BRISTOL, May 2.—Wilson Tate, the nine-year-old son of Mr. and Mrs. Homer Tate, of Cherry Camp run, is ill at this time of what is thought to be white swelling in his right leg. He had white swelling in the same leg a few years ago and the fibula bone—the small outer bone below the knee—came out. He has been complaining for several weeks, and a large sore—supposed to be white swelling—has broken out on his right thigh during the last few days. I am recommending it to every person I meet, superior with this ailment."

## A Little Blossom To Delight the Home

When it is known that in the near future the home is to be blessed with a new arrival the first thought should be "Mother's Friend." This is an external remedy gently applied over the stomach muscles. It makes them firm and pliant, they expand naturally without undue strain. It removes from the nerves those influences which are responsible for much of the pain incident to the period of expectancy. It is for this reason that much of the distress such as morning sickness is avoided. All prospective fathers should see to it that the expectant mother is provided with a bottle of "Mother's Friend."

If more convenient get a bottle on your way home. Remember that many of our most valuable aids to health and comfort and safety are only such when our knowledge of them is put into action. Get one, get its use and "Mother's Friend" will soon become one of the most helpful influences ever devised for avoiding much of the distress incident to coming motherhood. The directions are simple. Get it at any drug store. It is applied by the expectant mother herself, it penetrates deeply and affords quick and splendid relief in a most gratifying manner and reflects a physical betterment to the nervous disposition of the baby. Don't fail to get a bottle of "Mother's Friend" today and then write Bradford Regulator Co., 718 Lamar Bldg., Atlanta, Ga., for a pretty little book brimful of information for expectant mothers. It is a delight to read it.

## TEXAS CANDIDATE SEEKS GERMAN AID

O. B. Colquitt.

O. B. Colquitt, former governor of Texas and now Democratic candidate for the senatorial nomination, wrote letters to the head of a German organization in New York City, bidding for German support on the ground that he had done more to discredit President Wilson's foreign policy than his opponent in the primaries, Congressman R. L. Henry, had done. The letters were marked "confidential," but a New York newspaper succeeded in getting hold of them and did not respect their confidential character.
