Carl Mays.

BRAVES FIELD, BOSTON, Oct. 7.—
The Boston Americans triumphed over
the Brooklyn Nationals in the first

afternoon by a score of 6 to 5.

The Boston victory was threatened in
the last inning, when Shore weakened
and had to be taken from the box.
Over 40,000 persons saw the con-
test, which was marked by brilliant
fielding on the part of the victors, and
the weak defense on the part of the
Brooklyns.

Marquard started in the box for

crumbled in the seventh inning when
a couple of errors and a hit gave Boston
three runs and a safe lead.

THOUSANDS COMING FOR OPENING OF CAMPAIGN

In City Tonight When Con-
gressman Nicholas Long-
worth Will Speak.

SCHUCK ALSO TO TALK
Arrangements Made to Take
Care of Overflow Meeting
in Front of Court House.

Preparations for the political rally
at the court house at 8 o'clock
this evening to be addressed by Con-
gressman Nicholas Longworth, of
Ohio, and Charles J. Schuck, of
Wheeling, were completed Saturday
afternoon by Senator Roy E. Parrish,
chairman of the Republican county
executive committee.

Although Saturday night is the
worst night in the week to hold a po-
litical meeting, because of the fact
that business houses are all kept open
until a late hour, indications were
that the circuit court room would
not be able to hold the crowd to-
night, and that an overflow meeting
would be necessary. Chairman Parrish
has prepared for such a contingen-
cy, and in case the crowd overflows
the court room, an overflow meeting

The identity of opposing pitchers
was a considerable factor in com-
position of the lineups of either team.
Both Manager Robinson, of Brooklyn,
and Carrigan, relying on interchangeable
outfields to bring out added
strength. Stengel, a weak batsman
against left-handed pitchers, has no
chance in a Brooklyn lineup against
Ruth or Leonard. His place will be
taken by Meyers. Similarly Walker,
Speaker's successor at center field for
Boston, would be thrown out of com-
petition with Marquard in the box
for Brooklyn, the recruit, Shorten,
being a more effective batter against
pitching from the south side. Man-
ager Carrigan, it is understood, has
decided to have Hoblitzel play at
first base throughout the series in-
stead of putting Gainer against a
left-handed pitcher.

Umpires: Connolly, American

tional League, on the base; Dineen,
American League, left field; Quigley,
National League, right field.

The mass of people who swarmed
through the broad reaches of Braves
field chosen as the stage for the local
game because of its tremendous seat-
ing capacity, grew rapidly from small
groups who had spent the night at
the bleacher gates. The night line
was smaller than had preceded any
world's series game played in this
city in years. At daybreak knots of
fifty persons each were gathered on
the threshold of the park awaiting
the opening of the gates. Some
sleep, others walked out, while more
eagerly read forecasts of the game
in the morning newspapers.

Bon fires were lighted to burn off
the morning mist which came off the
Charles river.

DEMOCRATS PLAN TO EXTORT FUNDS

From Federal Office Holders in
Violation of the Spirit of
Criminal Code.

SKATE ON VERY THIN ICE
Amount of the Levy upon Them
for Wilson is Ten Per Cent
of Year's Salary.

NEW YORK, Oct. 7.—Carefully
prepared plans of the national Demo-
cratic executive committee to extort
a campaign fund of several millions
from federal office holders in violation
of the spirit of the criminal code and
of the civil service act were disclosed
at Republican national headquarters
here. The plans purpose the raising
of this huge fund for the re-election
of President Wilson.

The framers of the plan are per-
fectly aware of the fact that they are
skating on very thin ice and have
striven to direct the procedure of
their subordinates so as to enable
them to effect a substantial violation
of the law without being caught. The
men who are endeavoring to put the
subordinates upon whom they rely
for the actual strong-arm work,
that they are deliberately seeking to
evade the statutory provisions to
which, in public and for the purposes
of campaign argument only, they
make such profuse profession of de-
votion. The first drive of the cash
collectors for the Democratic com-
mittee is aimed at postmasters, but it
is specifically set forth that all other
federal appointees as well are expect-
ed to contribute to the Wilson cam-
paign fund. The amount of the levy
upon them is ten per cent of one
year's salary.

The postoffice appropriation bill ap-
proved by President Wilson July 28
last, carries an item "for compensa-
tion to postmasters, \$31,000,000." If
the Democratic bagmen are only rea-
sonably successful in holding up post-
masters, they can expect to accumu-
late a fund of many hundreds of
thousands of dollars, if not millions,
from postmasters alone. And this
takes no account of the many thou-
sands of other federal appointees
whom these plans of the Democratic
campaign committee make specially
subject to the visit of the bagman.

The Democratic framers of these
plans for extorting Wilson campaign
funds from federal officeholders un-
derstand exactly the very delicate legal
situation of their scheme. They
are careful to set forth in the instruc-
tion to the strong arm squad the fact
that "of course this is not compul-
sory" obviously meaning that it is not
legally compulsory—but they pro-
ceed to state that they are informed
that there is to be a permanent or-
ganization "of our force throughout
the country." This permanent or-
ganization is to keep tabs on the fed-
eral officeholders. A record is to be
made "of the loyalty" of those ap-
pointees who contribute and of those
"disloyalty" of those federal office-
holders who decline to contribute to
the Wilson campaign fund. Of

UNDERWOOD TARIFF IS A DISMAL FAILURE

Worst Piece of Revenue Legis-
lation in the History of the
United States.

WASHINGTON, Oct. 7.—The Under-
wood tariff law has been the most dis-
mal failure of any revenue legisla-
tion in the history of the country.
"The Democrats boasted during the
campaign "we will reduce the cost of
living" "we will take the taxes off
the people." The Wilson administra-
tion jammed the Underwood tariff law
through Congress and in one year more
than three million men were out of
work, the cost of living was higher
than ever before, and it has since
steadily increased. The next day after
the Underwood tariff law was passed
Mr. Underwood said it would do four
things: Reduce the cost of living,
would not disturb the business of the
country, would increase our foreign
trade, and would collect revenue suffi-
cient to run the government. It has
done none of these things, so globally
promised.
