TRIP THROUGH PALESTINE

Rev. P. J. Cummins Tells a Pleasing Narrative of His Pilgrimage.

BEFORE THE CATHOLIC UNION.

A Large Audience Entertained by the Illustrated Story of the Holy Land.

GONE TO KENTUCKY.

H. E. Huntington Said to Be on His Way to That State as a Lobbyist.

H. E. Huntington, vice-president of the Southern Pacific Company, left hurriedly for the East a few days ago.

From a trustworthy source in the railroad offices it was learned yesterday that Mr. Huntington had gone to Kentucky on business of the utmost importance to the railroad corporation.

"H. E. has been ordered to the capital of Kentucky," said the Southern Pacific official. "His orders, of course, came from C. P., who has more than he can attend to at Washington just now."

Huntington was manager of a Kentucky road and is on good terms with many prominent men in that State.

"I believe that he will appear among the members of the Kentucky Legislature in a day or two. It is a matter of the most urgent necessity that action be taken in that quarter without any delay, or else the company may not be able to wrestle with the bill recently introduced to revoke the Southern Pacific charter."

I am told also that Mr. Stubbs is on an important mission in connection with the funding bill, but that is all I can say. Those matters have been kept exceedingly quiet in the building, and that fact in itself has given rise to considerable talk among the heads of departments as well as among the clerks.

FLED TO SAN FRANCISCO.

Emil H. Popel, an Absconding St. Louis Cashier, Hunted by Detectives.

He Is Charged With Embezzling \$8000 From the New York Life Insurance Company.

Half a dozen detectives are hunting throughout San Francisco for a notorious embezzler from St. Louis, who is known to be in this City.

Every poolroom in town is sedulously watched, and the detectives are also keeping an eye on the race-track at Ingleside and the Bay District and at downtown resorts where gambling of any kind is conducted.

The fugitive so eagerly sought is Emil H. Popel of St. Louis. Popel, it appears,

WHO OWNS GERALDINE?

A Problem in Horse Trading Partly Solved by the Supreme Court.

The Mare Belongs to Williams Unless Ashe Will Pay His Debt to Kelly.

The Supreme Court has decided that Thomas H. Williams is entitled to the possession of the horses which he has been selling for possession of. Either that or Kelly will have to pay the horses, sold by Williams, their value.

The horses are Geraldine, Don Fulano and four yearlings. They were first transferred from Ashe to Mike Kelly-Ashe says in security for a debt of \$4000.74 which he owed Kelly and Kelly says in satisfaction of the debt and as an absolute transfer. Anyway Kelly sold the horses to Williams, their value.

Some time, until one day Ashe and some friends took Geraldine from the track stables and rode her off and at the same time got possession by other means of the other horses, which were in Sacramento. Williams then brought suit to recover possession.

The Superior Court, by verdict of jury, awarded possession of the horses to Williams until Ashe should pay to Williams the amount of his debt to Kelly. It was decided that Williams stood in place of Kelly, who had held the horses as security, and consequently Williams was in the same position. Ashe was given thirty days by the Superior Court to pay the money or give up the horses, and as this time has expired and has not been extended it is probable that Williams will get the horses.

Just now the children are in court, and the suit has been dragging along on demurrers until yesterday the main issues were presented for trial. The suit is for \$50,000.
