

TO PLAN A HOT STATE CAMPAIGN.

Republican Leaders Are Gathering for Important Conferences.

OUTLINING THE WORK.

The State Executive and Central Committees Will Open the Campaign.

SPEAKERS AND LITERATURE.

Congressman Lou's Renomination at the Convention To-Morrow Seems Certain.

Today and to-morrow the Republican leaders of the State will hold important conferences, decide when and how the State campaign shall be opened and outline the work to be done.

This afternoon the executive committee will hold a meeting at Golden Gate Hall, and to-morrow afternoon the State Central Committee will meet at the same place.

There is little to be said in advance of the meetings," said Chairman Frank McLaughlin last night. "The work of the literary committee in the preparation of campaign literature, the selection of speakers, the raising of campaign funds and some such business matters will be taken up. I expect a large attendance and that there will result a general infusion of still more Republican enthusiasm."

Jacob H. Neff of California was one of a number of committee members from the interior who arrived yesterday.

H. Z. Osborne came up from Los Angeles a day in advance of the other members who will attend and he informally took hold of the affairs of the executive committee of which he is an important member. Mr. Osborne reported that the Southern California auxiliary executive committee, which is to be composed of the members of the executive committee from each of the counties, would soon be organized and at work.

"The committee has not been formally organized," said Mr. Osborne, "but it will be to-morrow, and we will organize and get to work right after the meeting of the committee here. We have already opened headquarters in the Westminster in Los Angeles adjoining the headquarters of the Sixth District Congressional Committee and the Los Angeles County Committee. The southern Democratic organization such an auxiliary committee two years ago, and I think that ours will be quite an advantage to the Republican cause."

"It is too early yet to talk very definitely about the political situation in Southern California, but our prospects are very bright. It is noticeable that a great many Republicans who got out and declared themselves for free silver at the beginning of the craze are now for McKinley. The longer the Republicans talk the silver question the fewer talk for free silver, and the more there are who realize what else there is in this campaign besides."

From all over the State come reports of the multiplication of Republican clubs and the early exhibition of campaign interest.

The indications are that Congressman Eugene F. Loud will receive nearly unanimously the Republican nomination for Congress in the Fifth District at the convention which will meet in Golden Gate Hall to-morrow.

County Clerk C. F. Curry has withdrawn from the race, and it was yesterday doubtful whether Julius Kahn would allow his name to go before the convention. Kahn is considering the advisability of becoming an independent candidate.

Loud has secured the practically unanimous support of the Santa Clara and San Mateo delegations, and this, with his record in the San Francisco delegation, makes the victory to appear completely his.

The army veterans of the Thirty-fourth District are organizing a big McKinley club under the leadership of Edward McCormick, Joseph Ecsy and others.

NEW REPUBLICAN CLUB.

The Spanish-American Citizens Organize a Strong Body.

A large number of young Republicans from the Spanish-American colony met last night in Judge Groezinger's courtroom for the purpose of organizing a Spanish-American Republican league.

The meeting was characterized by much enthusiasm, and speeches were made outlining a vigorous campaign for the club in the political field.

The meeting was called to order by R. Duckworth and A. de la Torre Jr.

This club will be the leading Spanish-American Republican organization in the city, and possesses men noted for their honesty and earnestness of purpose.

Addresses were made by C. W. Kyle, John Enos, Joseph Goddard and R. R. Duckworth. The following officers and committees were elected:

R. R. Duckworth, president; E. S. Espinosa, Henry A. de la Torre, E. N. Williams, E. Moreno, financial secretary; E. Moreno, treasurer. Executive committee—R. R. Duckworth, A. de la Torre, J. Goddard, H. Friedman, G. E. Muller, B. Castro and D. Tobias.

Finance committee—J. Robles, C. Ewing, J. Silva, R. A. Martinez, George Cohen. Sergeant-at-arms—John Rivas. Committee on by-laws—B. J. Jones, J. Silva, E. Burke.

Committee on membership—A. de la Torre Jr., A. Alfrede, J. M. Martinez and C. Torres.

"It is the intention of the club to have a large drill corps. A. de la Torre Jr. was elected unanimously captain of this uniform club.

The Spreckels Club.

The Spreckels Republican Club of the Thirty-third Assembly District was organized last evening at the Mission Athletic Club rooms, corner San Bruno road and Army street. William P. Doran of the Twenty-ninth District was requested to call the meeting to order and the following officers were elected: President, J. J. Dewey; vice-president, John Kidney; secretary, P. Sullivan; treasurer, Thomas Barry.

