

HAWAII'S ATTORNEY GENERAL TENDERS HIS RESIGNATION. Political Patronage Which Will Be Parceled Out by Governor Dole.

Men With Native Blood in Their Veins Will Be Given the Preference for a Time.

Special Correspondence of The Call. BY HORACE WRIGHT.

HONOLULU, Aug. 16.—Attorney General Smith has tendered his resignation, but leaves himself entirely in the hands of President McKinley, not being desirous of embarrassing the administration. The name of Hon. Paul Neumann is commonly mentioned as a possible successor, as is also that of ex-Minister F. M. Hatch, but this is done explicitly without their consent or authority. It is generally hoped, however, that a local man will be selected should Mr. W. O. Smith's resignation be accepted.

New politicians will talk and they are freely talking about this resignation, which they claim will be supplemented by a letter to President McKinley requesting him to decline to accept it. They further state that the real motive for Mr. Smith's action is that he has hitherto conspired and consorted too much with the leaders of the American Union party, whose almost openly avowed object is the political downfall of the Dole element in favor of the company's share.

One of the most important subordinate posts in the Government is that of the Registrar of Public Accounts. He may be practically called the Cashier of the Treasury Department. This position has been ably filled under the late administration by Mr. George Ashley, a Santa Clara County Californian, and one who has endeared himself to all our visiting boys in blue, white and brown by the excellent manner in which he has discharged the duties of his office.

As perhaps indicating the desire of the administration to provide its direct and indirect friends with the Hawaiian Islands, the position has been offered to George W. Smithies, a part Hawaiian, who held that office under Mr. Damon, as well as other important Government positions during the past administration. He is reported to have accepted the position with Hon. John Eha. It has been officially intimated that whenever practically subordinate positions will be, for the time being, placed at the disposal of the Hawaiian islanders in preference to all others, but it is learned this morning that Mr. Smithies will probably decline the offer, on the grounds of the old adage, "Fear the Greeks giving you the olive branch." They disclaimed any political feeling in the matter; it was simply a question of American citizenship and the exercise of their newly obtained rights. The affair ended by the strikers being dismissed in favor of others who were to work at the usual rate of \$1 a day.

The Chinese consular agents celebrated their Emperor's birthday on Saturday last with an official reception at the Hawaiian consular office. The high judiciary and military, the diplomatic and consular corps, Admiral Miller and staff, Colonel Barber and staff, Captains Wadleigh and Book and their respective staffs, as well as three Hawaiian ministers to Washington. The reception was an extremely cordial one, as on the day preceding almost every Chinese store and business office was closed out of respect to the raising of the flag.

On the afternoon of annexation day a reception was given at the United States legation, the pleasing occasion being the christening of the baby boy of Hon. Harold M. Sewall, until noon of that day the Minister Plenipotentiary.

GRAPE-NUTS. COOK CAN'T SPOIL.

Grape-Nuts Need No Cooking and the Flavor is Assured. People want food that has a palatable, toothsome taste, and one that will recall a pleasant taste whenever the name is mentioned. That feature is strong in Grape-Nuts, the new breakfast food, made by Postum Company, Battle Creek, Mich. No cooking is required, hence the taste is not dependent upon the cook, but is just what the makers intended it to be. It is often served cold and dry with a bit of rich cream in part of the sauce.

If one wants a hot dish, a little hot milk can be poured over some Grape-Nuts and there you are, a most fetching dish, furnishing the high nutritive value of grape-sugar.

ary and Envoy Extraordinary of the United States to Hawaii and now President McKinley's representative. The chief was named in honor of his grandfather, Rev. Frank Thompson, chaplain of the United States steamship Mohican, was the officiating clergyman and Rear Admiral Miller, U. S. N., and Miss Newland were the United States steamship Philadelphia was in attendance.

The news that Hawaii may have a battalion of United States Volunteers is received with great interest here, but it is much to be doubted whether the battalion can be recruited. We have in our "regulars" but twenty-eight men in one company and thirty-two in another, and it is very improbable that many of the National Guard of Hawaii will enlist for service. It will take a long time for native Hawaiians to enroll although they would make good soldiers and their company of the National Guard of Hawaii is the victorious company at the target. As a naval reserve there would be a greater temptation for the natives make splendid sailors and are almost intelligent amphibians.

GARRISON SOLDIERS REACH HONOLULU.

Schooner Charles Nelson Arrives at the Islands With New Yorkers Aboard.

HONOLULU, Aug. 16.—The steam schooner Charles Nelson, with our garrison troops on board, arrived yesterday afternoon, shortly before sunset, with all well on board. She was welcomed opposite Waikiki by the steamship Eleu, bearing for the first time on her voyage of greeting the stars and stripes, by the Attorney General, Colonel Fisher, N. G. H., Chairman George W. Smith and other members of the citizens' welcome committee. The Nelson returns to San Francisco on the 18th.

Consul General Hayward reports that he has on hand 21,000 tons of coal, 7000 navy and 14,000 army. As items of passing interest, it may be stated that the citizens' committee has so far expended \$18,000 in entertaining the boys in blue and that 1,800 gallons of beer alone in entertaining their guests. Their wine and other money enough and to spare for the 30,000 more men we hope to see pass through.

JOHN R. McLEAN MAY RENOUNCE DEMOCRACY.

Rumor that the Cincinnati Editor is to Succeed Secretary of War Alger. DAYTON, Ohio, Aug. 22.—A special from the Cincinnati Times-Star was reproduced in the papers here to-night that John R. McLean would not be represented by Chairman Dan McConville, Lewis G. Bernard, or any other of the former politicians, who are at this convention and the reason for him not taking part was said to be due to the report that John R. McLean is to succeed General R. A. Alger as Secretary of War in McKinley's Cabinet. This caused more attention to be directed to anything that has been sprung for years at Ohio conventions. It was conceded if McLean should become McKinley's Secretary of War, and the Cincinnati Enquirer an administration paper, that it would cause a political revolution in the State. The paper has been the most potent factor in this State, as well as in Kentucky, Indiana and other States for free silver.

LONG SHOTS IN FRONT.

JOHNNY BOHAN, LIVADIA and FIRESIDE the St. Louis Surprises. ST. LOUIS, Aug. 22.—The form-figures had a hard day at the Fair Grounds course, the day of Johnny Bohan, Livadia and Fireside upsetting their calculations badly. Tommy Charles won but one winner, the hot favorite Burns rode but one winner, the hot favorite Charley Christy, little Lines doing the best work, with two wins and a second in his credit. Fireside's six furlongs 1:14, with the long and fifth, however, he got into his curves and knocked him off the slab. Wilson was substituted and proved effective. Attendance 300. Score:
