WIN YOUR PRIZE

CAN YOU TELL HOW MANY WHITE SPOTS THERE ARE ON THIS BLACK SQUARE? Probably not. You can see a great many more in front of your eyes than you can see on the cut—can you? Do you know just what those spots in front of your eyes mean? If you do you can win a prize that is far more worth having than any lottery ticket ever called for.

KEEP UP THE STATE'S REPUTATION FOR HOSPITALITY.

Collections for the Christian Endeavor Convention fund are coming in regularly and cheerfully. A large sum of money will be needed to make the convention a success, and to extend to the visitors that welcome which should be worthy the reputation of California as a generous host.

There is no doubt that this sum will be forthcoming. California has never yet failed in matters of this kind. But it is better that it should be subscribed at once; the earlier the better; for by having in sight the whole of the fund the committee on arrangements will have more time to prepare for the reception of the visitors from the Eastern seaboard in a style befitting the golden heart of the Golden State.

The following-named gentlemen are at the head of affairs. They have labored industriously and self-sacrificingly, but without ostentation. Their work will show for itself: Rolla V. Watt, chairman (and transportation); J. S. Webster, vice-chairman (and hall); C. F. Baker, secretary; C. Z. Merritt, finance; Donald McKenzie, entertainment; A. S. Johnson, reception; A. M. Benham, music; J. A. Wiles, printing; R. L. Rigdon, M.D., ushers; E. E. Kelly, M.D., registration; C. B. Perkins, decorations; George B. Littlefield, press; Rev. William Rader, pulp supply and special meetings. Ex-officio members—E. R. Dille, D.D., trustee United Society; Guy W. Campbell, president California State C. E. Union; Purcell Rowe, president Golden Gate Union; George P. Lowell, president Alameda County Union; William H. Crocker, treasurer; W. W. Bristol, assistant secretary.
