NEW TO-DAY.

NEW CURE FOR ALL DISEASES!

In this age of deep thought, profound reasoning and scientific research, almost every day gives birth to some new invention or valuable discovery.

NEW ELECTRO-CURE MEDICAL CURE

stands pre-eminent and alone. It is unequalled, and is the most advanced and successful method of treatment for a classes of diseases ever known.

NEW ELECTRO-CURE MEDICAL CURE

This wonderful combination of electricity with medicine is mighty and magical in its action—other penetrating the system from without and the other from within, hand in hand, and ferreting out the most minute lurking places of disease, find it, annihilate it, and exterminate it, vitalizing the entire system, quickly healing and restoring the most morbid and despairing patients to grand and glorious health.
