DEFEAT OF HARVARD KICKERS. STANFORD PLAYERS CONFIDENT. SCORE: PRINCETON 0, YALE 6.

Pennsylvania Players Gain the Victory by a Score of 15 to 6. Stalwart Sons of Old Eli Play a Most Magnificent Game.

BOTH TEAMS PUT UP A GOOD GAME. OLD NASSAU'S MEN ARE OUTPLAYED.

But the Cambridge Boys Meet More Than Their Match in the Quakers. All the Finishing Touches Being Put On for the Great Battle Nov. 21: Thursday. Eighteen Thousand Spectators Witness One of the Greatest Football Battles.

Special Dispatch to THE CALL

PHILADELPHIA, Nov. 20.—Before the largest crowd that ever witnessed a football game in this city the University of Pennsylvania football eleven this afternoon, on Franklin field, defeated the Harvard team by a score of 15 to 6. It was not a sensational game. There were but few good runs, the 55-yard dash of Parker and Jackson's 25-yard run being the only ones of moment.

The playing was fierce, but not unnecessarily vicious; hard but clean. It was a battle of the giants, and to-day's victory over the crimson Pennsylvania has gained the top round of the football ladder and holds undisputed possession.

A surging mass of humanity crowded about the many entrances to Franklin field. There were a half-dozen admission gates, and notwithstanding that the arrangements were of the best it was nearly 2:30 before the last enthusiast was seated in the huge amphitheater.

Inside the grounds the sight was a beautiful and inspiring one. When it is taken into consideration that the seating capacity of the grounds is almost 25,000; that 900 out of every 1,000 persons either carried a red and blue or a crimson flag, or wore colors of one or the other of the big colleges in some conspicuous place, then the beauty of the scene may be imagined.

As the game progressed the sympathizers of both Harvard and Pennsylvania were given ample opportunity to use their lungs and wave their flags.

Harvard started the game without the services of Captain Cabot, Richardson taking his place at left end. Swain, who played against Yale at last, was replaced by Wheeler, Mills and Houghton alternated in Donald's position at right tackle and Warren's position at right half back was ably filled by Parker.

The Harvard team as a whole played good football, but the Pennsylvania players played better. In Dobbie and Parker Harvard had two fine fullbacks, and had Harvard's line held as it should have done the crimson half would have been dangerous for Pennsylvania. On the ends the Cambridge men showed none of the slowness in getting down the field which characterized the play at Cambridge on Harvard's side in this city.

For the crimson Dobbie and Parker were easily the stars, and Garrison also did good work. Parker's run of fifty-five yards was made on the delayed double, and it is not probable that any other player as he was missed by three men, Weeks, Morice and Minis.

For Pennsylvania, Hare, Minds, Hedges and McCracken, all did good work. Hare's tackling of the ends was easily the best work seen on Franklin field this season. The line-backing of Hare, Minds and McCracken, when they carried the ball from Harvard's goal, was one of the grandest exhibitions of line-backing that has ever been witnessed in this city.

McCracken was then entrusted with the pigskin and the "guards back" formation shot the plucky run at guard through the same place in Harvard's line for twenty yards.

Hare tried the center, but was thrown for a loss of three yards. The ball was now on Harvard's 25-yard line, and Morice dropped back for a try for a field goal. The kick was blocked and the ball went to Harvard on her 35-yard line just as the whistle blew announcing that the time was up. Final score: Pennsylvania 15, Harvard 6.

The teams lined up as follows:

University of Pennsylvania	Position	Harvard
Boyle	Left end	Richardson
Curtis	Left tackle	Wheeler
Hare	Left guard	Doune
Hedges	Left half	Boyle
McCracken	Right guard	Haskell
Culland	Right tackle	Boal
Hedges	Right end	Henson
Weeks	Quarterback	Monson
Jackson	Left half	Cochran
Dobbie	Right half	Dobbie
Morice	Fullback	Swain
Minds	Fullback	Minis
Smith	James W. Beacham Jr.	Cornell
Bliss	W. W. Wycza	E. A. Goble
Linsmen	Goodrich	W. A. Goble
Tomson	Mills	Hare, Parker
Goal	W. A. Goble	
Goal from field	W. A. Goble	
Total score	Pennsylvania 15, Harvard 6	
Time of game	1:15	

WEST POINTERS VICTORIOUS.

WEST POINT, N. Y., Nov. 20.—This afternoon Brown and West Point met on a wet ground under cloudy skies, but the day was dark only for Brown, West Point snowing her under with a score of 42 to 0. West Point's work was superb, although Brown put up a pucky game. Twenty-five-minute halves were played, and at the end of the first half West Point had scored 22 points. In the second half, with an unchanged line, she again scored 20 points.

PLOTS OF VICE PRESIDENTS

Scheming Officials the Cause of Much Trouble. Uruguay Seems to Be in About the Same Plight as Brazil.

Additional Revelations Concerning the Recent Attempt Upon the Life of Moraes.

(Copyright, 1897, by James Gordon Bennett.)

Buenos Ayres, Nov. 20.—Uruguay is in much the same plight as Brazil. Political disturbances in these two countries are, it is asserted, due to their respective vice-presidents.

Advised just received from the Herald's correspondent in Montevideo state that the official organs there accuse Vice-President Stewart of being at the head of the plot, which became known yesterday, to upset the government of Senator Cuevas, the President interim, seize the navy with the assistance and influence of Julio Herrera, and establish a new government.

This plot miscarried, through the energetic work of President Cuevas, who assumed extraordinary powers and placed Montevideo under a heavy guard, thereby preventing the threatened uprising.

