DEFEAT OF EDDIE BALD

McFARLAND WINS THE MILE CHAMPIONSHIP.

Western Wheelmen Easily Victorious in the Pursuit Race Against the Crack Riders of the East.

Special Dispatch to The Call.

INDIANAPOLIS, Ind., Aug. 13.—The national meet of the League of American Wheelmen was closed to-day, and the racing was brilliant. It furnished more surprises and more broken records. Eddie Bald was beaten out in the semi-final of the one-mile national professional championship, as were Tom Cooper and Arthur Gardiner. F. A. McFarland, the new champion, won in record-breaking time, lowering the one-mile single paced competition mark from 2:01 to 1:58 2-5. "Major" Taylor was but three inches behind in the wonderful finish, and "Old Kalntuck" Kimble but a tire's width back of the "dark secret."

Frank L. Kraemer of Newark, N. J., put a crimp into Peabody and won the one-mile national amateur championship. The winners of the first and second in the semi-finals were allowed to start, and it gave a fast field. Kraemer, however, had a world of speed and he dealt it out freely. He crossed the tape a full length in front of Earl Peabody, the Chicagoan. The time was 2:04 3-5.

The two-mile amateur handicap event saw another broken record, and Kraemer, the one-mile national champion, registered it. Although he failed to finish within the money, he cut the record to 4:17.

The third record to go to smithereens was that of a quad mile. In a trial against time, a team composed of Van Cott, Horton, Lishner and Bennett cut the record from 1:47 to 1:45 3-5.

The two-mile tandem professional race, James Stevens of Minneapolis, tutored for Johnny Johnson, whose injuries received on the previous night were so severe to permit of his riding. Plucky "Plunger" Bill Martin was out steering his mate, W. E. Miners, who tutored for the Westerners to stop their Eastern rivals. The time for the five miles was 12:45 1-2, doing the last quarter in :24. Martin all but fainted after finishing and had to be carried from the track.

The interstate pursuit race, teams entering from Illinois and Indiana in the West and Connecticut and New York in the East, was won by six and three sixteenths of a mile and the time 12:45 1-2.

The long-talked-of race of the East against the West was well contested, and the Western riders captured the event. The crackerjacks of the meet were represented.

McFarland was in the Western team, as were Gardiner and Bald in the Eastern aggregation. The West wiped up the Easterners, and the Western team stayed to the finish. Stevens was the only Westerner to give up, while all of those from the East quit before the finish. The time for the five miles was 12:45 1-2.

Final heat—McFarland, first; Major Taylor, second; Kimble, third; Stevens, fourth; Fisher, fifth. Time, 1:58 2-5. World's single competitive record, broken by 1:58 2-5 by Gardiner in Louisville in August, 1897.

One mile national championship, amateur—F. L. Kraemer, Newark, first; Earl Peabody, Chicago, second. Time, 2:04 3-5. Also ran: Monroe, Memphis; Bald and Gardiner; Barnes; Kimble; Louisville, first; Stevens, Ottumwa, Ia., second; Major Taylor, Indianapolis, third; Fisher, fourth; Jay Eaton, Tom Cooper, Detroit, fifth. Time, 2:04 3-5.

Two mile amateur, handicap—George Taylor, Dayton, (20 yards), first; Archie Ferguson, second; Hester, third; C. W. Donovan, Chicago, (25 yards), fourth; J. D. Stophani, Chicago, (25 yards), fifth; C. W. Donovan, Chicago, (25 yards), sixth. Time, 4:17.

Two mile tandem, professional—Martin, Lowell, and Merrens, Minneapolis, first; Tom Towell, and Merrens, Minneapolis, second; McFarland, San Jose, and Stevens, Iowa, third; Bowler, Chicago, and Ben Moore, Memphis, fourth. Time, 4:17 1-5.

East against West, five mile pursuit race, won by team from West by 5 1-2 of a mile in 10:23 1-5 for the five miles. Western team—McFarland, Merrens, Becker, Gardner and Stevens. Eastern team—Bald, Eaton, Martin, Verrier and Hatfield.

Interstate pursuit race, amateur, three men team, no limit on New York team—Eris, Kraemer and Schofield won. Time, 12:43 3-5. Distance, six and three sixteenths miles. Other teams—Indiana, Pease, Bates and Gordon; Connecticut, Hausman, Collatt and Vancot.
