

THE CALL "BICYCLE CLUB

It Was Organized With a Large Membership at the Park Cyclery.

SAM FOLTZ CHOSEN PRESIDENT.

Harry Spalding, the Captain, Will Direct the Runs Over the Roads.

A large number of the employes of THE CALL, who class themselves among the best bicycle-riders in San Francisco, met yesterday afternoon in Trueworthy's Park Cyclery on Fulton street, opposite Golden Gate Park, for the purpose of organizing THE CALL Bicycle Club.

AN EMBLEM PROPOSED FOR THE NEW CLUB.

wheels on the road when the captain calls for a run to the Cliff, to Ingleside, across the bay, to San Jose or to other points.

The following named were present: Samuel Foltz, Thomas F. Boyle, John Boyle, Ernest A. Helmore, Burnside Cromwell, Henry Bostwick, John P. Reynolds, A. Wilson, L. Marshall, P. P. Grace, T. Garrett, H. Schmitz, W. Schmitz, A. F. Smith, E. Winfield, A. Boyle, Harry W. Spalding, G. W. Wenzel, Fred Voltz, F. Hochreider, H. Moore, Ernest C. Stock, D. Brady, M. D. Orr, W. Hinchcliffe, H. Fisher, P. Malone, John Haskins, Frank Richardson, Ike Wilson, W. Doran, J. G. Boyne, W. Campbell, F. Mulholland, Tom Gregory, George A. Helmore, J. H. Goldman, J. L. Davidson, W. O. Hyatt, George Walton, F. E. Livingston, W. Bowen, J. Hearne, George Thompson, L. Mayer, C. Judah, D. Foltz, E. Best, Mike Lynch, Harry Hammond and J. Phillips.

The meeting was called to order by T. F. Boyle, who stated that one of the objects of the club was to bring into closer companionship the men working in the different departments.

Samuel Foltz was elected president and Ernest A. Helmore secretary, after which a constitution and by-laws were adopted. Ernest C. Stock was elected vice-president; Thomas F. Boyle, treasurer, and H. W. Spalding, captain. These officers, together with the president and secretary, will constitute the board of trustees.

The Park Cyclery, in which The Call Club was organized.

The question of emblem, cap and sweater was called up, but it was decided not to take any action until the next meeting, when others who expressed a desire to join the club will have an opportunity to offer suggestions.

One suggestion for an emblem is two quill pens crossed, having resting on them a wheel and the name of the club.

During the afternoon the members of the club were shown over the new cyclery by Mr. Trueworthy, who has built one of the most extensive ones in the City and who is completing arrangements to build San Francisco bicycles.

At the close of the meeting a vote of thanks was tendered Mr. Trueworthy for his courtesy, and then Captain Spalding ordered an informal run to the Cliff. Twenty of those present answered, and forming into line made a splendid run through the Park to the beach and back.

George T. Hill, foreman of the stereotype department, who tips the beam at 230 and is anxious to become a rider, was placed on a wheel, and with the assistance of two men to hold him on either side he succeeded in making the circuit of the cyclery. He says he will have a wheel specially built for him on the lines of the one constructed for Henry Martin of the Native Sons.

SOCIAL EVOLUTION.

Rev. Leslie W. Sprague Preaches With Special Reference to Benjamin Kidd's Book.

Rev. Leslie W. Sprague preached last evening in the Second Unitarian Church to a large congregation on "Social Evolution," with special reference to "Kidd's Social Evolution," and took for his text, "From out of the heart come the issues of life."

The reverend speaker said that man was a social being, and that social life was primarily one of sentiment; that feeling more than thought determined our attitude toward each other, and that prejudice and pride separated nations. Man because he is emotional was religious, and religion became one of the strongest elements in his social evolution.

cause the book is an epoch book, and fourth, because primarily there is a great lesson in the book for the Unitarian church. The same laws that act in nature operate in human nature and the same laws that govern individual man govern society—the lower races give place to the higher, the weaker to the stronger and the ignorant to the wiser.

He returned to the arguments in Mr. Kidd's book, and said that in all there is plenty of food for thought and much ground for discussion. He also paid some attention to the religious problems of the book, and asked whether Mr. Kidd was not right when he set forth that people need an ultra-rational sanction, while religious writers would call faith or trust in God.