Brazil is still excited, says the Herald's correspondent in Rio Janeiro, by continued revelations of the details of the plot to kill President Moraes. The statement made by Mello, who made the attempt on the President's life, shows that Vice-President Pereira had promised him promotion if the attempt was successful.

Comparative quiet now reigns in Montevideo. Troops are still on guard, but the public is practically over, thanks to the Government's efforts.

Several members of Congress and officials of high rank have signed a document of approval of Senator Cuevas' administration. Among the signers are General Taj's, formerly President of the republic. This has done much to quiet the city.

The Blanco party has nominated Senator Cuevas for President, and he has accepted the nomination in a public letter. There was an effort made in Congress to force President Cuevas to explain certain passages in his acceptance, but it was finally decided that Congress could not lawfully do this. Public sentiment is in favor of Senator Cuevas.

LUCK OF A LUMBER SCHOONER.

Driven to a Point of Safety After Her Crew Had Deserted Her.

SOUTH BEND, WASH., Nov. 20.—A terrific gale, which began Tuesday night and raged for thirty-six hours, cut South Bend off from all telegraphic communication until to-day.

For two days steamers were unable to cross Willapa Bay, and on Wednesday night the local passenger train was caught between washouts at France, and is not expected to arrive until late to-night. In Willapa Valley no serious damage was done except to country bridges, two of them—the Lilly and Staffer bridges—being carried away by the flood.

Early on Wednesday morning the lumber schooner Jennie Thelin, which was schoored off North Cove, dragged her anchor and went aground on Empire spit. Flash signs brought out the North Cove crew, and the men and valuables on the ship were transferred to the shore.

All day Wednesday she pointed on the spit, but on Thursday morning, to the surprise of the crew, she was safely riding in the North Cove channel, having worked herself across the spit. She is now beached at South Bend for repairs.

FOUND BY HIS FATHER.

Peculiar Intics of a Young Man Who Disappeared on the Night Set for His Marriage.

CHICAGO, Nov. 20.—George T. Bergmen, who was to have been married Wednesday evening to Miss Margaret Perry and disappeared in the afternoon of the day set for the wedding and for whom the police and his relatives have been searching since his disappearance, has been found and is now in the residence of his father on West Madison street. The young man seems to be in good mental health, but stated to-night that on the afternoon on which he came downtown to purchase a railroad ticket for his wedding journey, he lost nearly all of his ready money, his pocket having been picked at the railway station and that he feared to return home and announce what he had done.

He was found this evening in the depot of the Northwestern Railway at Milwaukee just as he was about to take a train for Chicago and was brought home by his father.

NEW TO-DAY

What a wonder it is that some women are so heedless about the things that concern them most. They endure all sorts of pain and misery with carelessness which would never be possible if they realized the consequences.

Comparatively few women understand that when they neglect their health because they are too busy or overworked, they are taking up with other concerns, that they are balancing on the edge of a fatal precipice.

Any weakness or disease of woman's special organism is no trifling matter. A woman who through indifference neglects these troubles is laying the foundation for life-long wretchedness.

A modest woman naturally recoils from the mortifying ordeal of examination and local treatment which doctors insist upon. But there is no necessity for any such repugnant alternative. Dr. Pierce's Favorite Prescription cures these delicate complaints positively and completely. It is a medicine devised for this particular purpose by one of the most eminent of living specialists in woman's diseases.

Dr. Pierce has been for nearly 30 years chief consulting physician of the Invalids' Hotel and Surgical Institute, of Buffalo, N. Y. During this time he has received fully ninety thousand letters from women who have been cured by the "Favorite Prescription." Some of these letters are printed by permission in one chapter of Dr. Pierce's great thousand-page book, "The People's Common Sense Medical Adviser." It contains advice and suggestions for self-treatment which every woman ought to read. More than half a million copies have been sold at \$1.50 each. An absolutely free edition of paper covers will be sent for a limited time to anyone sending 27 one-cent stamps to pay the cost of mailing only. Address World's Dispensary Medical Association, Buffalo, N. Y. For a handsome cloth-bound copy send 37 stamps.

Wasting

Disorders come upon you in a slow, stealthy way—as a thief in the night. After one of these declines has fastened itself on the human system much difficulty is experienced in breaking or driving away the fetters. You should therefore heed the approaching dangers. You should seize the first opportunity to destroy any disease that tends to sap your manhood. Night sweats, restlessness, sleeplessness, bear-eyed melancholy mornings mean a wasting away of the tissue, mean a breaking down. It is the same old, old story; you abuse nature's laws, you dissipate or throw away your substance in rapid living and you become weak, yes, you become so weak as to cause you uneasiness, perhaps serious alarm. When you have reached the conclusion to be a man don't forget the cure—it is HUDYAN. HUDYAN cures

Nervous Debility

HUDYAN cures Nervousness, Nervous Debility, Nervous Twitchings, Nervous Losses, Nervous Shakings, Nervous Pulsations, Nervous Declines, Nervous Morbidity, Nervous Hesitations and Nervous Sleeplessness. It is certain to cure you, as it has cured 10,000 other men. You should consult the Hudson Medical Doctors about HUDYAN, or write for free Circulars and Testimonials.

DEATH OF LOU RE BROWNLEE.

Pioneer Resident of Napa Crosses to the Other Side.

NAPA, Nov. 20.—Robert Brownlee, one of the oldest citizens of Napa County, died last night. Brownlee came to California in the early forties, crossing the plains in 1850. He carried on a packing business between Stockton and Ajuar.

He was buried in the cemetery of the city. He was 73 years of age and lived here since 1875.
