SANTA CRUZ, CAL., June 20.—There can have been no fiesta in all the State of California to exceed in attractiveness of feature and successful accomplishment of detail this Santa Cruz Venetian Water Carnival. There has never been a week in the history of this city when the summer days were more beautiful or the nights more charming. Monterey Bay was never so calm and pretty as it has been for these four carnival days. There have never been happier people assembled for a holiday than have come here this week. From Wednesday noon until Saturday midnight the pleasures of the visitors have been unbroken. For the trustees of the Carnival Association there have been weeks of labor, but for the people there has been nothing but pleasure. Beginning with the coronation of Queen Josephine and ending with the maskers' burlesque, there has not been an hour without its attraction.

On this last day Queen Josephine and her maids visited the Philadelphia. Admiral Beardslee expressed his admiration for the queenly way in which Miss Turcot ruled her happy subjects and gave a luncheon to emphasize his good will toward the people whom the Queen so well represents. Most of the suite accepted the hospitality. It was visitors' day aboard both ships, and the bay was dotted with small craft from early morning till late in the evening, carrying thousands out to inspect Uncle Sam's men-of-war. The Spreckels yacht Lurline, which arrived early this morning, the Ramona and Captain Bruce's pretty White Rover also drew many admiring visitors.

These scenes on the bay have been a part of this grand carnival, and have added much to the pleasures of a week which will be long remembered by every visitor to Santa Cruz.

In the glare of a myriad of lights and to the bewildering blare of a chimes band King High Jinks Strauss and his gracious Queen floated up the lake and went gaily to the throne so recently vacated by her more graceful but no more gracious Majesty Queen Josephine. Roncovieri played music appropriate to the occasion, the populace yelled and hallooed until the noise was deafening, the Queen did a dance before the throne and the jinks was on.

Upon the lakes were a hundred gaily decked floats, laden with motley crews of ridiculously togged humans, not one of whom showed a tendency to preserve the peace and quiet of the dominion. But peace and quiet were not expected, as the Queen indicated when she lumbered down from her step-ladder throne, summoned her whole retinue and, to the music of a popular air, led them through a drill and dance in which there seemed to be as many drum-majors as burlesque soldiers. The great audience enjoyed the fun and with their tin horns joined in the noise

and did. The maskers left their floats, attacked the throne, and with the King and Queen borne aloft on their shoulders joined in the mad dance of the courtiers.

All of this was preliminary. After the decidedly noisy ascent to the throne the real fun of the evening began with a ballet by the maids of honor. Premier Danseur Fred Howe set the pace. They danced until Roncovieri began "The Sidewalks of New York," and then gave way to the Queen, whose dance was scarcely started when a fire broke out in the big tenement next the throne.

The whole court, attracted by the agonized cries of the inmates, fled to the rescue. The local Fire Department, however, got there first, and gave an excellent exhibition of the way their work is done. Roncovieri accompanied the spectacle with appropriate illustrated music. The volume of applause was swelled by a mad-

dening burst of fractured harmony from the Chinese band en masque upon a barge on the river.

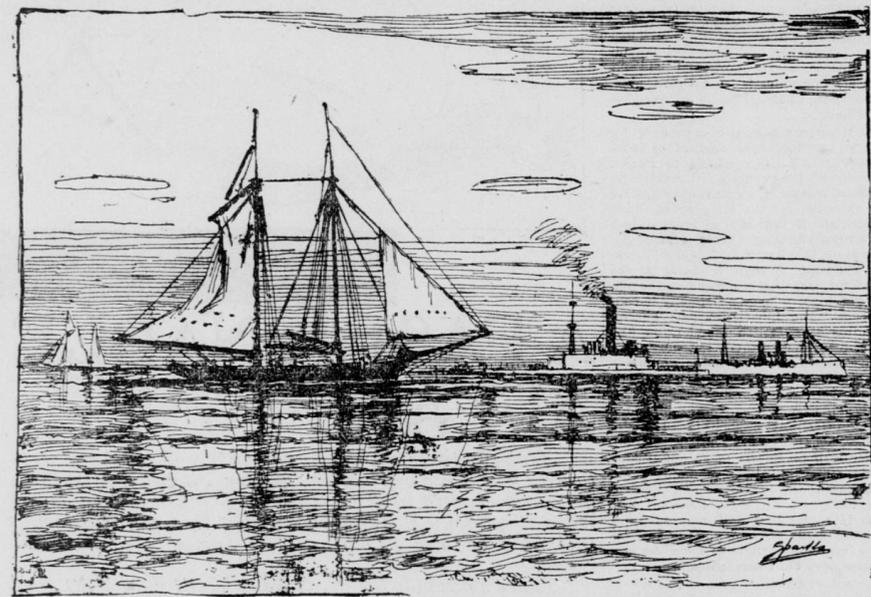

Then began the fireworks, and a beautiful pyrotechnic display it was, interspersed by funny specialties before the throne.