The speaker held that Mr. Kidd was in danger in some parts of his book of falling into great evil, that of supposing that religion must be maintained because of its sociological utility. This, he declared, was the most fatal defense ever brought to the church.

HIT WITH A CLUB.

Result of a Row in a Saloon on Howard Street.

There was a free fight in the saloon under the St. David's House, on Howard street, near Third, about 3 o'clock yesterday morning. George McKinney, 1015 Seventh street, West Oakland, and George Dicer, a teamster, also of West Oakland, after the fight was over, were taken to the Receiving Hospital in the patrol wagon. McKinney had several wounds in his scalp pressed and was able to leave the hospital. Dicer had an ugly wound in his

scalp and another over his eyebrow, and he was detained, as it was thought that his skull was fractured. John Dolan, an ex-policeman and expert marksman, was placed under arrest and will be held pending the result of Dicer's injuries. It is asserted that Dolan had a heavy club over Dicer's head. Dolan has a case of assault to murder against him in the Superior Court and he was out on bonds. About two months ago, during a row about a woman in a saloon on Howard street, he shot a man, but claimed it was in self-defense.

CRICKET OVER THE WATER

The Bohemians Defeat the Pacifics on the First Innings.

While the B Division of the Alamedas Score a Victory at Mill Valley.

The picturesque cricket field at Klink-nerville was the scene of an interesting match yesterday between the Pacifics and Bohemians. The latter club was victorious by 46 runs on the first innings, but the game was by no means a hollow one. Losing the toss, the Pacifics went first to bat, and put together 86, of which Mutch contributed the largest total. The Bohemians have to thank their veteran captain for their overtopping the score as they did. He went in first and with one chance put up 58 in great form. It was clearly a case of "too much Robertson." Pollock played a good innings of 22, and Irwin's 15 not out was well deserved. The Pacifics played a second innings of 97, to which E. D. Brown contributed 32 in excellent form. The fact that the Pacifics scored no more than they did is to be attributed to the superb bowling of Dr. Bowhill, who managed to achieve 5 wickets in as many overs. The outfield feature of the game was Meyer's catch of Martin at point. The score:

PACIFICS—FIRST INNINGS. J. Meyers b. w. b. Robertson..... 23 E. D. Brown c. Martin b. Cookson..... 32 C. Gardner b. Robertson..... 8 H. Mutch b. Robertson..... 2 G. Theobald b. Robertson..... 2 H. C. The B Division of the Alamedas easily defeated the Mill Valley Club at Mill Valley by 149. The home club went in first, and with the exception of Jones, were dismissed without a double figure being made. Price and Peled off for the visitors. The former made 60 with good batting; Bird got a half century, and was caught splendidly by Bird at mid on. The Mill Valley men started a second innings, in which they put up 63 for 4 wickets, Brooks contributing 43 not out. Following is the score:

CONGRESSMEN AT ALASKA.

G. W. Smith of Illinois and D. W. Mercer of Nebraska Return From the North.

G. W. Smith, who represents the Twentieth Illinois District in Congress, and his wife and niece, and D. W. Mercer, a representative from Nebraska, and Mrs. Mercer, arrived here yesterday from Alaska, where they had gone on the same steamer with Vice-President Stevenson and his party. They state that the health of Miss Stevenson, on account of which the trip was taken, is much improved.

Mr. Smith, speaking of the chances of getting the Republican National Convention held out here next year, said: "If a united effort is made by your people in this way, and there is a strong inclination to do so if the obstacles can be overcome. The cost is the main objection, of course."

NEW FIVE-MILE RECORD.

J. G. Hurley of the Alameda Cyclers Rode the Distance in 11:35.

J. G. Thorn Won the Race, Which Was Notable for the Fast Times Made.

The Alameda Cyclers held a five-mile handicap road race yesterday over the straightaway course from San Leandro to Hayward, and that it was a great success is attested by the fact that one of the riders lowered the coast record for the distance

to 23-25 seconds. He is J. G. Hurley, a youth of 17 years, and he covered the course in 11 min. 35 sec. The best previous acceptable performance was P. G. Alexander's time of 12 min. 3-5 sec. made from San Mateo to San Carlos last June.