Executive committee—Thomas McFarlan, J. J. Murphy, Thomas Hartman, James Moran, Thomas O'Brien. Sergeant-at-arms—Joe McLaughlin.

On motion of Thomas Barry, McKinley and Hobart were endorsed as standard-bearers and John D. Spreckels as National delegate. Speeches were made by Thomas Barry, William P. Doran, John Kidney and others. Sixty-nine members signed the roll. Before the next meeting the club

expects to have a membership of over 300. (Great enthusiasm prevailed when Thomas Barry made the motion to name the club the Spreckels Republican Club of the Thirty-third Assembly District. The meeting adjourned to meet again next Thursday evening.

For McKinley and Hobart. The Thirty-third Assembly District Republican Club held its second meeting at Eleventh and Folsom streets Wednesday night. A huge bonfire blazed on the street and the hall was crowded to the doors. A number of new members signed the roll, making a total membership of 200. Speeches were made by P. Corkery, Captain James Murray, Louis Barry and E. Nolan, and songs were rendered by Messrs. Kelley and Marlow, William Johnson and Thomas Riley. The meeting adjourned with rousing cheers for McKinley and Hobart and the Republican party.

Younz Men's Republican League. The Young Men's Republican League met last night in Judge Kerrigan's courtroom, with a large attendance. The principal matter discussed was the consideration of a suitable uniform for a drill corps in connection with the club. President Frank Spencer was in the chair. It was reported the league was rapidly increasing in strength and membership.

SWANBERG ARRESTED.

He Will Be Brought From Chicago for Trial.

A dispatch was received by Chief Crowley yesterday morning from Chicago that Charles O. Swanberg had been arrested. The necessary papers for his extradition were immediately prepared, and Detective Ross Whitaker will leave with them this morning for Sacramento to get the Governor's signature to the warrant. He will at once proceed to Chicago to bring Swanberg back.

Crittenden Thornton, the attorney for the Corvieve estate, has deposited \$500 with Chief Crowley to cover the expenses of bringing Swanberg back from Chicago.

Captain Lees said last night that he had received word from Chicago that Swanberg was not so willing to return as H. W. Westphal would lead any one to suppose, and that he would likely apply for a writ of habeas corpus. The captain wired to the Chicago Police Department that Whitaker would leave at once with the requisition papers.

"I am inclined to believe," said the captain, "that there is something more serious in the case than the mere charge of perjury, although when it is looked into that is serious enough. When Swanberg testified that he did not know Corvieve, prior to August, 1893, it was done for a purpose and will be found very material."

"One fact is very plain, and that is some one has got away with the estate of Louis Corvieve. Of the \$75,000 in coin known to be in the possession of the old man shortly before his death not a dollar has been found. The estate funds have absolutely disappeared, and it is charged that Swanberg knows something about the disappearance."

"The allegation is made to us that Swanberg and Westphal got the money out of the old man during his last illness. Whether that be true or not, the case demands the fullest investigation."

DAUGHTERS OF ST. GEORGE

Their Entertainment of the Delegates to the Recent Convention.

An "Evening at Home" Made More Enjoyable With Mirth, Music and Recitations.

The Daughters of St. George held their "evening at home" last night in the hall of the St. George Club at 317 Mason street. The particular occasion of the entertainment was the desire of the ladies to meet socially the delegates from the Pacific Coast who attended the annual convention of the Sons of St. George, which closed Wednesday night.

Those ladies having affairs in charge were: President, Mrs. J. B. Staples; vice-president, Miss Alice Wytis; financial secretary, Mrs. Helen Williams; treasurer, Mrs. Whitman; recording secretary, Mrs. G. Mulliner; first conductor, Miss Ella Meadows; second conductor, Mrs. Frederick Wassman; past president, Mrs. Ackerson; chaplain, Mrs. Hewitt; chairman, Mrs. C. H. Mitchell, and Mrs. Hanks.

The beginning of the evening was devoted to a vocal and instrumental programme, as follows:

Vocal solo, Miss Theresa Whaley; recitation, Miss Bessie Hays; instrumental solo, E. Herbert Waters; specialties, Miss Ella Meadows and Professor Charles F. Graber; song, Mrs. Alice Foulton and William Austin.

The organization of the Daughters of St. George consists of eighty-five members. It

GAY SAUSALITO'S BRILLIANT NIGHT.

The Fete to Take Place the Evening of September 19.

CITIZENS ENTHUSIASTIC.

C. C. Bruce Unanimously Chosen Chairman of the Carnival.

J. H. PRYOR IS THE SECRETARY.

"A Night in Sausalito" Is to Be the Greatest Event of the Bay Town.