At 10 o'clock Chief Hornblower Alzina with his out-of-tune musicians led the merry party of maskers to the carnival pavilion, where everybody on the great dancing floor was in costume. They were not all burlesquers either. Many of the ladies and gentlemen wore suits that were handsome and made a pretty contrast to those of the odd-looking members of King High Jinks' merry following. After a grand march they danced away the night, and thus ended the great carnival that has been so successfully conducted by the enterprising gentlemen and ladies who have had it in charge.

**ARRIVAL OF THE LURLINE.**  
Commodore Spreckels' Yacht Puts In at Santa Cruz.

SANTA CRUZ, CAL., June 20.—The first sound the residents of Santa Cruz heard this morning was the booming of big guns. Hundreds were already up, but a great many more were stealing another wink of sleep from which they were rudely awakened. Some thought the two men-of-war were firing some sort of a salute and that they were missing a portion of the programme.

It was not long before a crowd gathered on the beach and saw John D. Spreckels' pretty yacht Lurline riding at anchor not

far from the two big warships. It was the small craft that was making all the noise, and she was a pretty sight with her tall, graceful masts piercing the morning mists and the wreaths of bright blue smoke from her guns curling around them.

The salute from the Lurline was answered by all of the other craft in the bay, and for a time there was a booming of cannon that sounded like a battle. In a short time a fleet of small boats put out to the new arrival and found that all was well on board.

The yacht Lurline left San Francisco Friday evening at 5 o'clock. There were on board: Adolph Spreckels, Captain Tom Watson, Alexander Swenson, W. S. Leake, John C. Lewis and John R. Dickey. The yacht made a splendid run, and was a few miles at sea just off Santa Cruz at 11 o'clock last night.

A lively head wind commenced to blow

pleasure of the afternoon, and the audience retired from the great pavilion pleased with the delightful performance. It was a happy conceit which led the carnival trustees to provide this addition to the fine programme of events. Indeed there is only praise spoken to-night of the whole affair from beginning to end.

**THE CALL'S THIRD SPECIAL.**  
Several Thousands of Papers Sold in Two Hours.

SANTA CRUZ, CAL., June 20.—The CALL's third special carnival train reached its destination in fifteen minutes less time than the one on Friday morning, thus breaking another record. The run was the easiest of the three.

Conductor Bradley handled his train in the best manner possible, and covered the distance without any great straining. As he has beaten his own time on each successive occasion, there is no telling to what he would cut the record if he kept up the work for a month.

Papers were more eagerly sought this morning than ever, and although several thousand were brought down, the supply was soon exhausted. The train got in at 6 o'clock, and in less than half an hour the most distant parts of the city had been covered, and the newsboys were waiting at the doors of the hotels.

Everybody wanted a paper. One of the boys cleared \$2 in an hour and a half's work.

"I wish THE CALL would send down a special train every day," he said. "It would be easy for us boys. It ain't any trouble to sell papers. All you have to do is poke them out, and the people hand you the nickel—sometimes a dime and don't want change."

## MEETINGS IN MANY TOWNS

## Enthusiastic Thousands Cheer the Champion of Protection and Prosperity.

STOCKTON, CAL., June 20.—Fully 2000 people gathered on the plaza to-night to listen to the speeches of prominent Republicans ratifying the nominations of McKinley and Hobart. The evening was

Ward clubs and hundreds of voters forming part of the several divisions. There were fully 3000 citizens in line.

A great silk banner, the gift of Captain Cressey to the McKinley Club, bearing a magnificent portrait of the Presidential candidate, was greatly admired by the throng of people who packed the sidewalks throughout the entire length of the procession route.

By 9 o'clock Hazard's Pavilion was packed almost to suffocation. Captain F. J. Cressey acted as chairman of the meeting and master of ceremonies. Able speeches were made by Hon. Henry T. Gage, Judge W. C. Colwell, Colonel Byron L. Oliver, Hon. George Reed and General A. B. Campbell.