The Alameda Cyclers is a new club and this was its first race, but it is evident from the time given below that the club possesses some very speedy men, as all the times made are fast and four are under the old record.

Hurley, who made best time, had never ridden in a race of any kind on the track or road before. His record is official, as the requisite number of timers were at the start and finish. The weather and roads were more favorable for fast time than ever before over this course.

J. G. Thorn won first place with a two-minute handicap. The following table shows the positions at finish, handicaps and net riding time:

Table with 3 columns: Contestants, Handicap, Net riding time. Includes J. G. Thorn (2 min, 12:06), F. Mailott (2 min, 12:43), L. A. Adam (1 min, 12:55), F. Thomas (1 min, 12:12), E. E. Graham (1 min, 12:40), W. M. Ramsey (1 min, 12:01), J. P. Thorn (2 1/2 min, 14:18), J. Armstrong (Scratch, 12:26), J. King (Scratch, 14:40)

The timers at the finish were H. L. Halsey, P. E. Browning and B. A. Goddard, Scorers, V. A. Todd and D. T. Pratt.

The club is very much elated over the success of its first race and will hold another before long.

ANOTHER BURGLARY.

Levin Bros.' Store Visited by Professional Cracksmen.

For several months past the police have had practical evidence of the fact that a gang of professional cracksmen have been operating off and on in the City.

About four months ago a safe in one of the offices in the Odd Fellows' building, on Seventh and Market streets, was tampered with, but the cracksmen were unsuccessful in opening it. On the night of July 4 the same thing was done with a safe in a store on Montgomery street, with a similar result.

Early yesterday morning the cracksmen visited the wholesale and retail grocery of Levin Bros., 1824-26 Market street. They climbed over the fence in the rear and forced open the door of the store immediately above, which was occupied by a vendor of patent medicines. They cut away the plastering on the wall between it and Levin Bros.' office, and used a brace and bit to make a hole in the boards large enough to enable them to pass through.

Once inside the office they commenced operations on the safe. They drilled a hole with a 3/4-inch drill straight for the "dog" of the combination, but the drill had apparently broken or had been too short as a 3/4-inch drill had been used after a portion of the hole had been made. A charge of powder had then been inserted in the hole and exploded, but it was not powerful enough to blow off the "dog."

They had made no other attempt to force open the safe and it is thought that something had happened to scare them away. Even if they had succeeded in forcing open the outer door of the safe they would have faced an inside steel door which was locked and would have given them considerable trouble to open.

They did not appear to have taken the trouble to enter the store, but contented themselves with trying to open the safe in the office which is in the rear. If they had succeeded they would have secured \$200 for their trouble.

men had been scared away, the detectives ascertained that Matt Dunn, who has a saloon adjoining the store, looked up the saloon about 4 o'clock yesterday morning, and when outside he and three or four friends stood talking for about ten minutes. The detectives think that the cracksmen, hearing the voices and not knowing that they might be those of police officers, concluded to quit the job, and made their exit by the same way they entered.

Detective Bohlen thinks that the men are the same that broke into the postoffice in San Diego about a week ago, forced open the safe and emptied it of its contents. After the job on Montgomery street on July 4 they had not operated in this City since yesterday morning, and the presumption is that they left the City and went south.

STRECKER IS THE KING.

Fine Rifle Scores Made by the California Schuetzen Club.

McLAUGHLIN'S GOOD SCORES.

The Verein's Annual Shooting Festival Was a Success—The Ladies' Scores.

A. Strecker won the title of Shooting King at the annual prize shoot of the California Schuetzen Verejn, held at Schuetzen Park yesterday. Strecker, while satisfied with the honors recently won in the East, thought that it would not do to return to his home and lose the title that every German rifleman desires most of all, so he ran up a score of 221, out of a possible 250, in ten shots on the ring target.

The annual contest began a week ago yesterday, when a number of fine scores were made, but there were so many marksmen to shoot that it required two days to finish.

Nearly \$2000 in prizes was offered, and as the shoot was open to all, nearly every German in the City handy with a rifle faced the targets to compete for prizes and honors. The affair was a success in every way and the club will not lose anything, for all a large number of prizes are money.

