Schloss Bros. & Co., Ederheimer Stien & Co., Fashion Park Clothes

These are the names on the labels of some of the clothes we are now selling--they are names that have a world of meaning to all men who know anything at all about good clothes--and if any man who can't see the remarkable values in these good clothes, which we are now offering at reduced prices--then he should see an Oculist. Anyone of these high-grade suits or overcoats will cost you more later on, and they won't be quite the same either. Most of them will be domestic dyes for you can put in your eye what the "Deutschland" brought in.

\$ 12^{.50}, \$ 14^{.50}, \$ 16^{.50}, \$ 18^{.50}, 20^{.00}, 25^{.00},

These are the prices at which clothes styled so superbly as to be the wonder of the craft. Tailored so exquisitely as to leave nothing to be desired and the fabrics are the acme of distinctiveness. All must go. Many, many new fall suits and overcoats are included. The money invested now for these clothes would be *wisely invested*.

We know we are going to be very busy these last few days, and so we have provided ample help, men who know their business, men who are qualified by experience to render the usual efficient Nusbaum service