**MOUNTAIN VIEW APPLAUDS.**  
Orchardists and Laborers Shout for Prosperity's Champion.

MOUNTAIN VIEW, CAL., June 20.—The ratification of the nomination of McKinley and Hobart for President and Vice-President, respectively, was most enthusiastically and fittingly celebrated last night by the Republicans of this place. Many people without the Republican ranks were present, and the name of the great protectionist was received with cheers. The orchardist and the honest laborer were present and testified unmistakably by their actions that they were eager for the chance to help the country in the hands of those who favor the protection of their homes and firesides.

The Mountain View brass band supplied the music. Captain Abbott and Amos A. Williams, had charge of the anvils and made the walking ring in honor of the standard-bearer. Several large bonfires lighted up the country around.

**SAN BERNARDINO REJOICES.**  
McKinley and Protection Cheered by Enthusiastic Thousands.

SAN BERNARDINO, CAL., June 20.—The McKinley-Hobart ratification to-night was a success beyond the most sanguine expectations of the most enthusiastic Republicans. At an early hour the hosts began to assemble. Four bands played and hundreds of torches flashed and blazed and the air was sulphurous with the powder from exploding bombs.

Several hundred shotguns, fired by volley and "at will," added to the racket, while Republicans from Redlands, Colton, Highland, Rialto and other localities made the walking ring with shouts and cheers for Republicanism and the ticket nominated at St. Louis.

The silver men vied with their gold brethren in yelling for the cause and the ticket. The pavilion in the park was filled with voters and excellent speeches were made by local speakers, and enthusiasm was aroused to the highest pitch. The imperial county of San Bernardino will give a good account of herself in November.

**SACRAMENTO CELEBRATES.**  
First Gun of the Campaign Fired in the Capital City.

SACRAMENTO, CAL., June 20.—The Republicans of this city participated in a grand outdoor ratification meeting to-night, under the auspices of the McKinley League and the Assembly district clubs. After a Presidential salute of twenty-one guns the meeting was called to order by George Clark, chairman of the County Central Committee, who introduced Senator Finn Gray as chairman of the evening.

Addresses indorsing McKinley and Hobart and the platform of the party as formulated at the St. Louis convention were delivered. The speakers were Robert A. L. Hart, Elwood Bruner and Robert Devlin.

This is the first gun of the campaign to be fired in this section, and active steps are being taken in the formation of clubs and other preparation incidental to a successful canvass of the county.

**CHEERED AT TULARE.**  
Mrs. Du Boise of Oakland Reads the St. Louis Platform.

TULARE, CAL., June 20.—The Republicans of Tulare ratified to-night in magnificent style the choosing of McKinley and Hobart. The meeting was called to order by Captain T. H. Thompson, who introduced John Twohey as chairman.

Mrs. Irene DuBoise of Oakland read the platform in strong and eloquent voice, the large audience frequently breaking into hearty and prolonged applause. The speeches of the evening were delivered by Hon. Wheaton A. Gray and Charles G. Lamberson of Visalia, and Senator A. J. Pedlar. Arthur R. Briggs presided. The mention of the names of the standard-bearers of the party was received with cheers and applause. A Presidential salute of twenty-one guns was fired in the courthouse park before the meeting.

**Fresno Approves.**  
FRESNO, CAL., June 20.—The Republicans of Fresno County held a ratifying meeting in this city to-night in ratification of the nominations of McKinley and Hobart. A platform for the speakers had been erected in front of the Grand Central Hotel, and a very large and enthusiastic assembly was addressed by Dr. Chester Lovell, M. C. Axtell and Senator A. J. Pedlar. Arthur R. Briggs presided. The mention of the names of the standard-bearers of the party was received with cheers and applause. A Presidential salute of twenty-one guns was fired in the courthouse park before the meeting.

**Yuba County's Indorsement.**  
MARYSVILLE, CAL., June 20.—An enthusiastic ratification meeting of Republicans of Yuba County was held this evening. Judge E. A. Davis, Colonel Forbes and W. M. Cutter were the speakers. A resolution was adopted as follows:

Resolved, That we, the Republicans of Marysville and vicinity in mass-meeting assembled, do congratulate the people of the Nation on the victory won in the convention recently assembled at St. Louis, that we heartily indorse the nominations made, and pledge our undivided support in the coming campaign and election to McKinley and Hobart.

