JOHN BRIGHT'S BIG VICTORY

Beats Two Derby Winners at Latonia.

TAKES THE HIMYAR STAKES

RUNS AWAY FROM PINK COAT AND HAN D'OR.

Remarkably Fast Time Made—Jockey Martin Suspended for Assaulting Conley—Results on Other Tracks.

Special Dispatch to The Call.

CINCINNATI, June 30.—Pink Coat and Han d'Or, two-year-olds, went down to defeat before Talbot Brothers' great three-year-old colt, John Bright, in the Himyar stakes at Latonia to-day. There were but three starters in the race and John Bright was the outsider at 4 to 1. Han d'Or was always favorite at 1 to 5, while 6 to 5 was the best price that could be had on Pink Coat. The race was at a mile and an eighth and was run in the remarkable time of 1:53 3/4.

Pink Coat was the first away, but at the quarter pole Han d'Or took the lead and set a killing pace for Pink Coat and John Bright. After passing the half-mile post John Bright took second place away from Pink Coat and then Matthews sent John Bright after Han d'Or. Turning into the stretch John Bright shot by Han d'Or like a ghost and was soon two lengths to the good. Conley on Han d'Or and Martin on Pink Coat put their mounts under the whip, but they could not catch John Bright, who won easily by four lengths. Han d'Or got the place from Pink Coat after a fierce drive. The value of the stake to the winner is \$550.

After the finish Jockey Martin assaulted Conley in the scales room and the former was fined \$250 and suspended for thirty days by the judges. Martin will not be allowed to ride for any one but his employer, Pat Dunn, during his suspension. Weather fine, track fast. Attendance 6000. Results:

First race, six furlongs, selling—Bill Powell won, Bob Walker second, Harry Lee third. Time, 1:16.

Second race, one and a sixteenth miles—Great Bend won, Kitty B second, Pancharm third. Time, 1:47.

Third race, six furlongs—Dr. Pitts won, Marti second, Dunbar third. Time, 1:15.

Fourth race, six furlongs—Annie M finished third but was disqualified for fouling Dunbar.

Fifth race, five furlongs—Romanoff won, Estabrook second, Hard Knot third. Time, 1:09 3/4.

Sixth race, six furlongs, selling—Cy Jones won, High Links second, Jolly Son third. Time, 1:15.

LOS ANGELES WATER FARCE

City Council Still in a Trifling Mood.

FRUITLESS SECRET SESSIONS

DIFFICULTIES IN THE WAY OF ARBITRATION.

Hutchison Renews His Motion for the Appointment of an Arbitrator, but It Dies for Want of a Second.

Special Dispatch to The Call.

LOS ANGELES, June 30.—The City Council to-day held another special session, when it was given out that something would be done to clear up the situation regarding the water question. It was supposed that steps would be taken to decide definitely whether the city and the water company would enter into arbitration to fix the price of the water company's plant, but absolutely nothing was done, and the session was adjourned until next Wednesday. Councilman Hutchison again renewed his motion to appoint an arbitrator, but it died for want of a second.

At a secret session of the Water Committee of the Council with representatives of the company a long-winded letter from counsel for the company was read, which pointed out various difficulties that would have to be cleared away before arbitration could be entered into. These difficulties are absolutely insurmountable and render arbitration impossible. Yet the City Council continues to carry on the farce for no other purpose than to deceive the people.

The water company's attorneys, in their communication to the City Attorney, state: "We do not believe now, any more than when we talked to you, that arbitration will amount to anything practical in the end; but if you insist upon it we can as easily undertake it as yourself, and we will do so and will appoint an arbitrator."

The reason the company makes this offer is because it knows that unless voluntary arbitration is entered into, and unless the result is satisfactory to both parties, the decision reached by the arbitrators would be overturned; in other words, the price fixed by the arbitrators would be binding on neither party.

VIOLATING THE NEW CHARTER

Thorns in the Path of Miss Hankenson.

BOSS REA'S JOB WILL FAIL

WOMEN OF THE GARDEN CITY AROUSED.

Mrs. Clement Will Not Be Superseded as Deputy Superintendent of City Schools Without a Struggle.

Special Dispatch to The Call.

SAN JOSE, June 30.—Miss Irene Hankenson, who was recently elected Deputy Superintendent of City Schools, will experience considerable difficulty before she is safely installed in her position.

The appointment of the young lady was at the direct instance of "Boss" Rea, who is a personal friend of Miss Hankenson. The displacement of Mrs. A. B. Clement caused a great deal of comment, and the Board of Education has been condemned by the entire community for its action. Since then the various women's societies have taken up the matter and strong resolutions and petitions have been forwarded to the board asking that she be retained in her position. The San Jose Woman's Club, an organization composed of the most prominent women in the city, has been especially active; but the School Trustees have paid no attention to these petitions and have insolently gone along with other matters.

