Judson Harmon Selected to Succeed Mr. Olney.

WHO BECOMES PREMIER.

The Record of the Choice of President Cleveland for Attorney-General.

IS KNOWN AS A "MUGWUMP."

In Ohio He Is Regarded as an Independent Democrat and a Reformer.

WASHINGTON, D. C., June 7.—President Cleveland this afternoon announced the following cabinet appointments:

Attorney-General, Judson Harmon of Cincinnati, Ohio.

It was 5 o'clock when the President's nominations became known. Olney's promotion occasioned no surprise, but everybody asked, "Who is Harmon?"

Harmon was not so fortunate, however, and he has ever since been a sort of independent Democrat, or mugwump.

President had several men under consideration, and that the portfolio of justice might have been had by James C. Carter of New York, who was counsel for the Government in the Baring stock tribunal and the income tax cases, and by Frederick R. Couderc of New York, had they been disposed to accept.

Secretary Carlisle knew Judge Harmon personally, and admired and respected his ability. It was he, probably, who first presented his name to President Cleveland.

Ex-Governor Campbell of Ohio, a close friend of Judge Harmon, also warmly supported him, and the President also secured from ex-Governor Hoadley of Ohio, who is now living in New York, and whose law partner Mr. Harmon was, most favorable reports as to his ability and standing.

After canvassing the situation thoroughly the President offered the portfolio to Judge Harmon by wire this afternoon and immediately upon receiving a favorable reply announced the appointments.

WASHINGTON, D. C., June 7.—Blanks are prepared at the Treasury Department for the use of persons who have claims against the Government for the refund of the income tax. The refund will be made under section 2220 of the Revised Statutes which authorizes the Commissioner of Internal Revenue, on appeal, to refund all taxes erroneously or illegally collected.

Few claims have been filed, probably because the claimants have been waiting for official information on the subject. Every dollar of the income tax already collected will be paid to the persons from whom the collections were made.

WASHINGTON, D. C., June 7.—The President has approved the recommendation of a naval board and ordered the retirement of Medical Director Gorgas and Lieutenant-Commander Carmody.

The following officers have been promoted: Lieutenant-Commander Maney, Lieutenant Blockinger, Passed Assistant Engineer Ransom, Assistant Paymaster Reynolds, Surgeons Brennan and Myres and Passed Assistant Paymaster Kerby.

WASHINGTON, D. C., June 7.—An official report received by the surgeon-general of the Marine Hospital confirms the report of yellow fever at Vera Cruz, Mexico, and says there were four deaths in that city from the disease during the last week of May.

CRUISE AFTER CUBANS

Search of a Spanish Gunboat for the Filibusters.

OFF THE FLORIDA COAST.

Sympathizers in This Country Contribute Liberally to the Cause.

QUESADA TELLS HIS PLANS.

In Several Weeks a Big Expedition Will Take Its Departure for Cuba.

FERNANDINA, Fla., June 7.—Captain Lassere of the pilot-boat Francis Lisabeth has just arrived and reports sighting yesterday a Spanish gunboat cruising about six miles from the shore.

The gunboat observed this she changed her course. Considerable excitement was created here by the pilot captain's story, as it was not believed that Spain considered the Florida coast of sufficient importance in respect to filibustering expeditions to be patrolled by a gunboat.

Captain Johnson of the schooner Greenleaf, from New York, arrived here to-day and substantiated the story told by Captain Lassere. Captain Johnson says that when he crossed the bar at 8 o'clock this morning the gunboat was cruising slowly four miles off the bar, apparently on the lookout.

The secret Cuban council finished its business to-day and departed. None of the party would deny or affirm the report that they were awaiting the arrival of Jose Marti, who is said to be now en route here.

JACKSONVILLE, Fla., June 8.—Gonzales Quesada, secretary of the Cuban party, returned here to-day from Fernandina. When questioned about the report that he was planning for a filibustering expedition on the Florida coast, he replied that it would not start for several weeks.

Quesada addressed the Cuban cigar-makers at El Merito factory to-day. Among other things he said he wanted 1000 rifles within the next month. He asked the cigar-makers at the factory to furnish 100 of them, which they agreed to do.

WASHINGTON, D. C., June 7.—The report from Florida as to the dispatching of three torpedo-boats with a Cuban revolutionary party is thought by Spanish officials here to be a ruse to divert attention from movements at other points.

It is stated that the torpedo-boats could make but a feeble showing against the large fleet of Spanish cruisers and gunboats now patrolling Cuban waters.