On the main target the first prize was won by Dr. Rogers with 77; second, J. Utchig, 76; third, Mr. Glindermann, 76; fourth, J. Utchig, Jr., 76; fifth, C. Thierbach, 75; sixth, D. W. McLaughlin, 74; seventh, A. Ehrenpfort, 72; eighth, J. Utchig, 72.

As stated Strecker won the title of shooting king, his score standing: 24, 25, 20, 22, 21, 22, 20, 23, 23, 21—221. McLaughlin's score was 218, W. Glindermann 216, P. Brunotte 214.

The general target the following good scores were made out of a possible seventy-five points: R. Finking 65, P. Brunotte 65, O. Meyer 65, A. Bertelsen 65, H. Enge 65, Dr. Muffe 64, J. Leeman 64, D. W. McLaughlin 64, A. Behrs 62, A. Ott 62, P. Jacoby 62, William Ehrenpfort 61, A. Strecker 61, Charles Thierbach 61, A. Ehrenpfort Jr. 60, R. Langer 60, J. Stanton 60, H. R. Brown 58, J. Utchig Jr. 58.

Members of the Ladies' California Schuetzen Club were out in full force and made a number of remarkably good scores. In the champion class Mrs. John Utchig made the highest—20, 24, 23, 23—80. The first class medal was not won as no one made the required 100 points.

Miss Kate Utchig won the second class medal with this score: 22, 24, 19, 23—112. The ladies made the following scores on the honorary target out of a possible 75:

Table with 2 columns: Name, Score. Includes Miss Kate Utchig (25 23 24 22), Mrs. Kelly (21 25 26 21), Mrs. Schuetzen (24 24 22 22), Mrs. Sagehorn (24 24 22 22), Mrs. J. Utchig (22 24 24 28), Mrs. M. Schuetzen (22 24 24 28), Mrs. Attinger (23 24 20 26), Mrs. Eging (20 24 20 24), Mrs. Schumann (21 23 19 23), Mrs. Davidson (15 15 15 15), Mrs. Finkling (15 15 15 15), Mrs. Keppeler (24 23 10 27), Mrs. Strecker (16 17 22 25)

SPORT AT SHELL MOUND.

Team Shot From All Batteries and Field and Staff Officers.

The Event Calls Out a Large Attendance of Those Interested in the Rifle.

The rifle and pistol shooting recreation at Shell Mound Park yesterday was of a more than usually interesting nature. The main event of the day was a team shoot composed of twelve of the best shots, selected from the battery of the State. Beside the usual ranks represented there was a team from Napa and one made up of the field and staff, which entered into the contest with a zest which rendered the day's shooting most enjoyable. The prize shoot was a fine silver cup, presented to the winning team by G. W. Foster of the Northern Pacific Railroad. The scores made by the several teams were as follows:

Battery C, Captain Charles Roston, made the following scores: Huber 43, Strippel 41, Sheehan 41, Golly 41, Ringen 41, Moore 40, Viebrook 40, De Bernardi 39, Kalman 39, Driehmann 38, Ringen 38. Total, 482.

Battery D, Captain Jordan, made the following scores: Blawat 41, Clark 39, Holsten 38, Gambella 38, Zobel 38, Boat 35, Sherwood 35, Moody 35, Jordan 33, Rosenthal 25, Doshier 24, Sheridan 15. Total, 398.

Battery E, Captain Cunningham, made the following scores: Brunotte 44, Ustachig 43, Renbold 42, Maguire 42, Botteron 42, Seiler 42, Cunningham 41, Rose 41, Ditters 35, Amark 38, Barley 35, Hardy 35. Total, 485.

Battery F, Captain Jenks, scored as follows: Connor 40, Dresser 39, Nipper 39, Irving 38, Harkes 37, Brown 37, Crook 38, Little 35, Turion 34, Moore 32, Field 30, H. Turion 29. Total, 462.

Battery G, Captain O'Neil, the score was as follows: Gaston 39, Farham 37, Cobby 36, Thompson 36, Trodham 36, Batschler 36, Murphy 35, Stroth 33, Nelson 33, Rivers 32, Reay 30, Aybren 27. Total, 409.

Battery H, Captain R. Brewer, made the following score: Wall 42, Owens 40, Olmstead 39, Maher 39, Barrows 39, Brewer 38, Dally 35, Murphy 35, Carrell 34, Casey 33, Sillman 31, Nolan 26. Total, 431.
