

MAJOR MCKINLEY'S LUCKY SATURDAY Demonstrations of Joy at the Home of the Next President.

Illuminated Streets and Many Marchers in Honor of the Great Victory.

CALLERS ARE MADE WELCOME. Distinguished Men Continue to Send Congratulations to the Republican Standard-Bearer.

CANTON, OHIO, Nov. 7.—This has been a lively Saturday for Major McKinley. He has received half a dozen small delegations and one large one, talked with a hundred people and shaken hands with a thousand; but made no speeches. The day closed with a jollification. Illumination was general along the lines of march and the parade was reviewed by Major McKinley as it passed his house. Five thousand people from Alliance, Massillon, Cleveland and other cities in the northern part of Ohio participated.

THEY WILL HAVE A MAJORITY IN THE NEXT CONGRESS.

NEW YORK, N. Y., Nov. 7.—The announcement from Milwaukee by friends of Senator John L. Mitchell of Wisconsin that he will support gold measures in the Senate makes a tie of the gold and silver forces in that body and puts upon Vice-President Hobart the responsibility of casting the deciding vote. This, of course, took the assumption that no other changes are made. Putting him among the gold men, the Senate in the next Congress, as at present indicated, will be divided among the parties as follows: Gold Republicans, 37; old Democrats, 8; total, 45. Silver Democrats, 25; silver Republicans, 10; Populists, 9; total, 45.

THEIR CAUSE EXTOLLED. Silver Men Asked to Pluck Up Courage in Iowa.

DES MOINES, IOWA, Nov. 7.—The State Central Committees of the three silver parties in Iowa, Democratic, silver Republican and Populists, to-day issued an address to their followers. It is over the signatures of Chairman Curry and Secretary Carr of the Democrats, Chairman Bellange and Secretary Meredith of the Populists and Chairman Cliff and Secretary Wilson of the silver Republicans. It declares that while silver has been beaten in Iowa it polled for Bryan 225,000 votes, a larger number by 5000 than the largest vote ever polled by the Republicans in a previous year. The silver men are exhorted to take courage and confidence in the future, their cause is extolled as just and therefore sure to win.

FOR A CABINET POSITION. Hon. Nathan Frank Put Forward by His Friends.

ST. LOUIS, Mo., Nov. 7.—Considerable interest is manifested in this city as to the formation of Mr. McKinley's Cabinet, and with the desire that St. Louis and the Southwest be represented a number of leading Republicans, together with several prominent sound-money Democrats, have urged Hon. Nathan Frank to be presented as a candidate for Cabinet position. His friends declare he is well qualified for the portfolio of Attorney-General or Secretary of the Interior.

IF REVENUES FAIL. Then It Will Be Time Enough to Summon Congress.

DETROIT, Mich., Nov. 7.—Senator McMillan in an interview to-day in regard to McKinley calling an extra session of Congress after his inauguration as President said: "The less Congress is in session the better. It is impossible at this time to judge as to the probabilities of a special session. We want to show how the Wilson bill will operate under the new order of things. It depends upon importations. If the receipts of revenues should be sufficient to meet the expenses of the Government I doubt whether a special session would be called. If, however, they should prove insufficient prompt measures would I suppose be demanded. Republican action on tariff revision is in the future a subject for consultation with the sound money Democrats, subject for consultation and compromise."

REVENUES IN WYOMING. Returns Received Here to-day by the Republican State Committee from Four of the Big Horn County Precincts, the first returns received from that county since the election.

THEY VOTED FOR MCKINLEY. COLUMBUS, OHIO, Nov. 7.—The vote for the Palmer-Buckner electors promises to be ridiculously small in this State. In nineteen counties which have filed their returns with the Secretary of State the total vote for that ticket is only 229. The sound money Democrats in this State evidently voted for McKinley.

HEADQUARTERS DESERTED. CHICAGO, ILL., Nov. 7.—National headquarters of both parties were deserted to-day. Those members of the committee who have not already returned to their homes are making preparations for early departure.

WHEELING, W. It is stated that Cornelius N. Bliss of New York will not be the Secretary of the Treasury, as has been announced, because the position involves duties too onerous, which he would not be willing to undertake. Mr. Bliss, on the other hand, can be Secretary of the Navy, if he is willing to take it. John Sherman, it is stated, will be Secretary of State, if he will take the job.

QUESTIONS OF MR. HANNA. Newspaper Men Banqueted and Presented With Medals.

NEW YORK, N. Y., Nov. 8.—Mark A. Hanna gave a dinner to-night in the Hotel Waldorf to newspaper men of New York and Chicago who had been employed at headquarters in both cities chronicling events in one of the most exciting political struggles in the history of the country. Not only did he give them a dinner, and a good one, but he also presented each reporter and correspondent with a medal of the size and value of a \$20 gold piece, and of absolute purity, in sign token, as he expressed it, of the National Republican Committee's appreciation of the ability and conscientiousness with which they performed their duties.

SETTLE TO MAKE A CONTEST. WINSTON, N. C., Nov. 7.—It is stated that Congressman Settle (R.) of the Fifth District has decided to contest the election of W. W. Kitchen (D.). The returns give the latter a majority of over 400. Settle claims that there were irregularities in Rockingham County.

NEW YORK, N.