When Sausalito turns on the lights for her "Night" on the evening of September 19, her sister bay-towns will be all the darker for the great glow that will spring

Commodore C. E. Bruce, Chairman of the "Night in Sausalito" Carnival Committee.

rom her hills and waterfront. "Belvedere's fete was splendid, but the citizens of her neighbor are determined to outdo her in splendor if possible.

The idea of a fete originated with C. C. Bruce and Editor J. H. Pryor of the Sausalito News. Other towns, they contended, had got up successful carnivals, and why not Sausalito. Her highlands and her beautiful waters would be the place for an illuminated display. Colored signal fires on the peaks would flash far over the bay and countless lights from the houses and from the shipping would complete the wonderful scene.

Consequently a mass-meeting was ordered, at which the preliminary steps would be taken toward carrying out the idea of an ideal Sausalito night carnival.

At 8:30 last evening a brass band took its station at the door of the Town Hall and presently martial strains were floating over the hill, the front and the bay. All Sausalito gathered there and the hall was filled to the doors. The principal citizens of the place and a number of ladies occupied seats near the chairman's stand. If any one doubted the spirit that actuated that crowd, the number and enthu-

si-ism apparent there surely cleared away these doubts. Sausalito generally divides herself in four parts—the hill, the front, the north and the south—and on ordinary quarters, but last evening she was a committee of the whole and working for the "night."

The meeting was called to order by J. H. Pryor, who proceeded without any delay to call for the choice of a temporary chairman. General Dickinson was unanimously nominated.

The general took the stand and stated that a "night in Sausalito" would be one not eclipsed by a night elsewhere. The town is so situated that a carnival or any-

thing of that nature could not but be a success.

"I am heartily in accord," said he, "with the movement as planned by its originators, Messrs. Bruce and Pryor. I understand that the project has already been encouraged by financial backing. With this difficulty overcome we can now go ahead and pull together and make 'A Night in Sausalito' one of the grandest occasions known in the festivities of the State."

Upon the suggestion of General Dickinson, Mr. Pryor was chosen temporary secretary and afterward made the permanent secretary.

C. C. Bruce was elected temporary chairman of the meeting, and took his seat amid great enthusiasm.

Upon the motion of General Dickinson an executive committee, of eleven, from which a financial committee will be taken, was appointed.

It was moved as an amendment that the committee be increased to twelve that three could be chosen from the four divisions of the place—the hill, the waterfront, the new and the old town. This was strongly opposed as there should be no divisions in the work, but all should labor in unity.

Attorney T. J. Crowley, upon being invited to speak, stated that although he was a resident of San Rafael he was in touch with the idea, as were many other people of the county seat.

Other persons present spoke earnestly in favor of the proposition, pledging their hearty support, and all in the hall expressed themselves heartily in support of the project.

Chairman Bruce stated that he would, within the next few days, appoint the different committees and that all present might know that the "night" was already assured, he suggested that Saturday evening, September 19, would be a fitting time for the carnival, and it was unanimously agreed to set that evening for the fete.

In fact so enthusiastic was everybody that none dissented to any proposal, and

The quarterly meeting of the German General Benevolent Society was held last night at Druids Hall on Sutter street, above Stockton. The meeting was well attended and considerable interest was manifested in the proceedings.

The report of President Brommel for the quarter ending June 30 showed that the society was in a very satisfactory condition both in the number of members and the finances. The receipts for the quarter amounted to \$29,451.77 and the expenditures \$22,273.37, leaving a balance of \$7,178.40. The cash on hand on June 30 amounted to \$11,340.88, as against \$9,787.39 at the end of the preceding quarter.

A vast amount of charitable work has been carried on by the society during the past three months. Relief has been given to 275 men and 134 women, in addition to 190 families that have been aided. In 604 cases of charity \$2,375.35 has been expended. In the drug-store managed by the society 2107 prescriptions have been furnished, and several patients without means treated at the hospital.

An encouraging increase in the membership of the society has taken place since the beginning of the quarter just closed. One hundred and forty-eight members have been added to the roll, as against 109 for the preceding quarter. The total membership on June 30 was 3207, as against 3097 at the end of March.

Several minor changes were made in the constitution upon the suggestion of the special committee appointed at the last quarterly meeting for the purpose. The changes related principally to the admittance of new members and admission fees. A motion was carried to establish a permanent fund from the payment of life-membership fees, to be used only in cases of necessity for building or some similar purpose.

