart; which forbids to afflict our souls and waste them with vexatious cares.—PLUTARCH.

Will Do It. Now that Uncle Sam is in Mexico, what is Mexico going to do about it?—Exponent.

Why, Mexico is going to tell Woodrow to take his soldiers back home and apologize—and Woodrow will do it.

Political Straws. The political straws furnished by local and municipal elections continue to afford strong evidence of the direction in which the political wind is blowing and almost without exception they indicate that it is dead against the Democratic party.

Hartford, Conn., has just held an election in which the Republican candidate for mayor was elected by a large majority and the Democratic board of aldermen displaced by a Republican board.

Kansas City also contributed its quota to the new long list of local Republican victories.

St. Louis was elected by a large majority and the Democratic board of aldermen displaced by a Republican board.

situation with regard to Mexico, but which now seems to be explained by the unwelcome task set him by his chief.

Hite and the Farmer. If the farmers of West Virginia were in the habit of making a close personal investigation of the records and convictions of candidates for Congress and the United States Senate such a situation would be highly advantageous to William F. Hite, of Huntington, one of the Republican candidates for senator.

Mr. Hite is directly engaged in agriculture, but his interest in this question is more personal. He has, for many years, been a warm supporter of agricultural extension work in West Virginia. He believes that the farmers should be taught how to make their fields and orchards produce more, and that the federal government should co-operate with the state governments in bringing about this result.

Mr. Hite is one of the state's foremost good roads apostles. He has taken a leading part in good roads work in Cabell county, and believes that a comprehensive system, combining federal and state endeavor, should be adopted. He has been a consistent advocate of a liberal rural credit system, and believes that Congress at an early date should devote to this important question the thought and attention it deserves.

THE DAILY NOVELET

THE MUNITIONS PLOT.

A kiss must be distinctly short. Film censors all do so report.

The great detective was playing his violin and smoking a pipelod of jimson weed as Petrarch Jones, the munitions manufacturer, rushed in.

"I want to investigate this order from Mexico," he cried. "They want a sheet of triple-ply armor plate twenty feet by fifteen. I love my munitions orders, but I love my country more. Villa must be at the bottom of this."

The great detective looked at him long and thoughtfully. "You must be an armor manufacturer," he said at length. "Let me see the letter."

Petrarch Jones let him see it. "Ah, just as I thought!" said the great detective. "The letter-head reads 'Chilson and Conchille, Flickeroso, Pitneyara.' Flickeroso Pitneyara is Mexican for moving picture parlor. The cowboys and bad men there have riddled so many sheets with bullets shooting at the villains and Americans on the films that the proprietors have decided to order a bullet-proof screen."

And the great detective hid a yawn with his fiddle and held out a hand for his fee.

NEW CHURCH

Edifice of St. Paul's Congregation Will Be Started at an Early Date

Plans are now being perfected to begin the erection of a new church at the corner of West Main and South Chestnut streets by the St. Paul's congregation. This church has grown by leaps and bounds in the last few years and the old antiquated building is not commensurate with the needs of the congregation.

HER HOME NO LONGER CHILDLESS

Operation not Necessary after Taking the Great Medicine for Women.

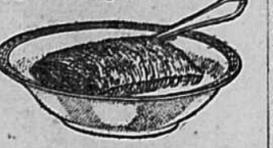

Miller's Falls, Mass.—"Doctors said I had displacement very badly and I had a soreness in both sides and a pulling sensation in my right side. I could not do much work the pain was so bad. I was also troubled with irregularity and other weaknesses. My blood was poor. We had been married four years and had no children.

After using Lydia E. Pinkham's Vegetable Compound and Blood Purifier I became well and strong and was saved from the operation. We are now the parents of a big baby girl and I praise your remedies to others and give you permission to publish my letter."

Lydia E. Pinkham's Vegetable Compound is famous for restoring women to normal health and strength. When this is done wives no longer despair of having children.

A woman should be reluctant to submit to a surgical operation until she has given Lydia E. Pinkham's Vegetable Compound a fair trial. If you have a case that needs special advice, write the Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. It is free and always helpful.

Your Ninety-First Birthday—how are you going to celebrate it? You can live to celebrate it by eating the right kind of foods. Give Nature a chance. Stop digging your grave with your teeth. Cut out heavy meats, starchy foods and soggy pastries and eat Shredded Wheat Biscuit. It supplies all the nutriment for work or play with the least tax upon the digestive organs.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove it

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or disagreeable effects of any kind.

Dr. P. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.