It is said that General Rafael Quesada is the moving spirit of the present operations, and that he is now at Abite Springs, Florida. He is reported to be in possession of a large quantity of arms and munitions.

Department officials do not attach any importance to the statement of the London Standard that Spain would make a claim against the United States, based on the precedent of the Alabama claims, for permitting arms and ships to leave the United States in aid of the Cuban cause.

It is said that no definite information of this aid has yet been given, and that whenever it is given the United States will use every available means to suppress the traffic. In this connection official attention has been directed to the open carrying of the flag of the Cuban revolution by armed bands in the streets of Tampa, Fla.

HAVANA, Cuba, June 7.—A small detachment of Spanish troops, it is announced in a dispatch from Manzanillo, were surprised by insurgents commanded by Amador Guerra. Fierce fighting followed. The Spanish lost one sergeant and three soldiers killed and had seven wounded. The insurgents were compelled to retire, leaving four dead and nine wounded. The troops pursued the fleeing insurgents and captured five prisoners.

Another dispatch announces that a number of insurgents recently attacked the village of Guaya, which was defended by a small detachment of troops commanded by Colonel Castellani. The Spanish soldiers routed the enemy, who left three dead soldiers on the field.

CLouDBURSTS IN GERMANY. Thirty Houses Demolished and Fifty Persons Drowned. STUTTGART, GERMANY, June 7.—It is officially announced that the fatalities which resulted from the cloudburst on Wednesday over the Wurtemberg portion of the Black Forest will amount to fifty. At Bathingen thirty houses were demolished by the river Eych.

There was another cloudburst last evening over the same district and the Eych Valley was again flooded. The damage done is not known. The Rems Valley was also visited by a waterspout, and there have been some heavy thunderstorms throughout the southern portion of Wurtemberg. The Danube and Neckar are greatly swollen.

It does not appear that any baking powder, when presented in competition with the Royal, either at the Government tests or before world-fair juries, has ever received favor or award over the Royal or made an equal showing in purity, strength or wholesomeness.

MELBA QUELLS A PANIC. Presents a Wild Rush for a Theater's Exit When Fire Breaks Out. LONDON, Eng., June 7.—During a performance of "Faust" at the Covent Garden Theater to-night the scenery caught fire and a panic was narrowly averted. Mme. Melba appeared in front of the curtain in the costume of Marguerite, and, despite her own danger in a few words succeeded in allaying the fears of the audience.

BURIAL OF CONSUL LOTT. MANAGUA, NICARAGUA, June 7.—The remains of Hiram Lott, United States Consul, who died yesterday afternoon, were buried to-day. The body was escorted to the cemetery by the Nicaraguan Ministers and 200 soldiers. A military salute was fired over the grave.

FOUR NEW RECORDS GAINED.

Scoggins, Dyer, Koch, Barnes, Torrey, Woolsey and Edgren Are Winners.

URBANA, ILL., June 7.—The champion track team of the University of California entered its fourth dual meet at 3 o'clock at Champaign this afternoon, and at 6 o'clock had added another victory to its list, besides placing three new college records and one world's record upon its tablet.

As its opponents, the University of Illinois, had held the Middle West championship, the California team will henceforth be held in great honor among the Suckers, Hoosiers, Badgers and other Western people.

The day was bright and sunny, the men were well rested, and the track, a half-mile trotting track, was in fine condition. Scoggins, who has been steadily regaining his last year's condition, ran in faultless form in both sprints. He was matched against Bullard, who ran away from him at Chicago Saturday, and is certainly a very fast man. But to-day Scoggins turned the tables. In the 100-yard dash both left the mark together and kept pace to the 60-yard mark, where the Californian began to draw away, increasing the gap until it had widened into two yards at the finish.

There was much comparing of watches, and the time was finally announced as 10 seconds. This breaks the U. C. record of 10-1-5 jointly held by Scoggins and Mays, and equals the American intercollegiate record. Scoggins had made the same time last year under reliance colors, but it was never accepted owing to a technicality.

The 220-yard dash was a beautiful race, and Scoggins would again have made even time but for an error made by the judges in placing the tape on the wrong finish post. Bullard led for the first 100 yards, but then the Californian ran away from him, finishing with a terrific burst of speed, four yards to the front. The course was eight yards short, but still the time, 21-2-5 seconds, was very fast. Bullard, the second man, had run in 22-5 at Chicago.

