Attempted Legislation for Ireland.

CLANCY TELLS OF THE DEBATE

PROGRESS ON THE LOCAL GOVERNMENT BILL.

One Point Is Clear, and That Is the Irish Landlords Will Not Be Aided by Their English "Friends."

BY J. J. CLANCY.

LONDON, July 16.—We have had another "Irish week" at Westminster the last "Irish" week of the session, which will, for all purposes, come to a close the first or early in the second week of August.

One of the principal proposals in the bill is to relieve the Irish landlords of the future of their liability to the poor rate. That is the only local rate in Ireland to which they are liable, and have been liable, and they are anxious to be relieved of only half of that impost.

This band did not contain among its members any of the Liberal leaders so-called. They were either ashamed or afraid to give even the countenance of their presence to the proceedings of their "irregulars."

In the Hat Department. To-morrow we open our new Hat Department—in a new location, with better light, better accommodations, bigger stock, lower prices, and every hat in it brand new—the coming Fall styles—and the only store in the West showing them so early.

The latest Fall shapes in Men's New Hats—either black or brown—at \$2.85, \$2.45, \$1.85 and \$1.35

The latest shapes in Men's Fedoras—in new blacks, browns, pearls and cedars—at \$2.85, \$2.45, \$1.85, \$1.35 and 95c

Handsome new styles in Boys' and Children's Caps—many late novelties of the naval or military order—new shapes in boys' hats and caps. Strong values.

Boys' Eton or Golf Yacht Caps. 25c and 49c

Values in Ladies' Gloves. Misses' 2-clasp Kid Gloves in Reds, Browns and Tans, embroidered backs, all sizes. \$1.00

Misses' 2-clasp Real Kid Gloves in Reds, Navy, Browns and Tans, embroidered backs, all sizes. \$1.00

Ladies' 2-clasp Kid Overseas Gloves, in Reds, Browns, Tans, Mode, White and Black, embroidered backs, all sizes, best value in the city for \$1.00

Ladies' 2-clasp Real Kid Gloves—Reds, Navy, Browns, Tans, Mode, White and Black—our leader at \$1.25

Ladies' 2-clasp Real Kid Gloves, in Reds, Navy, Navy, Browns, Tans, Mode, White and Black; very fine, indeed. \$1.50

amiable and, therefore, dull, whereas on those nights of years ago not five minutes passed without angry scenes culminating off in the temporary expulsion of some Irish member.

The report of this body has been boasted of as a vindication of the landlord position, because it contains some criticisms on the working of the Land Courts; and accordingly, Irish landlords in the House of Commons commenced last night a discussion upon it with a view to inducing the Government to propose another land bill—one, I suppose, in their interest.

With this debate on the Irish land question the session may be said to have come to an end, so far as Ireland is concerned.