It was also resolved to hold a festival or promenade concert about the end of October or the beginning of November in connection with the German Ladies' Benevolent Society. While the society hopes to benefit financially by such a festival the main object is to unite and interest the members of the society and the Germans of this City.

CLARKE MUST NEED MONEY.

The Counselor Sues the Police Commissioners for \$2,000,000.

Attorney Alfred Clarke, better known as "Nobby" Clarke, yesterday filed a suit against the individual members of the Board of Police Commissioners of 1894, which, should it be decided in his favor, would bankrupt every one of the defendants.

The suit is filed on behalf of Fred Frey, to whom twenty-six policemen who were discharged from the force on April 15, 1894, have assigned their claims against the City. There are also twenty-four more claims held in reserve. Forty thousand dollars damages is asked in each case, a total of \$2,000,000.

The grounds on which the suits are brought are that the policemen were "dismissed without any cause whatsoever, owing to the evil eyes, depraved minds and abandoned hearts" of the Commissioners. It is claimed that the dismissals were made at

YOUTH'S DIRECTORY FAIR.

The Work Already Done Indicates a Successful Festival.

Chauncey O'cott Will Give a Ben fit Performance for the Directory.

The work of getting up a fair and festival for the benefit of the Youth's Directory is proceeding successfully. There is a certainty that one theatrical benefit performance will be given soon to aid the directory, and there is a prospect of another. The festival will be held in Armory Hall for nine or ten days, beginning September 28 next.

A meeting was held last evening at which there was some pleasant discussion as to whether the ladies should be permitted to solicit patrons on the floor of the fair for the sale of exhibits, and the feeling of the meeting was that the ladies could be left to use their own discretion as to how far to go in this feature of the work.

When tickets were offered to be taken for sale for a blooded-horse and buggy and a grand upright piano, valued at \$600, a pretty girl floated forward, said she would take fifty and see if she had that many gentlemen friends. The blooded-horse and buggy tickets were all gone in a few minutes, but the piano tickets for the time being remained.

The principal feature of the meeting was the introduction of Chauncey O'cott, who is starring in the Irish play, "Mayooreen," acting Manager Eugene Schütz and M. J. Murphy of the company. They offered to give a benefit performance for the directory. This was accepted. A committee was appointed to arrange a date, and a resolution of thanks to Mr. O'cott and his partner, Mr. Pitou, was unanimously passed.

It being understood that Manager Morosco of Morosco's might lend an ear to a proposition for a benefit performance, a committee was appointed to see him, and the meeting adjourned for two weeks.

AN AGENT TO JAPAN.

Joint Meeting of Commercial Bodies at the Chamber of Commerce.

At a joint meeting yesterday of the members of the Chamber of Commerce, the Board of Trade and the Manufacturers' and Producers' Association John L. Howard was in the chair. The object of the meeting was to discuss the matter of sending a commercial commissioner to Japan.

It was decided to appoint a committee of seven to take into consideration the selection of an agent, who will then interview the merchants of this City with the purpose of enlisting their aid in this effort to secure the Japanese trade for San Francisco.

The chair was given time to appoint the committee.

CHARITABLE WORK DONE BY GERMANS.

Quarterly Meeting of the German Benevolent Society.

MANY FAMILIES AIDED.

Excellent Condition of the Finances of the Society at Present.

MEMBERSHIP MUCH INCREASED.

A Grand Promenade Concert to Be Given Some Time During the Coming Fall.

The quarterly meeting of the German General Benevolent Society was held last night at Druids Hall on Sutter street, above Stockton. The meeting was well attended and considerable interest was manifested in the proceedings.

The report of President Brommel for the quarter ending June 30 showed that the society was in a very satisfactory condition both in the number of members and the finances. The receipts for the quarter amounted to \$29,451.77 and the expenditures \$22,273.37, leaving a balance of \$7,178.40. The cash on hand on June 30 amounted to \$11,340.88, as against \$9,787.39 at the end of the preceding quarter.

AN AGENT TO JAPAN.

Joint Meeting of Commercial Bodies at the Chamber of Commerce.

At a joint meeting yesterday of the members of the Chamber of Commerce, the Board of Trade and the Manufacturers' and Producers' Association John L. Howard was in the chair. The object of the meeting was to discuss the matter of sending a commercial commissioner to Japan.

It was decided to appoint a committee of seven to take into consideration the selection of an agent, who will then interview the merchants of this City with the purpose of enlisting their aid in this effort to secure the Japanese trade for San Francisco.

The chair was given time to appoint the committee.

a "star chamber" session, at which the discharged policemen were not represented or given an opportunity to defend themselves.