Barnes easily won the quarter for California in 54 seconds. His time was caught by Torrey, who ran in 55 seconds, but he walked in the home-breaking pace having overcome his opponents. Captain Koch led the half-mile procession by twenty-five yards. If he had been rushed another record would have been gone. Bradley secured a poor second in the mile. His feet are so blistered that he cannot be counted on. Merwin won the walk as he pleased in 7 minutes 50 seconds.

Torrey did not enter the 120 yards hurdle race. Woolsey fell at the first hurdle, so Dyer of California was left to fight it out with Captain Clark of Illinois, and a more reliable man could not have been chosen. For the first five hurdles the men were even. Then Dyer gained the lead. The finish reminded one of the time that Walt Henry broke the world's record at the Olympic grounds in 1892 by one grand burst of speed. The timers all agreed upon the time, 15-3-5 seconds. This breaks the intercollegiate record and it is the world's record held by Stephen Chase. Dyer only tipped one hurdle.

The 220 yards hurdle race was a pretty contest, Torrey, Dyer and Captain Clark bunching together until the last fifty yards, where the Californian drew away. Torrey won from Dyer by five feet; time, 21-5-5 seconds, breaking his own U. C. record by one-fifth of a second. The field was in no condition, or else there might have been some more records.

Koch secured second in the shot by 38 feet 5 1/2 inches. Dozier was second with 5 feet 7 inches in the high jump. The pole vault went by default to Illinois. Woolsey and Dozier took both places in the broad jump with 20 feet, and Edgren won the hammer throw with 125 feet. Dozier's high jumping was very fine, considering that his side run was up tight. Captain Clark, the winner, with a 6 feet record, only cleared 5 feet 8 inches.

Dozier, with his usual hard luck, strained a tendon so that his broad jumping was done upon pure grit. Edgren's work was especially fine considering that he had been confined to his room for the past week with an attack of poisoning.

The score, 55 to 43. Winners of first events: 100-yard dash—J. W. Scoggins, California, first; R. L. Bullard, Illinois, second. Time, 10 seconds. Mile run—Fred Orr, Illinois, first; Phil Bradley, California, second. Time, 5 minutes. 440-yard dash—T. L. Barnes, California, first; C. M. Lewis, Illinois, second. Time, 45-2-9 seconds. 220-yard hurdle—H. B. Torrey, California, first; E. L. Dyer, California, second. Time, 21-2-5 seconds. 100-yard dash—J. W. Scoggins, California, first; R. L. Bullard, Illinois, second. Time, 21-2-5 seconds. Half-mile—F. W. Koch, California, first; R. E. Orr, Illinois, second. Time, 2:05-2-5. One-mile bicycle—Hall, Illinois, first; Burke, Illinois, second. Time, 2:29. 440-yard dash—T. L. Barnes, California, first; C. M. Lewis, Illinois, second. Time, 45-2-9 seconds. 220-yard hurdle—H. B. Torrey, California, first; E. L. Dyer, California, second. Time, 21-2-5 seconds. Field events: Running high jump—A. C. Clark, Illinois, first; M. Dozier, California, second. Height, 5 feet 8 inches. Hammer throw—Sweeney, Illinois, first; F. W. Koch, California, second. Distance, 38 feet 5 1/2 inches. Running broad jump—C. H. Woolsey, California, first; M. Dozier, California, second. Distance, 20 feet. Pole-vault—H. C. Coffeen, Illinois, first; A. E. Mann, Illinois, second. Height, 11 feet 6 inches. 16-pound hammer-throw—R. W. Edgren, California, first; L. H. Fouts, Illinois, second. Distance, 123 feet.

One and an eighth miles, setting, Sull Ross won, Wilmar second, Dave Zac third. Time, 1:37. Five furlongs, Fredonia won, Fondest second, Judge Dubois third. Time, 1:04. Six and a half furlongs, Mollie B won, Miss Gallop second, Lottie Mills third. Time, 1:30. One mile, Buck Massie won, Trenton second, Emin Bey third. Time, 1:42 1/4. Six furlongs, Easton won, Francis Pope second, Bill White third. Time, 1:14 1/4. Five furlongs, Sumatra won, William Duke second, All third. Time, 1:02 1/4. WON THE MANCHESTER CUP. Victory of the Prince of Wales' Fleet Flotilla. MANCHESTER, ENGLAND, June 7.—Flotilla, owned by the Prince of Wales, won the Manchester cup to-day against a large field, which included M. F. Dwyer's Banquet. Flotilla was a favorite in the betting by 7 to 2, but the Americans, who turned out in large numbers, backed Banquet heavily. Just before the race the odds were 8 to 1, whereas a fortnight ago they were 20 to 1.