**Visalia's Ratification.**  
VISALIA, CAL., June 20.—McKinley ratification meetings were held at all the principal cities and towns of Tulare County to-night. Armory Hall here was crowded. Addresses were made by Hon. J. W. Davis, A. J. Pillsbury and William Ratliff. The best of feeling prevailed.

**Indorsed by San Jose Veterans.**  
SAN JOSE, CAL., June 20.—The First Regiment, United Battlefield Veterans, at their meeting last night passed resolutions indorsing the nomination of McKinley and Hobart and the platform adopted by the National Republican Convention.

**KILLED AT SANTA CLARA.**  
San Francisco Runaway Youth Ground to Pieces by a Freight Train—Was Sleeping on the Track.

SAN JOSE, CAL., June 20.—An unknown man was run over and killed by a freight train at Santa Clara about 11:30 o'clock last night. The remains were ground to pieces and scattered along the track for a distance of fifty yards. He had been around Santa Clara for several days drunk, and it is supposed he laid down on the track while drunk and went to sleep. At the inquest this morning it was determined that the deceased was about 19 years of age. His parents live in San Francisco, but about eight months ago he ran away from home. His name is unknown.

**Contractor Fay Brings Suit.**  
SAN JOSE, CAL., June 20.—Charles W. Fay, a street contractor, has commenced suit against Caroline Barnes and others to have \$250 00 due for street work on North Third street, between Santa Clara and San Fernando, declared a lien on abutting property. A decree of sale is also asked for.

# A MOB FOILED AT ROSEBURG.

## The Slayer of Charles Rice Narrowly Escapes Lynching.

## TROOPS ORDERED OUT.

## By a Clever Ruse the Sheriff Lands His Prisoner at Eugene.

## DIXON'S BROTHER SAVED HIM.

## The Affair a Result of Last Sunday's Basebal Tragedy Near Blakesleys.

ROSEBURG, OR., June 20.—Upon the request of the Mayor, Governor Lord ordered out the militia here last night to protect Prisoner James Dixon, who shot and killed Charles Rice on the 14th, from mob violence. The order had the desired effect. The mob hearing that the jail was well guarded did not come. Sheriff Cathcart took the prisoner to Eugene for safe keeping on the north-bound overland. Having walked a short distance Cathcart signaled the train, and getting on board with his prisoner, was soon beyond the reach of the would-be lynchers.

The first intimation that an attempt would be made to lynch Dixon was last night when John Dixon, a brother of the murderer, rode into Roseburg and informed the Sheriff that a large mob was forming at Blakesleys, the scene of the crime, with the intention of proceeding to Roseburg and demanding the prisoner.

The Sheriff and his deputies at once made preparations for defending their charge, but at last fearing that the mob would be too strong for them to cope with a consultation was held with the Mayor of the city, which resulted in a request being made upon Governor Lord for aid.

The crime for which Dixon is awaiting trial was the murder of Charles Rice at a ball game near Blakesleys last Sunday. The two young men were old enemies and their quarrel was reopened over a decision concerning the game when, after a few hot words between them, Dixon drew a revolver and fired twice at Rice, both shots taking effect and resulting in the instant death of the young man.

**ACCIDENT OR MURDER?**  
Two Miners' Bodies Brought Into Bakersfield From Gorman Station.

Said to Have Been Killed by a Cave, but Circumstances Warrant Investigation.

BAKERSFIELD, CAL., June 20.—Three men arrived here this morning with a team from Gorman station, in the mountains, some seventy miles southwest of here, bringing the bodies of David Menzies and William or Charles Lomax. They said that both men were working in a mining tunnel 200 feet long when it caved and both were killed.

The accident was discovered by their not coming to supper, and investigation disclosed their bodies in the tunnel, buried beneath a quantity of rock.

It was given out that an inquest had been held, and the men wanted the bodies buried immediately and without examination. They had no death certificate, however, and the undertaker refused to inter them.

The coroner was notified, and on investigation it was found that the accident occurred a short distance over the line in Ventura County. The coroner of that county had been notified and had telegraphed that he would attend to the case, but without waiting for him the bodies were brought here.

On further investigation it was ascertained that Menzies had been to the District Attorney here three times lately and said his life had been threatened because of quarrels about the mine and water, and that no one need be surprised if he was killed at any time.

Menzies is an oldtimer here and has many friends.