This action on the part of the Commissioners is declared to be in direct opposition to article 14 of the constitution of the United States and to section 1979 of the Revised Statutes.

The result of the wholesale dismissal is said to have ruined the lives of the dismissed, to have taken the bread and butter from the mouths of their children and to have degraded them in the eyes of their fellow-citizens. For all of which anguish \$40,000 is thought to be a sufficient salvage in each case.

NOT A BRUTAL SPORT.

Admirers of Rabbit-Coursing Defend Their Favorite Pastime.

Lovers of rabbit-coursing are resolved to show the enemies of cruelty to animals that their favorite pastime is neither brutal nor unmanly. Wednesday a number of well-known society men interested in the sport got together for the purpose of talking over the feasibility of forming a club.

As yet no definite steps have been taken, but it is understood that a meeting for the purpose of perfecting an organization will be called at an early date.

"For my own part, I simply deny that the sport is brutal," said William H. Chenoweth, one of the local connoisseurs in the matter of fox terriers and rabbits and their mutual antipathies. "I know that some members of the Society for the Prevention of Cruelty to Animals, notably its secretary, have characterized these pastimes as the very essence of barbaric ferocity. We hope, however, in a very short time to show them that their ideas are warped and mistaken.

To begin with, the hares or rabbits will be given every chance to escape. The dogs used will not be cruel hounds, which rend and mangle any animal they may catch, but light, agile fox terriers. These dogs kill their prey at the very instant of nabbing it, and each brings his catch forthwith to his master's feet.

"I have a little beauty whose name is 'Fiver.' She once belonged to the Earl of Essex, but while still a pup was presented by him to Nat Goodwin. Once Goodwin was playing cards and went broke. Seizing his pup he placed her on the table saying, 'Here goes for a fiver.' He won her name, and thus my bonnie girl got her name. She has two pups as bright as the sun."

The idea of anybody saying that such animals could be cruel is in prospect, which the officers of the Society for the Prevention of Cruelty to Animals will be invited to witness. If they see anything objectionable in the sport it will be discontinued, otherwise the club will be permanently organized and hold its matches at frequent intervals.

Building Trades Council.

At a meeting of the Building Trades Council last evening resolutions were passed denouncing the Board of Education for letting the work of renovating the schoolhouses to contractors who employ non-union workmen and pay less than the union scale. It was decided to continue the matter of admitting delegates from the International Bricklayers' Union until the differences with the local union are settled. Vice-president H. C. G. was the committee president vice H. Myers resigned, and H. C. Hincken was chosen to fill the vacancy.

NEW HOTEL PROJECT.

Only a Small Crowd at the Mass-Meeting for Its Discussion.

LOS ANGELES, CAL., July 30.—There was a decidedly small crowd in the Los Angeles theater to-night to attend the mass-meeting called in the interests of the new hotel project. About \$1000 was pledged by those present, although the subscription was not officially started at the meeting. Colonel H. G. Otis suggested that a committee of three be appointed to segregate the various businesses and professions into classes and a thorough canvass be made to raise the additional funds necessary for purchasing the hotel site. Colonel Otis, E. F. C. Klocke and E. A. Miller were appointed to the committee in addition to members of the committee. Remarks were made by Mr. Juana Neal, who is at the head of the enterprise, J. S. Slauson and Jefferson Chandler.

Eureka Damage Suit.

EUREKA, CAL., July 30.—Lillie M. Martin has commenced suit in the Superior Court against the City Street Improvement Company of San Francisco for \$50,000 damages. She is guardian ad litem of the three minor children of Edward Inman, one of three laborers who were killed at the Government jetty works on July 17, when a car overturned into the ocean and buried the men under tons of rock. The complaint alleges that the fatality was due to a defective car, owned by the company, which has a contract to build the north jetty.

HEALD'S

BUSINESS COLLEGE, 24 POST ST., SAN FRANCISCO.—Bookkeeping, penmanship, business practice, shorthand (Pitman), typewriting, telegraphy, modern languages, English branches and everything pertaining to a business education rapidly taught. Department of Electrical Engineering in operation. Individual instruction. 29 teachers. Night sessions. Students can commence at any time. Thousands of graduates in positions. Write for catalogue.

THE LYCEUM.

PREPARATORY SCHOOL FOR THE UNIVERSITY, Law and Medical Colleges. Admission on recommendation. Many students have been successfully prepared for university and college. Evening sessions. References, President Jordan rapidly taught. Department of Electrical Engineering in operation. Individual instruction. 29 teachers. Night sessions. Students can commence at any time. Thousands of graduates in positions. Write for catalogue.