The odds on the other horses that started were: Gotschalk's Cypris, 5 to 1; P. Buchanan's The Docker, 8 to 1; J. H. Houldsworth's Bushey Park, 8 to 1; Captain Machel's Campiano, 9 to 1; Leopold de Rothschild's Rodomont, 10 to 1; Mr. Cohen's Greenland, 12 to 1; M. Blake's Rock Dover, 12 to 1.

There was much grumbling when it was announced a few days ago that Canon's Reminder, who had a good chance and who had been backed to win the cup for months, had been sold to Baron Hirsch, and he was scratched this morning. Nearly all the sporting prophets tipped Flotilla for winner, but all intimated that Banquet was decidedly a dangerous horse.

The result was: Prince of Wales' Flotilla first, Cohen's Cypris, second, P. Buchanan's The Docker, third. Each of these is 4 years old. Rodomont held a clear lead until nearing the distance, where Docker assumed the lead, followed by Greenland and Flotilla. The latter won amid enthusiastic cheering by two lengths. Three-quarters of a length separated the second and third horses. Rodomont was fourth. Banquet was clearly outclassed. He made a fair start, but Jockey Simms knew from the moment he got away that his mount was beaten.

BROKE ALL THE RECORDS. Finish of the Great Relay Race From New York to Chicago. NEW YORK, N. Y., June 8.—The great relay bicycle race of the red and blue between Chicago and this city was finished at 1:56 o'clock this (Saturday) morning. The actual time of the race was 65 hours 53 minutes.

The last relay should have reached the finishing point at Sixtieth street and the Western Boulevard at 8 o'clock this (Saturday) morning. Arriving when they did, they broke all American records for a relay race. The great race, which had its start at Chicago at 9:30 o'clock Wednesday morning, was begun after most careful preparations.

Two years ago just after the first relay race between Chicago and this city, General Nelson A. Miles, then in Chicago, now commanding the eastern division of the United States Army, expressed himself as being strongly in favor of the bicycle in military life, and urged that relay races be more frequently run.

Believing that an important part in military circles, he himself became a rider and has a great deal to say of the present race, which was organized almost on the strength of his words of encouragement. The blue riders represent the military; the red the postal service. From almost the first of the race the riders were ahead of the scheduled time and there was a strong rivalry and hard riding between the different colors to distance one another. For the most part the roads were found fair and the route arranged a favorable one.

At midnight there was a great throng at the junction of Sixtieth street and the Boulevard, the finishing spot of the race. Long before there could be any hope of the riders appearing the waiters peered into the darkness, and every once in a while a great shout, "Here they come!" startled the nearby riders.

On the wall of a building close at hand there had been posted an immense chart showing the route from Chicago through Indiana, Ohio, Pennsylvania and New York marked with figures that illustrated the progress of the riders. It was 1:56 o'clock when the red message was delivered to General Miles. The message said: "This message leaves Chicago on June 5, in front of my quarters, at 9 A. M. Wesley Merritt, U. S. A., commanding the Department of Missouri."

This message was brought on the last relay and was delivered by L. D. Munger and Price. General Miles and Postmaster Dayton were at the end of the line to receive the messages. The blue rider arrived at 2:39 A. M.

Are Welcome in England. LONDON, Eng., June 7.—The greatest interest is taken here in the prospect of an international athletic contest between the universities of Oxford and Cambridge and teams from American universities. The first news of the Oxford and Cambridge challenge was published in England to-day, when all the newspapers reprinted their exclusive dispatch to the Associated Press printed in the United States and Canada. Naturally there are numerous comments on the challenge, and they all express the hope that it will be accepted. "It will do good to the universities of both countries and help to produce a friendly feeling on both sides of the Atlantic."

The Pall Mall Gazette, in the course of a column leading editorial on the same subject, remarks: "There will be great interest in the meeting in view of the London Athletic Club fixtures, and we shall thus have international contests which should enable athletes of both countries to take thorough stock of each other's capacities."

After alluding to the benefit of such contests the Pall Mall Gazette continues: "Every spectator of the contests between Oxford and Yale was struck by the manly spirit in which the Americans bore the rebuff of bare defeats. We are not ashamed to say that this association of youth with youth will help to shape the relationship of the two peoples."
