WESLEYAN WINS OPENING CONTEST FROM MARIETTA

Thurmond Pitches a Brilliant Game and Wesleyan Hits at Opportune Times.

BUCKHANNON, April 29.—Before a large crowd and in a spirited contest, West Virginia Wesleyan Friday inaugurated her 1916 baseball season at home by defeating Marietta college 7 to 3.

The score does not indicate the superiority of the orange and black. Thirteen resounding blows was the total harvest of the Wesleyan war clubs, while four, two of these of the scratch variety, was the sum of those garnered by the Buckeyes. Wesleyan failed to make its heavy hitting productive of runs, however, while Marietta was presented outright with the three runs credited to it.

Thurman was on the mound for Wesleyan and right nobly did the big fellow labor. He was never in serious trouble and only one of the Marietta safeties figured in the run getting. Nor did the bases on balls he issued have anything to do with Marietta's counters. Six errors by Wesleyan fielders, two of these which were contributed by Thurman and Talkington's passed ball were responsible for the Marietta runs.

Singleton and Beck were the leaders with the stick, each having two extra base blows and a single to their credit, while Whiting, at third base for Marietta made the most sensational field play of the day in cutting Miller off at home in the second inning.

Wesleyan started hitting in the first round, scoring two runs on Singleton's single, a base on balls to Talkington and Shumaker's base-cleaning two sacker. Wesleyan got busy again in the second when Beck and Dunn thumbed and Thurman singled in order. Miller was safe on a fielder's choice; and Singleton doubled. No more runs came in until the fifth, when one tallied on Talkington's single, a fielder's choice to Shumaker and another two base blow by Beck. Singleton's two-base drive and Daniel's single brought in another in the sixth and in the eighth, a single by Thurman registered the final tally. The second game of the series will be played today.

Clark Ingram and son, Lawrence, successfully defended their title as champion ten-pin bowlers in this city, when they defeated Mitchell and Longmore in a five-game contest rolled on the I. M. alleys Friday night, by a margin of thirty-three pins.

Mitchell had high average for the contest, he totalling 884 for the five games, for an average of 177. Clark Ingram had high individual score, rolling 202 in the third contest. In the contest last night young Ingram was forced to roll to hold the championship, as his father was going bad, and rolled the worst contest since they had been defending their title, but young Ingram was equal to the occasion and rolled the best game he has rolled this year, defeating his opponent by forty-five pins, enough to put them in the lead.
