IMPERIAL HOTEL STOCKTON, CALIFORNIA

SINCE MR. ROTHENBUSH has assumed the management of the IMPERIAL HOTEL at Stockton, the change has been much appreciated by the traveling public. It is without question the best conducted and most finely appointed interior hotel in the State. The service is perfect, the most captious cannot complain of the accommodations, and the menu is unsurpassed. Carriages are always on hand for the convenience of the guest, and no charge made to any point in the city. The rooms are all light and airy, and the furniture new and up to date. It is the favorite stopping place for all the first class trade going to Stockton. Mr. Rothenbush has introduced many an innovation which tends to please the guest, and no one visiting Stockton should fail to register there.

THE Golden Eagle Hotel AT SACRAMENTO, CAL.

IS AND ALWAYS HAS BEEN One of the leading hotels in California. Its history is identical with that of the city itself, and to-day it stands as a modern first class hotel, of which any community might be proud.

The GOLDEN EAGLE has entertained most, if not all, of the famous men from all parts of the Union. It is now the business and political headquarters for all parties. During the legislative sessions, the GOLDEN EAGLE is the one place of rendezvous in Sacramento where you may be sure of meeting any prominent official of either branch in its spacious lobby or cafe. The hotel in 1894 was placed in elegant shape by its proprietors, Messrs. Gray & Titus. An elevator of the latest pattern was added and a large annex on the K street front. The suites and many of the larger rooms contain baths, and all the rooms have hot and cold running water.

The location in the very heart of the city makes it popular with the commercial travelers, and the proprietors strive both in the service in the dining room and office to give their patrons the home-like feeling that makes one feel he wants to come again. A well conducted hotel is of benefit to the city in which it is located, and the verdict of both our home people and our patrons is that such is the standing of the