Within the last two days a new move has been made by Mrs. Clement's friends. Under the new charter a person, to become a deputy of one of the city officials, must have resided in the city for at least two years. Miss Hankenson has never been a resident of San Jose, and for the last three years she has been engaged teaching school at Gilroy. Mrs. Clement's friends have advised her to hold the office and refuse to turn it over to her successor, as Miss Hankenson's appointment was illegal.

The charter is very plain on the subject, and just how "Boss" Rea intends to get around it and seat Miss Hankenson is not clear. The law on the case is found in section 4, article XIII, under heading of "Miscellaneous Provisions."

Mrs. Clement's term expired this evening, but she will continue in office, and in all probability there will be lively times in Superintendent Russell's office to-morrow should Miss Hankenson insist upon taking the place. There will then be two Deputy Superintendents of Schools, and the matter will be carried into court. Mrs. Clement has been legally advised to retain her office, and her numerous friends declare that an injunction will be issued to prevent the Treasurer from paying Miss Hankenson. Section 11, under the same head and article of the

CHARTER, PROHIBITS THE TREASURER FROM PAYING SUCH CLAIMS.

Mrs. Clement has been in the City Superintendent's office for the past six years, and her efficiency and affable manners have made her many friends.

On the other hand, Miss Hankenson has had no experience in the work.

The Wasp This Week.

Never before has a weekly paper on the Pacific Coast presented to its readers such a profusion of half-tone illustrations as is done by the Wasp this week.

Of the features illustrated in the Wasp the most striking and interesting are the sailing of the third Philippine expedition and scenes on the bay and upon the transports, breaking camp at Camp Merritt and other entertaining bits of camp life and pictures of Colonel William C. Smith and staff and every company in the Tennessee regiment.

Besides there is a magnificent engraving of General Merritt and photos of other celebrities. A number of California views are also published. The center colored cartoon represents Uncle Sam resenting Germany's aggressive-ness. The queer brood hatched by the bird of liberty and the panic caused the Dons by the threatened attack of the "Bunkoner" are other subjects of caricature. The literary features are worthy of notice, but suffice it to say they have not been abridged and are up to the usual high standard. The Wasp is issued to-day this week, instead of Saturday as usual.

To Be Tried for Battery.

"Lieutenant General" A. W. Moore of the Union Mission Army has escaped from the charge of mayhem preferred against him by Dr. Looney, but Judge Joachimson ordered Looney to swear to a complaint charging Moore with battery, and Moore was promptly arrested on that charge. He will be tried to-day, and stands every chance of being convicted and sentenced.

Death of Mrs. G. C. Yates.

The many friends of young Tom Maguire will regret to hear of the loss of his mother, Mrs. G. C. Yates. Mrs. Yates was formerly the wife of John Maguire, brother of Tom Maguire, the veteran theatrical manager. She died at the residence of her son on the 15th inst. in New York City.

BIG SCHOONERS GO A-CRUISE

PACIFIC CLUB YACHTS TO SAIL TO SANTA CRUZ.

Cannon Will Boom and a Royal Welcome Will Be Accorded by the Seaside Resort to the Visitors.

About two weeks ago Commodore E. A. Whitsee, of the Pacific Yacht Club, issued orders for a cruise to Santa Cruz on the Independence Day holidays.

The yachts will anchor off Melges wharf to-night and at 4:30 a. m. Saturday a preparatory gun will be fired; at 5 o'clock the yachts will get under way. Interest is centered upon the two big schooners Aggie and Lurline, which are of almost exactly the same length, though of two different types, Aggie being a center-board and Lurline a keel boat. The Lurline was built by M. Turner, and her dimensions are as follows: Length over all, 30.40 feet; length on the water line, 22.50 feet; beam 21.05 feet, and draft 8.25 feet. The Aggie was built by W. L. Hall, and has a length over all of 77.73 feet; a length on the water line of 69.83 feet; a beam of twenty-three feet, and a draft of 6.75 feet.

Admiral J. D. Spreckels' Lurline will have the following guests on board: Associate Justice Henshaw of the Supreme Court, Messrs. J. D. Spreckels, A. B. Spreckels, W. W. Foote, J. W. Reid, W. S. Leake and H. F. Fortman. The following will be Commodore E. A. Whitsee's guests: W. Northrup Cowles, W. L. Hagan and L. Williams.

As the weather bureau promises a brisk to high northwesterly breeze off shore the yachts should make quick time down to Santa Cruz. Word has been received from Lieutenant Governor Jeter

that all the available cannon in the neighborhood have been gathered together to salute the visitors, and that a royal reception will be accorded to them.

It is difficult to predict which boat will reach its destination first; possibly in heavy weather Lurline, being a keel boat, might have an advantage, and in light weather Aggie may run faster before the wind.
